

ALUMNI OF THE YEAR AWARDS

The Troy University Alumni Association will recognize distinguished individuals through the Distinguished Alumni of the Year and the Honorary Alumnus of the Year Awards at Homecoming. The addition of the Honorary Alumnus of the Year reflects a change made by the Alumni Board of Directors so that deserving friends may be nominated. Individuals chosen as Distinguished Alumni of the Year are Troy University graduates. The Honorary Alumnus Award is given to a non-graduate who has served, promoted and loved the University in the tradition of loyal alumni.

Candidates shall be judged on the following:

1. Loyalty and service to the University and the Alumni Association.
2. Integrity and an admirable personal life.
3. Professional achievement in a chosen endeavor.
4. Local, state or national service to the community.

All association members are encouraged to nominate alumni or special friends of the University for these awards. The Troy University Alumni Association Board of Directors will accept nominations submitted on the form below.
