At 11:00 am on December 7, 2016, Confucius Institute at Troy University held a promotional activity ---- "Promoting Chinese Teaching and Chinese Culture" at the Trojan Center. All CIT coordinators and instructors participated in the activity. The purposes of this activity are mainly about distributing flyers of Chinese courses and cultures to students and Trojan Center staff. We provided some traditional Chinese food - spring rolls and fried dumplings and played Chinese pop music. People enjoyed the food and music, and, at the same time they learned the relevant cultural knowledge and the Chinese courses of Confucius Institute. The publicity attracted a large number of students and staff to come. They are all interested in Chinese courses, Chinese Corner, Tai Chi classes and the China trip. Through this promotion, they have gained a better understanding of Chinese courses and Confucius Institute.
