In addition, CIT purchased delicious desserts, cookies and beverages which made people relax and talkative in a comfortable atmosphere. This detail once again showed human-based service notion of CIT leaders.

The Orientation consisted of 3 parts:

First, Dr. Xu, the director of CIT, demonstrated last year's China Trip with a well-prepared PPT. She depicted Chinese Culture, tentative China Trip Itinerary, the famous resorts and scenic spots with concise, vivid words. Then, the deputy Director of CIT, Professor Xiaofeng Chen gave a presentation of HNUST and the beautiful scenery of

Qinhuangdao. The Associate Vice Chancellor Dr. Porter also presented himself at the Orientation and delivered an excellent speech. He encouraged people to experience China by themselves. After that, other participants of last year's China Trip shared their experiences about what they saw, heard and gained in China with emotion and enthusiasm. Participants brought out many questions and Dr. Xu and Professor Chen answered patiently; the Orientation ended in a pleasant and harmonious ambience.
