

## Running the wizard and logging into the archived sessions:

Click on the link to the session you would like to attend.

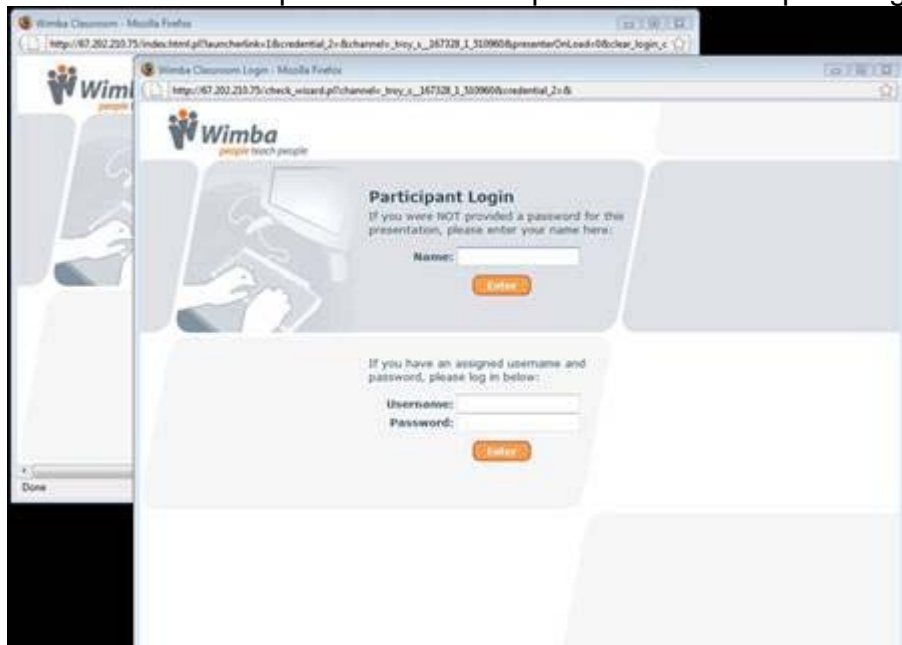

The Wizard will cover the following items on your computer:

- 1) pop-up blockers
- 2) java
- 3) text-chat
- 4) signed applet
- 5) audio playback
- 6) audio recording

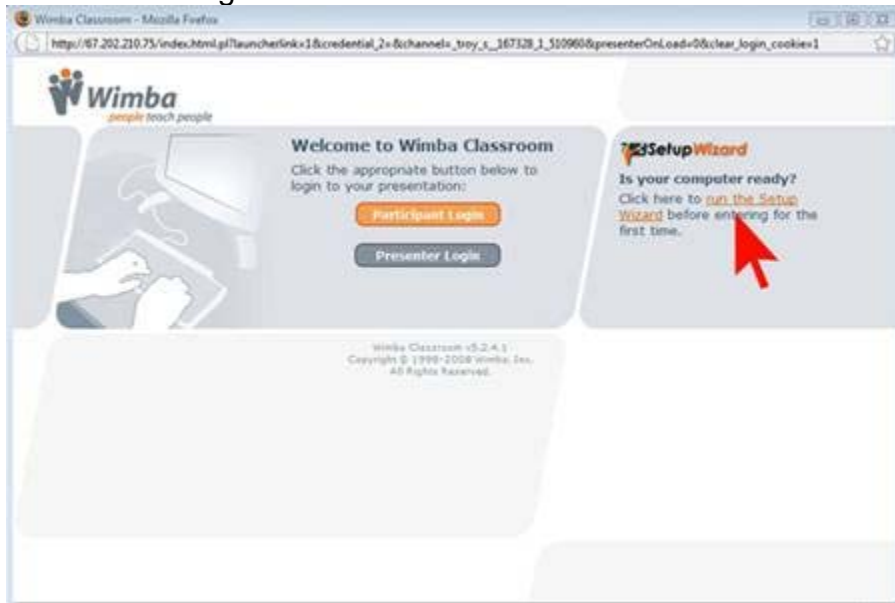

Below are steps on how to access the wizard and how to login to a archived session.

After clicking on your training link above:

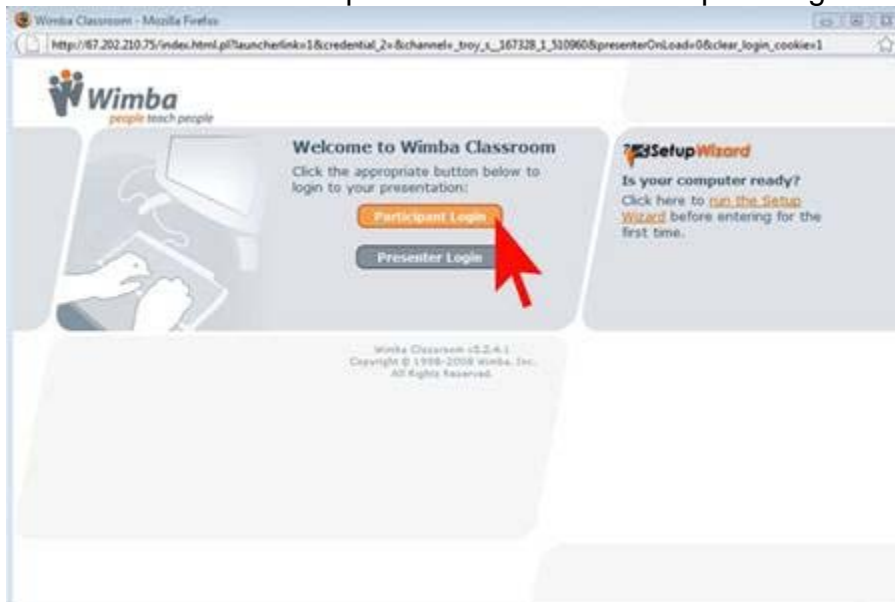

- 1) Two windows will open - Close the top window - Participant Login:

2) In the remaining Window - click the link to run the Wizard:

3) Once the Wizard is complete - click on the Participant Login button:

- 4) A new window will open - provide your name, then click the Enter button:

Wimba Classroom Login - Mozilla Firefox
