You will only be eligible for aid if you did not use your maximum eligibility for the academic year. If you are advancing to a different grade level (i.e. freshman to sophomore) please wait until your transcript arrives showing the higher grade level before turning in this form.

Summer is considered a separate semester/term which means that your loan will be a single term loan even though you may have borrowed for the academic year. All single term loans must by law be broken into two disbursements.
