

## TROY-Political Action Committee

The Troy University Political Action Committee (TROY-PAC) is designed to give advocates of Troy University a means of supporting state leaders who share a concern for the needs of TROY and higher education. In order for Troy University to receive adequate funding, provide salary increases for faculty and staff, maintain affordable tuition for students, etc., we must be able to help influence the political process. The TROY-PAC is ready, but its success depends on your support.\*
