

TROY 41 Oklahoma State 23

Above, Athletic Director Steve Dennis congratulates TROY Head Football Coach Larry Blakeney following the Trojans' Sept. 14 victory over the Oklahoma State Cowboys at Movie Gallery Veterans Stadium. At right, Leodis McKelvin is pursued by Cowboy defenders on a kick return during the Trojans' 41-23 win, which was televised nationally by ESPN2. Bottom right, nearly 27,000 fans braved intermittent downpours to witness the Big 12 school's visit to TROY, and they certainly left happy.

The win marked the second time a Big 12 opponent has come to TROY only to walk away empty handed. The Missouri Tigers made the trip in 2004, coming in as the No. 17 team in the country, only to fall to the Trojans 24-14.

Championship team honored – Members of the Trojans' 1987 NCAA Division II National Championship football team were honored during TROY's game against Louisiana-Monroe on Sept. 29 at Movie Gallery Veterans Stadium. Team members gathered for a reunion prior to the game and were recognized for their accomplishments during the game.
