

Honor Roll of Giving

From the Associate Vice Chancellor of Development

TROY is a University on the move! We just recently celebrated the coming together of all parts of the University under one governance structure with two events in Montgomery – a celebratory Convocation and a wonderful Gala! It was a phenomenal day and was shared with us by the Governor, several legislators and other elected officials, nine of our international partners and many other special friends. I wish you all could have been there!

This year has brought many exciting changes across the University! The New Alumni House is a marvelous addition for the Troy campus and reflects the importance of alumni involvement at Troy University, since it provides a “home away from home” for our alumni visiting the area. The Sorrell College of Business became home to a School of Accountancy, a move which reflects the long-time success of this program. And, of course, our football team played in its first bowl game – which gave the entire University very valuable exposure! In Dothan, an expansion of the archive collection has attracted a lot of attention, as has the hosting of Troy University football, basketball and baseball camps for community youth. In Montgomery, the renovation of the façade and marquis of the Davis Theatre has begun. In Phenix City, enrollments were up last year by almost 20 percent – after a banner year in 2003-2004! This campus also added a wonderful new program in social work. University College, which spans five geographic regions with 62 campuses worldwide, recently announced that in the next several months TROY will begin offering degree programs in Australia – the first foreign university to ever be in Australia! Great things are happening at Troy University!

The Office of Development is busy making sure the funding is in place to continue all the wonderful things that have been happening here at TROY. As our state funding continues to dwindle, we are increasingly turning to the private sector to generate the funds needed to advance Troy University.

We look forward to another successful year with this year’s Annual Fund drive and phonathon. We ask that you be as generous as you can be when you are called upon. And we’re sure you will be – we know our Alumni recognize that the value of their degree is enhanced with each gift, since each gift helps support programs here at TROY.

We want to thank each of you who give so willingly to Troy University – either through a current gift of money or property or through a planned gift. In this edition of the TROY Magazine, we are proud to recognize all of you who gave during our last campaign year. Students today and for generations to come are benefiting from your generosity.

We also want to invite you to come back to TROY whenever you can. Come and see your dollars at work! We are so proud of our campuses, our faculty and staff, our students and our alumni. We look forward to seeing you all sometime this fall – at a concert, a play, a lecture or an athletic event. And be sure to attend Homecoming – and share the excitement and spirit of the Trojans with all your friends. We look forward to seeing you!

Sincerely,

Dr. Jean W. Laliberte
Associate Vice Chancellor of Development

Foundation recognizes Honor Roll of Donors

Troy University is proud to recognize and honor those individuals, companies, corporations and foundations that have supported the University through donations during the calendar year 2004. The following list of contributors has provided their financial support in the following categories from Jan. 1, 2004, through Dec. 31, 2004. The Honor Roll is divided into three lists. The Associates refers to donors who gave for academic purposes. The Trojan Club lists donors who contributed to athletics. The Matching Gift Company Contributors list refers to organizations that have matched gifts made by their employees, former employees, spouses of employees and board members. These three lists include only donors who made gifts to the Troy University Foundation during the calendar year 2004 (i.e., Jan. 1-Dec. 31, 2004). Only gifts received have been listed. Pledge payments are recognized in the year received. The Troy University Foundation provides stewardship for private gifts and grants for all campuses and units of Troy University.
