# Why wait for your paycheck?

When you set up direct deposit to your Higher One checking account, your money is there in record time!

**Simply provide your employer with your routing and account numbers** (located on your monthly Account Statement) or follow these instructions to access our **direct deposit form**:

## Step 1

Log in to your account.

## Step 2

Click the “Making Deposits” link under the OneAccount menu.

## Step 3

In the Paycheck category, select “direct deposit,” and then click to bring up the direct deposit form.

## Step 4

Print, sign and hand the form over to your employer... it's that easy!
