Program Title: **ARI Content Literacy (4-12)**

Program Description: Need Help Increasing Engagement, Comprehension, and Achievement? This session provides opportunities to learn how to incorporate literacy strategies in YOUR content area. The purpose of the session is to provide you with engaging tools to help students think critically and to help them better comprehend your classroom content—science, history, math, language arts, vocational, and elective classes. The session will provide a way to structure your lessons to make them more engaging; it will also address formative assessment and RtI. On the third day, bring materials with which to plan a lesson. **Also bring a flash drive for lots of FREE ideas to take home and use this fall.**
