Participant Commitment

I am committed to fully participate in the TROY-STARTALK 2017 Chinese Language Program, to be held June 18th through July 2nd, 2017. I acknowledge that I will be expected to attend all classes and participate in all activities. I understand that this means that I will not be able to make other plans during the dates and times of classes and activities associated with this program. If I foresee any conflict to my full participation in the program, I will notify the TROY-STARTALK Program Director so that another participant, who may have been placed on a waiting list for this program, may be able to take advantage of my change in plans.

I also understand that there will be daily work for me to complete in preparation for each day's classes. I will do my best to maintain a positive attitude because of the importance of this for success in the program. I understand that disruptive and/or inappropriate behavior is disrespectful to my instructors and to my fellow program participants. Recognizing this, I promise to follow the program instructions and behave appropriately and cooperatively in all program activities. I understand that if my behavior, attitude, or conduct is determined to be disruptive or inappropriate, I may be dismissed from the program at any time at the discretion of the Director.
