

## Pike Road Primary School Cultural Day

On September 20, 2017, Pike Road Primary School launched a cultural activities day. Confucius Institute teachers, Ms. Xiaoyan Zhang and Ms. Wenjuan Cheng participated in the cultural activities. MS. Zhang and Ms. Cheng taught the fourth, fifth and sixth graders to fold the paper butterflies and teach them how to say butterflies in Chinese. The two teachers led the first and second graders to review the number, family members and body parts through a variety of games. Students were particularly fond of this cultural day.
