Discussion followed. The Board members voted their approval of this concept.

ACTION: Dr. D. Hawkins appointed a Nominating Committee for the purpose of reporting to the full Board at the July. Allen Owen was appointed to chair the committee. Hawkins added that following the Nominating Committee report in July the floor will be open to anyone who wants to make nominations for any officers of the Board.

The chair called for any further discussions.

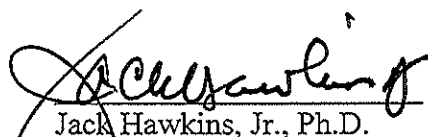

Mr. Nailen said that following the presentations during the retreat regarding the financial piece and following Dr. Patterson's SWOT analysis—specifically comments about being financially strong but vulnerable and threat of long term financial instability of state funding—Mr. Nailen made a suggestion for consideration that the Finance Committee of the Board do a “deep dive” with Dr. Jim Bookout, Senior Vice Chancellor for Finance and Business Affairs, on a quarterly basis of the finances of the university and then the committee could report out to the Board so that they can stay well informed about the university finances. Mr. Nailen added that he says this because of the comments mentioned above made at the retreat and because of those in the context of reading in the newspaper about Birmingham Southern's financial crisis that may not have been well known by its Board of Trustees. It was noted that this was presented as a suggestion.

Mr. Harrison took this opportunity to express thanks to Mr. Forrest Latta for his help in helping make this location available for the Board of Trustees Retreat.
