The Master of Science in Nursing Program is designed to provide graduates of baccalaureate programs in nursing the opportunity to develop the advanced knowledge and clinical skills required for leadership positions in nursing. The program prepares clinical nurse specialists in Adult Health and Maternal-Infant Health, Nursing Informatics Specialists, and Family Nurse Practitioners. Students are accepted for admission to the MSN clinical nurse specialist and nursing informatics specialist tracks every semester. Fall admission is recommended for students who wish to pursue full-time study. Students are accepted for admission to the Family Nurse Practitioner track in fall semester only.

Upon successful completion of the MSN program, the student will be able to:
1. incorporate advanced knowledge and theories from nursing and related disciplines into practice as an advanced practice nurse;
2. demonstrate advanced clinical expertise in advanced practice in a specialized area of nursing practice;
3. evaluate research for the purpose of selectively integrating research findings in nursing practice;
4. integrate leadership, management, and teaching strategies into advanced practice;
5. analyze the impact of health policy on healthcare for identification of areas needing improvement and development of appropriate strategies; and
6. assume responsibility for contributing to the advancement of nursing as a profession.

Accreditation
The School of Nursing MSN degree is accredited by the National League for Nursing Accrediting Commission, 61 Broadway 33rd floor, New York, NY 10006.

Admission Requirements for the Master of Science in Nursing

Unconditional Admission

*The FNP Certificate for nurses holding the MSN requires 34 hours and includes all FNP nursing specialty and role courses.

**NOTE 1.** Requirements for the MSN degree must be satisfied within five years of the initial enrollment for that degree.

**NOTE 2.** A grade of "D" is not acceptable for meeting requirements for a subsequent course.

**Requirements for Students in Clinical Courses**

All students must maintain RN licensure, current CPR certification, professional liability insurance, proof of annual physical examination and negative drug screen when enrolled in clinical nursing courses. Professional liability insurance is available through the School of Nursing. Students are responsible for their own medical care if needed in the clinical setting. Students are also responsible for personal transportation costs incurred during the program.

Students must meet Communicable Disease Center (CDC) and Occupational Safety and Health Administration (OSHA) guidelines.

**Laboratory Fees for the MSN Program:**
- NSG 5515, 6696, 6697 $37.50
- NSG 5513, 6621, 6623, 6641, 6643, 6666, 6668 $67.50
- NSG 6615, 6617 $105.00
- NSG 6636, 6680 $180.00

**Requirements for Admission to Candidacy**
1. To be admitted to candidacy, students must have a 3.0 GPA on all work attempted.
2. Unconditionally admitted graduate students may apply for admission to candidacy after completing six semester hours and requirements as outlined for the specific degree program. A student will be admitted to candidacy the term following completion of 12 semester hours.

**Degree Requirements**

Any student completing the course work with a 3.0 or better GPA, fulfilling candidacy requirements, and successfully completing the required comprehensive examination will be awarded the degree.

**Transfer Credit**

A maximum of six semester hours taken at another regionally accredited institution of higher learning with a "B" grade or better can be applied toward the degree. These courses must be comparable to Troy University courses and must be approved by the MSN graduate faculty.

**MASTER OF SCIENCE IN SPORT AND FITNESS MANAGEMENT**

The Sport and Fitness Management program is designed to provide the graduate with the knowledge, skills, and attitudes to engage in the practice of management in a variety of settings. The goals and objectives of the program are guided by, but are not limited to, the criteria and guidelines set forth in the Standards for an Accredited Educational Program by the North American Society for Sport Management.

Students are provided with classroom, laboratory and clinical experiences to accomplish these objectives. Students are evaluated on their progress in meeting the above objectives throughout the program. Opportunities and evaluations are provided for actual participation in professional clinical sites including athletic,
sport and club fitness, coaching facilities, rehabilitation facilities and community settings in the practice of Sport and Fitness Management.

The program aims to provide a broad-based, comprehensive curriculum, with an emphasis on interdisciplinary collaboration that prepares a sport and fitness manager practitioner to

1. direct an individual's participation in selected clinical opportunities aimed at reinforcing and enhancing performance; facilitate learning of those skills and functions essential for productivity, thus the individual will be able to better communicate effectively with clients, subordinates and the public;
2. provide services to improve function to prevent deficits in activities of daily living, work, play/leisure, and in the underlying performance of managing to ensure quality of services and effectiveness of the program; and
3. function in a variety of roles including direct managing provider, consultant, case manager, educator, administrator, researcher and advocate in a variety of sport and fitness management delivery models and systems where sport and fitness management is traditionally practiced and in emerging areas of local community, state, regional, national and international arenas.

Upon successful completion of the SFM program, the student will be able to

1. plan, develop, implement and evaluate programs of service designed to meet local community, state, regional, national and international needs;
2. administer and manage a sport and fitness management service;
3. articulate and apply sport and fitness management principles, intervention approaches, rationales, and expected outcomes of service;
4. be innovators and leaders in the profession, applying sport and fitness management knowledge to the solution of complex sport and fitness managerial issues and health problems; and
5. demonstrate an attitude of inquiry and nurture the capacity for creative thinking, critical analysis and problem solving; to interpret research studies and to apply research results to sport and fitness management practice; and to contribute to the advancement and dissemination of research and knowledge in the behavioral science.

Prerequisite Requirements

Candidates for admission must hold a baccalaureate degree in sport and fitness management or related field.

Admission Requirements for the Master of Science in Sport and Fitness Management

Unconditional Admission
1. Applicants must have a baccalaureate degree from a regionally accredited four-year institution. Students with a baccalaureate degree from an unaccredited or otherwise accredited institution should see Unaccredited or Otherwise Accredited Student Admission.
2. Applicants must achieve a score of 33 or higher on the Miller Analogies Test or a score of 850 or higher on the Graduate Record Examination (verbal and quantitative).
3. Applicants must have an overall grade point average of 2.5 on a four-point scale.

Conditional Admission
1. Students not satisfying the unconditional admission requirements may be conditionally admitted to the program pending satisfactory completion of the first 12 semester hours with a 3.0 grade point average. Students with a baccalaureate degree from an unaccredited or otherwise accredited institution should see Unaccredited or Otherwise Accredited Student Admission.
2. Students not satisfying conditional admission requirements will be dropped from the program for one calendar year, after which time the student must petition for readmission.

Curriculum

All courses offer three semester hours of credit except SFM 6625, 6626, 6627, 6680, 6681, 6682.

Transfer Credit

A maximum of 12 semester hours taken at another regionally accredited institution of higher learning, with a grade of "B" or better, can be applied toward the degree. These courses must be comparable to Troy University's courses and must be approved by the SFM graduate faculty.

Requirements for Admission to Candidacy

1. To be admitted to candidacy, students must have a 3.0 GPA on all work attempted.
2. Unconditionally admitted graduate students may apply for admission to candidacy after completing six semester hours of requirements as outlined for the specific degree program. A student will be admitted to candidacy the term following completion of 12 semester hours.

Degree Requirements

Any student completing course work with a 3.0 or better GPA, fulfilling candidacy requirements, and successfully completing the required comprehensive examinations will be awarded the degree.

Sport and Fitness Management

Students may choose one of two options (concentrations):
1. Athletic Administration
2. Fitness, Sport and Club Management

A minimum of 33 semester hours is required for completion of the program.
