The College of Health and Human Services was formed in 1994 in order to provide quality education for professional practice in a variety of areas associated with health and human services. The college aspires to the highest standards of educational excellence, blending a professional perspective with a liberal arts and science foundation.

Within the College of Health and Human Services are the School of Nursing, the School of Hospitality, Sport and Tourism Management, the Department of Human Services, the Department of Kinesiology and Health Promotion, and the Department of Athletic Training Education Program.

The college is committed to meeting the challenges of the next decade; hence, it emphasizes quality teaching and values scholarship.

Department of Human Services and Social Work

Case Management Minor

A minor in Case Management is offered to students who desire a basic understanding of the process and foundational skill sets necessary to provide case management services in a variety of settings.

Human Services Major

The purpose of the human services major is twofold: (1) to prepare the graduate for entry level positions in a myriad of human services delivery systems, and basic skills in effective communication with client systems and basic skills in the development of intervention strategies to resolve interpersonal and social problems. A three-credit, 120-clock-hour field practicum is required.

Human Services Minor

A minor in human services is offered to students who desire basic understanding of the human services delivery system.

Social Work Major

The social work program is accredited by the Council on Social Work Accreditation and program graduates are eligible to sit for social work licensure examination. Social work licensure is required in the state of Alabama for those in the practice of social work. The principle educational objective of the social work program is the preparation of graduates for beginning level generalist social work practice. The curriculum is designed to provide the student with an understanding of human behavior within the context of the social environment, an understanding of social and human service delivery systems, and basic skills in effective communication with client systems and basic skills in the development of intervention strategies to resolve interpersonal and social problems. A three-credit, 120-clock-hour field practicum is required.

Physical Education

If you are passionate about teaching others the skills necessary to participate in health enhancing sport and physical activity for life, the Bachelor of Science in physical education (Teaching Certification) at Troy is for you. This program prepares preschool – 12th grade teachers to impact students in team, individual, and lifetime sport skills in order to enhance their quality of life beyond their school years. At Troy University our physical education program is based on three beliefs, 1. Teach students the proper skills necessary to participate in a variety of sport, individual, and lifetime activities, 2. Provide opportunities for the student to learn and participate in a wide variety of physical activities, 3. By doing so the student will find something they enjoy and are successful at and will continue to do this throughout life in order to lead a healthy active lifestyle.

Many of our graduates in health and physical education choose to double major. This is highly recommended by our department to provide more opportunities for our graduates. It is for this reason our department has such a high job placement rate. Troy University has set itself apart from many other programs (at other Universities throughout the state and southeast) by offering both majors and the option to double major. A mere 18 hours extra (one more semester) can provide the graduate with two degrees and prepare them for dual certification in physical education and health education making them more marketable than a graduate with only one of the aforementioned degrees.

School of Nursing

The School of Nursing programs are designed to develop expertise necessary for the practice of nursing in a complex, changing health care system. Faculty are well qualified, and the...
ASN, BSN, MSN and DNP programs are accredited by the Accreditation Commission for Education in Nursing (ACEN) (3343 Peachtree Rd. NE, Suite 850, Atlanta, Ga., 30326, 404-975-5000) and approved by the Alabama Board of Nursing. Degree programs are offered at the associate (ASN), baccalaureate (BSN), master’s (MSN) and doctoral (DNP) levels. Mobility options are available for registered nurses seeking to earn a bachelor’s, master’s or doctoral degree in nursing. For more information, visit the School of Nursing website at www.troy.edu.

Students are accepted for admission to the ASN (Montgomery Campus) and BSN (Troy and Dothan Campus) programs in the spring and fall semesters. The ASN degree may be completed in five semesters. The BSN degree may be completed in nine semesters. Registered nurses may receive advanced placement in the online RN Mobility track of the BSN Program. For information related to progression from RN Mobility track to the Family Nurse Practitioner or Healthcare Informatics and Nursing Leadership tracks in the MSN Program or the DNP program, consult the Graduate Catalog. Admission to the School of Nursing is selective, based on established criteria for each program.

All students must maintain current CPR certification, annual proof of TB testing, and proof of annual physical examination when enrolled in clinical nursing courses. Students are responsible for their own medical care if needed in the clinical setting and must have health insurance. Students must abide by Centers for Disease Control, HIPAA, and OSHA guidelines. Students must present titer reports for Hepatitis B, measles, mumps, rubella, and varicella zoster. Drug screening and criminal background information are required before students may attend clinical course practicums. Students may have additional requirements based on specific facility policies. Standardized achievement tests are required at various points in the undergraduate programs of learning.

Students in the School of Nursing must comply with legal, moral and legislative standards in accordance with the Alabama Board of Nursing Administrative Code. A student may be denied permission to write the licensing examination to become a registered nurse (RN) if he/she has been convicted of a felony. Challenge examinations are available for various courses for students who meet the eligibility criteria. No nursing course may be audited before it is taken for credit.

Many nursing courses have additional laboratory fees. These fees are printed in the schedule of classes. Admission is competitive. All students who meet minimum requirements may not be admitted.

**APPLIED HEALTH SCIENCES PROGRAM (121 HOURS)**

**General Education Requirements**

**Area I**

ENG 1101 (3) Composition and Modern English I
ENG 1102 (3) Composition and Modern English II

**Area II**

ENG Literature Course (3)
ENG Literature Course (3)
Fine Arts Requirement (3)

EXERCISE SCIENCE PROGRAM (123 HOURS)

This degree has specialized general studies requirements (see areas III-V). Students should consult with an Exercise Science Program adviser along with this catalog. Students enrolled in the Exercise Science Program should select an area of concentration from the following: Wellness and Fitness, Nutrition, or Pre-Health Professions. Students considering applying to a graduate health professions school (e.g. PT, OT, PA) assume responsibility for determining appropriate prerequisite courses required for admission.

Students must achieve a C or better in all courses contained in Area III, Area V, program core, and concentrations. If a student earns a D or F in any of these courses the course must be repeated.

All Exercise Science Program students must present proof of professional liability insurance in order to enroll in KHP 4498 Internship in Exercise Science. Professional liability insurance may be purchased through the College of Health and Human Services, and must be maintained in force through completion of the internship.

Area III (11 hours)

IS 2241 (3) Computer Concepts and Applications
TROY 1101 (1) University Orientation

Select two hours of physical activity courses.

Major requirements

KHP 3350 (3) Psychology of Wellness and Performance
KHP 3352 (3) Kinesiology and Efficiency of Human Movement
KHP 3361 (3) Integrating HIPER into the Curriculum
KHP 4405 (3) Physical Activity and Disease Prevention
KHP 4410 (3) Motor Development
KHP 4427 (3) Health Behavior
KHP 4442 (3) Health Education
KHP 4459 (3) Sport and Exercise Nutrition
KHP 4474 (3) Exercise Physiology
KHP L474 (1) Exercise Physiology Lab

**course cannot be transferred, must be taken at Troy University.
Step One:

The Admissions Committee reviews all records of qualified applicants. The admission process is completed in two steps. Students wishing to apply to the Board of Nursing to write the licensing examination must apply to the Board of Nursing to write the licensing examination. The deadline for filing an application and all required documentation is May 30 for fall admission and October 30 for spring admission.

1. Meet core performance standards required for duties of the nursing profession (copy of standards available upon request).

Step Two:

1. Apply for admittance into the clinical nursing sequence. The deadline for filing an application and all required documentation is May 30 for fall admission and October 30 for spring admission.

2. Admission is based upon a point system comprised of GPA and grades in required courses:
   a. Student will lose points for courses that were dropped or failed.
   b. Any student that fails a first-semester nursing course after being admitted to the clinical sequence will have to return to the “selection group” and attempt to be reselected based on the points system in order to repeat a course the following semester.

NOTE: If a student is attempting to transfer credit for nursing courses from another accredited school of nursing, a letter from the dean/director of that school must be submitted stating that the student was eligible for continuation in the nursing program. If the student was not eligible for continuation in the program, the student must take all required Troy University ASN nursing courses (i.e., no nursing courses will be transferred).

Progression:

a. Student must maintain an overall Troy University GPA of at least 2.0 on 4.0 scale while enrolled in nursing courses.

b. Student must earn a grade of C (74%) or better in each required course.

c. A student will be able to repeat a nursing course only one time to achieve a grade of C or better.

d. A student may repeat only one ASN Program nursing course (with the exception of NSG 2204 or NSG 2213); therefore, a second D or F in any ASN nursing course (with the exception of NSG 2204, or NSG 2213) will result in automatic dismissal from the Program.

e. Student must make 90% or higher on a dosage and solutions calculation examination in NSG 1151 to progress in the program.

f. Student must complete the program within four years from the date of initial enrollment in the first clinical nursing course (NSG 1131 and/or NSG 1135) to remain in the program. Whether a student drops, fails or withdraws from NSG 1131 or NSG 1135 the student can only re-enroll once more. If a student drops, fails, or withdraws a second time, the student will be dismissed from the ASN program.

Degree

Upon satisfactory completion of the program, the student is awarded the Associate of Science in Nursing degree and may then apply to the Board of Nursing to write the licensing examination to become a registered nurse (RN).

Location

The ASN program is located at 340 Montgomery Street, Montgomery, AL, 36104. The clinical facilities used for student learning experiences are located within an approximate 50-mile radius of Montgomery. Students are responsible for their transportation.

Specialized General Studies Requirements

Area I

NURSING, BACHELOR OF SCIENCE (BSN)
(124 HOURS)

Students wishing to declare a pre-nursing major at the baccalaureate level must either be unconditionally admitted and/or have completed all developmental coursework and cleared conditional status. Students not meeting these requirements will need to declare Applied Health Sciences as a major until all developmental course work has been successfully completed and/or conditional status has been cleared. Once requirements are met, then students can declare a major of pre-nursing or nursing.

Admission
Admission to the BSN program is competitive. Meeting minimal admission criteria does not guarantee acceptance. For admission to the BSN program, students must:
1. have an overall GPA of at least 2.5 on a 4.0 scale. (All hours attempted are used in calculation of overall GPA.)
2. file written application with the School of Nursing. Consult academic adviser or BSN Coordinator. For information regarding BSN courses on the Dothan campus, please contact the School of Nursing at (334) 983-6556 EXT 1435. Deadlines for receipt of BSN applications are March 15 for fall semester and Sept. 15 for spring semester. Registered Nurse students enrolling in the RN Mobility track should contact the RN Mobility Assistant Coordinator for admission times.
3. have successfully completed general studies courses. A grade of C or above is required in many of these courses. For additional information, contact the office of the BSN Program Coordinator or visit the School of Nursing website at www.troy.edu.
4. have a current, unencumbered RN license in state of clinical practice if student is entering the RN Mobility course sequence.
5. be able to achieve certain core performance standards required by the duties of the nursing profession.
6. If transferring from another school of nursing, submit a letter from the dean/department chair of that school stating that the student was eligible for continuation in the school. Students transferring from another school of nursing who are not or were not eligible to continue in the nursing program in which they are/were enrolled are not eligible for admission to Troy University’s BSN program unless they first completed an associate degree program from a regionally accredited institution and/or Accreditation Commission for Education in Nursing (AC-EN) accreditation and are registered nurses.

Progression
a. Students are required to have an overall GPA of 2.5 on a 4.0 scale for enrollment in the Clinical Nursing Sequence.
b. Students are required to make a grade of C or better in each nursing course.
c. Students may repeat only one 3300-4400 level nursing course required in the BSN clinical nursing sequence (with the exception of NSG 3315, Pathophysiology); therefore, a second D or F in any 3300-4400 level nursing course (with the exception of NSG 3315 Pathophysiology) will result in automatic dismissal from the program.
d. Students who are planning to apply, or have applied, but have not yet begun, the BSN Clinical Nursing Sequence, may repeat only one 3300-4400 level nursing course from the required courses in the clinical nursing sequence, thereafter, a D or F in a 3300-4400 level nursing course will automatically disqualify the student from entering the BSN Clinical Nursing Sequence.
e. Students who drop or fail a theory or clinical course with a co-requisite component must drop the co-requisite course.
f. Satisfactory performance on an exit exam is required for completion of NSG 4417 Professional Nursing Seminar. (Note: Exit exam is not required for students in the RN Mobility track.)
g. Students must graduate within 150% of program completion time (7 semesters to be completed in no more than 3.12 years) from date of admission to the clinical nursing sequence to date of graduation from BSN program.

Additional policies related to the BSN program may be found on the School of Nursing website. Enrollment may be limited based on available resources.

Degree
Upon satisfactory completion of the program, the student is awarded the Bachelor of Science in Nursing degree and may then apply to the Board of Nursing to write the licensing examination to become a registered nurse (RN).

Locations
The clinical facilities used for student learning experiences in the BSN generic track are located in Troy and surrounding communities. Students are responsible for transportation and the cost of meals. For child health nursing, students may be assigned to learning experiences in Birmingham, Alabama.

The clinical facilities used for students in the RN Mobility track are located in a variety of settings and geographical locations.

- SOC 2275 (Introduction to Sociology)

**Area V Requirements:**
- BIO 3347 (Human Anatomy and Physiology I)
- BIO L347 (Human Anatomy and Physiology I Lab)
- BIO 3348 (Human Anatomy and Physiology II)
- BIO L348 (Human Anatomy and Physiology II Lab)
- NSG 2204 (Nutrition)
- NSG 3315 (Pathophysiology)
- NSG 3319 (Informatics in Nursing)
- TROY 1101 (University Orientation)

Select 3 hours from the following:
- MTH 2210 (Applied Statistics)
- PSY 3301 (Basic Statistics)
- QM 2241 (Business Statistics I)

Select 3 hours from elective choice:

**Core Course Requirements for Generic or Pre-licensure students (62 hours):**
- NSG 3300 (Dosage Calculations)
- NSG 3301 (Pharmacology)
- NSG 3306 (Perspectives of Professional Nursing)
- NSG 3309 (Health Assessment)
- NSG 3310 (Health Assessment Practicum)
- NSG 3313 (Nursing Concepts)
- NSG 3314 (Nursing Concepts Practicum)
- NSG 3322 (Maternal-Child Health Nursing)
- NSG 3324 (Maternal-Child Health Nursing Practicum)
- NSG 3325 (Adult Health Nursing I)
- NSG 3326 (Adult Health Nursing I Practicum)
- NSG 3334 (Psychiatric-Mental Health Nursing)
- NSG 3335 (Psychiatric-Mental Health Practicum)
- NSG 3336 (Adult Health Nursing II)
- NSG 3337 (Adult Health Nursing II Practicum)
- NSG 4403 (Child Health Nursing)
- NSG 4404 (Child Health Nursing Practicum)
- NSG 4405 (Public Health Nursing)
- NSG 4406 (Public Health Nursing Practicum)
- NSG 4407 (Clinical Nutrition)
- NSG 4413 (Complex Nursing)
- NSG 4414 (Complex Nursing Practicum)
- NSG 4415 (Nursing Leadership/Management)
- NSG 4417 (Professional Nursing Seminar)
- NSG 4419 (Research and Evidence in Nursing Practice)
- NSG 4421 (Professional Nursing Clinical Preceptorship)

Core course requirements for post-licensure students:
- NSG 3309 (Health Assessment)
- NSG 3310 (Health Assessment Practicum)
- NSG 3370 (Professional Nursing)
- NSG 3380 (Pathophysiology and the Human Response)
- NSG 4410 (Population Health Nursing)
- NSG 4411 (Population Health Nursing Practicum)
- NSG 4430 (Advanced Nursing Theory)
- NSG 4431 (Advanced Nursing Preceptorship)

Select One of the Following courses (3 hours)
- NSG 4440 (Research and Evidence for the Practicing Registered Nurse)
- NSG 6691 (Research and Evidence for Advanced Nursing Practice)

**NUTRITION MINOR (18 HOURS):**
- KHP 2211 (Human Nutrition)
- KHP 3310 (Introduction to Food Science)
- KHP L310 (Introduction to Food Science Lab)
- KHP 3311 (Nutritional Assessment)
- KHP 3315 (Complementary and Alternative Therapies)
- KHP 3316 (Community Nutrition)
- KHP 4458 (Lifecycle Nutrition)

**PHYSICAL EDUCATION MAJOR (128 HOURS):**

For professional studies information, see the College of Education section of this catalog.

NOTE: Students seeking Alabama Teacher certification in physical education should select education as a second major. Students should consult with their advisers concerning all certification requirements.

(P-12)

**Specialized General Studies Requirements**

**Area III**
- BIO 1100 (Principles of Biology I)
- BIO L100 (Principles of Biology Lab)
- MTH 1112 (Pre-Calculus Algebra, or placement)

Select a four hour course/lab combination from the following OR an Advisor approved course:
- CHM 1142 (General Chemistry I, or placement)
- CHM L142 (General Chemistry I Lab, or placement)
- PHY 2252 (General Physics I)
- PHY L252 (General Physics Lab)
- SCI 2233 (Physical Science)
- SCI L233 (Physical Science Lab)

**Area V Requirements**

Select two hours of physical activity courses.

**Major requirements:**
- KHP 2252 (Methods of Teaching Dance)
- KHP 3330 (Physical Skills Proficiency)
- KHP 3331 (Physical Skills Proficiency II)
- KHP 3352 (Kinesiology and Efficiency of Human Movement)
- KHP 3361 (Integrating HPER into the Curriculum)
- KHP 3395 (Care and Prevention of Athletic Injury/ Illness)
- KHP 4410 (Motor Development)
- KHP 4474 (Exercise Physiology)
- KHP L474 (Exercise Physiology Lab)
- KHP 4485 (Teaching Individual and Team Sports)
- KHP 4486 (Teaching Individual and Team Sports)

**COACHING MINOR (18 HOURS):**

Students must select one (1) of two (2) or three (3) courses from Sections I-7.

1. KHP 2211 (Human Nutrition)
   or
   KHP 4459 (Sport and Exercise Nutrition)

2. KHP 3350 (Psychology of Wellness)
   or
   KHP 4410 (Motor Development)
   or
   PSY 2210 (Developmental Psychology)

3. KHP 3360 (Physiological Principles of Body Systems)
   or
   KHP 2251 (Foundations of Physical Education Health)
Social Work Professional Program (25 hours)

The principal educational objective is the preparation of graduates for beginning generalist social work practice.

SWK 2250 (3)  Introduction to Social Work
SWK 3390 (3)  Social Work with Individuals/Family
SWK 4471 (3)  Social Work with Groups
SWK 4472 (3)  Social Work w/ Org and Communities
SWK 4480 (3)  Social Work Seminar
SWK 4481 (12) Social Work Practicum

HEALTH PROMOTION PROGRAM (120-122 HOURS)

Area V Requirements
IS 2241 (3)  Computer Concepts and Applications
TROY 1101 (1)  University Orientation
KHP 2200 (1)  Health Concepts
KHP 2202 (2)  First Aid and Safety and CPRO
KHP 2240 (3)  Personal and Community Health

Select two hours of physical activity courses.
Select seven hours of adviser-approved electives or courses to meet prerequisites not already taken in Area IV such as SOC 2275.

Major requirements (42 hours)
HSTM 2201 (3)  Leisure in Society
KHP 2211 (3)  Human Nutrition
KHP 2251 (3)  Foundations of Physical Education and Health
KHP 2260 (2)  Applied Fitness Concepts
KHP 3310 (3)  Introduction to Food Science
KHP L310 (1)  Introduction to Food Science Lab
KHP 3316 (3)  Community Nutrition
KHP 3340 (3)  Principles of Recreation
KHP 3350 (3)  Psychology of Wellness
SOC 3365 (3)  Sociology of Sport
HS 3370 (3)  Professional Communication Skills
KHP 3391 (3)  Testing and Statistical Interpretation
KHP 4427 (3)  Health Behavior
KHP 4442 (3)  Health Education
KHP 4458 (3)  Lifecycle Nutrition

Select ONE of the following minors:

Exercise Science Minor (18 hours)
KHP 3352 (3) Kinesiology
KHP 4459 (3) Sport and Exercise Nutrition
KHP 4474 (3) Exercise Physiology
KHP L474 (1) Exercise Physiology Lab
KHP 4475 (3) Exercise Testing
KHP 4488 (3) Cardiovascular Physiology
KHP 4476 (2) Laboratory Practicum

Health Promotion Minor (18 hours)
KHP 3352 (3) Kinesiology
KHP 4405 (3) Physical Activity and Disease Prevention
KHP 4427 (3) Health Behavior*
KHP 4459 (3) Sport and Exercise Nutrition
KHP 4474 (3) Exercise Physiology
KHP L474 (1) Exercise Physiology Lab

Select an additional two hours of adviser-approved courses

*Another course will need to be adviser-approve to substitute as this course is required in the major requirements

Coaching Minor (18 hours)
KHP 3395 (2) Care and Prevention of Athletic Injuries
KHP 3352 (3) Kinesiology
