

## Program Initiation

The Master of Social Work face to face program admits students each fall/term 1. The Advanced Standing (one-year) program is offered in a face to face and online format. The two-year program is offered in an online format. The two-year program admits students term 1. The Direct Practice Concentration of the Master of Social Work Advanced Standing online program admits students term 3. The Organizational Leadership and Management Concentration of the Master of Social Work Advanced standing online program admits students term 1. The online programs are offered to MSW students who have been admitted to the online MSW program only or with Director approval.

Applications may be submitted throughout the year. Acceptance notification will be issued in April and June for the face-to-face program and the Organizational Leadership Concentration online program. Acceptance notification will be issued in December for the Direct Practice Concentration online program.

## Program Prerequisites

All applications must have an undergraduate or graduate statistics course prior to attendance. If this requirement has not been met students may take: PSY 3301, QM 2241, MTH 2210 or the Director of the MSW program approved equivalent.

## Admission Requirements

### Unconditional Admission

In addition to meeting University graduate school admissions requirements, the student must also submit the following admission requirements:

- Two reference letters from the following list: applicant's most recent academic adviser, department chair, dean, college instructor, most recent employer, and no more than one personal reference chosen by the applicant. These references must attest to the applicant's potential in forming effective interpersonal relationships, aptitude for graduate study, appropriate vocational goals relevant to the program, and personal and professional self-development.
- A résumé that includes personal information including topics such as, but not limited to, educational and work history, personal and professional goals, professional affiliations, volunteer work, awards, articles/grant work, and references.
- A personal statement written in APA format (500-750 words) addressing the following: a) reason for seeking a Master in Social Work degree; b) relevant experiences which have shaped this decision; c) future expectations post-graduation.

### Conditional Admission

- Students not satisfying the unconditional admission requirements may be conditionally admitted to the program pending satisfactory completion of the first 9 semester hours with a 3.0 grade point average. Students with a baccalaureate degree from an unaccredited or otherwise accredited institution should see Unaccredited or Otherwise Accredited Student Admission.
- Students not satisfying conditional admission requirements will be dropped from the program for one calendar year, after which time the student must petition for readmission.

### Temporary Admission

Temporary Admission may be granted to applicants who have not submitted the letter of recommendation, student acknowledgement form, entrance exams or official undergraduate transcript. Temporary admission is only for one semester or term and must follow the requirements outlined under Conditional Admission.

## Transfer Credit

In addition to University transfer requirements, the Masters in Social Work will accept master's level courses from a CSWE accredited Social Work program. Any other transfer credits must be reviewed and approved by the Director of the MSW program.

## Practicum Requirements

Students are required to complete supervised practicum course(s) in the sequence set by the program. The student must have a current (within 30 days) national criminal background check, liability insurance, and all required documentation (shots, drug screens etc.) as required by the University and practicum site prior to participation. Providing the background check does not guarantee acceptance into a Practicum setting or eligibility to sit for licensure. Students applying to this program should be aware of the potential ramifications of a positive criminal background check and the potential of not being able to complete this program.

## Degree Requirements

### Foundation Curriculum

The foundation curriculum allows students to develop the foundation level competencies named above. This includes a minimum of thirty (30) semester hours of required study. The foundation practicum (6 semester hours) requires a minimum of 400 contact hours in the field.

### Concentration Curriculum (30 Semester Hours)

The concentration curriculum allows students to develop competencies associated with either Direct Practice (DP) or Organizational Leadership and Management (ORGM). This includes a minimum of thirty (30) credits of required study. The Concentration Practicum is 9 semester hours requiring a minimum of 500 clock hours in the field.

## **MASTER OF SCIENCE IN ATHLETIC TRAINING**

Students should consult the General Regulations of the Graduate Catalog for additional information regarding Graduate School admission requirements, transfer credits and other critical policies and procedures.

The Master of Science in Athletic Training (MSAT) professional level program is designed to prepare graduates to advance the quality of healthcare provided to its patients through interdisciplinary patient-centered education. The MSAT Program is committed to providing students with enriching evidence-based didactic, clinical, and research experiences that foster supervisory, leadership, communication, and critical thinking skills to become effective team members, life-long learners, and advocates for patients, the public, and the healthcare profession. The goals and objectives of the program are guided by, but are not limited to, the criteria and guidelines set forth in the Standards for Accreditation of Professional Athletic Training Programs by the Commission on Accreditation of Athletic Training Education (CAATE).

#### **Mission Statement**

The MSAT Program mission is committed to provide students with evidence-based didactic, clinical, and research experiences that foster leadership, communication, and critical thinking skills. Our goal is to produce practitioners who are knowledgeable, caring, responsive and self-directed individuals, and who will enrich the profession and their communities through advocacy and leadership.

#### **Program Student Learning Outcomes:**

Upon graduation, students will:

1. Demonstrate a mastery of the foundations of human movement science in relation to athletic training.
2. Articulate a philosophy of practice that includes ethical leadership, goals for professional development, and a commitment to advocacy for the profession of athletic training.
3. Demonstrate the ability to prevent, evaluate, and treat the acute injuries and common medical conditions of physically active individuals and to provide appropriate medical referral.
4. Design, produce, and present peer-reviewed research as it relates to the practice of evidence-based athletic training.
5. Practice in collaboration with other health care and wellness professionals.

#### **Pre-requisite Requirement**

Candidates for admission are recommended to hold a baccalaureate degree in exercise science or related field. Additionally, completion of prerequisite coursework outlined below with a minimum of "C" is required. Candidates with all prerequisites completed at the time of application may be given preference over those still completing courses. Courses older than eight years will not be accepted.

Online courses are not accepted for anatomy, physiology, chemistry or physics. Hybrid course will be accepted if the lab component is delivered in a face-to-face format. If any of the above courses are shown to be online, verification of a face-to-face lab will have to be provided and approved by program administration.

- Physics I – A minimum of 4 credits (including lab\*) for science majors
- Statistics – A minimum of 3 credit hours
- Chemistry – A minimum of 4 credits (including a lab\*)

- Biology- A minimum of 4 credits (including a lab)
- Human Anatomy & Physiology – A minimum of 8 credits (including two labs\*) for science majors - Anatomy and physiology courses for non-science majors and non-human anatomy and physiology course are not acceptable.
  - Option 1: One semester of Human Anatomy with lab and one semester of Human Physiology with lab
  - Option 2: Two semesters of Anatomy and Physiology combined courses with a lab each (A&P I and A&P II)
- General Psychology – A minimum of 3 credit hours – Any course taken within a psychology department/unit will be acceptable
- Exercise Physiology – A minimum of 3 credit hours
- Human Nutrition- A minimum of 3 credit hours
- Kinesiology- A minimum of 3 credit hours
- Sports Medicine\* course or equivalent\* – A minimum of 1 credit hours (recommended)

\*Submission of transcripts from required courses and/or degree conferring institution may be required to verify acceptance by the program administration.

### **Admission Requirements for the Master of Science in Athletic Training**

*Admission to the MSAT program is competitive. Meeting minimal admission requirements does not guarantee an applicant an interview or admission to the program.*

Cohorts are admitted in the fall semester only. To apply to the MSAT program, applicants must first have a verified application on the Athletic Training Centralized Application System (AT-CAS). Candidates who advance in the admission process will be required to complete an application to the Troy University Graduate School. **Troy University Graduate School application fees will be waived, and materials submitted to ATCAS will be used to complete the Troy University Graduate School application to avoid redundancy and eliminate excess costs.** For information on general Troy University graduate admissions requirements, please visit the Admissions section of the Graduate Catalog.

#### **Application Deadlines:**

For full consideration, applicants must have a verified application on ATCAS and all materials submitted to the Troy University Graduate School prior to March 31st. All candidates are required to complete a program interview, either on-campus or via video conferencing. Interviews may be held on a rolling basis prior to and then soon after the March 31 deadline. Students will be notified of their admission status soon after their program interview. Applications may be accepted on a rolling basis after March 31st dependent on seat availability. ATCAS closes the application window on June 15th annually.

#### **Unconditional Admission**

1. Applicants must have baccalaureate degree from a regionally accredited four-year institution. Students with a baccalaureate degree from an unaccredited or otherwise accredited institution should see Unaccredited or Otherwise Accredited Student Admission. Applicants who have attended a college/university

outside of the United States must also provide a course-by-course credential evaluation with GPA calculation.

2. Applicants must have an overall grade point average of minimum 3.0 on a four-point scale.
3. Verified application on ATCAS and completed Troy University Graduate School application, including a) completed documentation & essay; b) official transcript(s) from each college/university attended; c) two (2) completed letters of recommendation with one coming from an athletic trainer or physician; d) proof of Basic Life Support for the Healthcare Provider CPR certification; e) documented completion of at least 100 observation hours with an athletic trainer received\*; f) successful program interview.

\*If observation hours are not completed prior to application, candidate may submit documentation demonstrating progress towards completion and a written plan discussing how they will obtain the remaining observation hours signed by the supervising athletic trainer(s).

International applications, American citizens or permanent residents who learned English as a second language must score at least a 575 (paper) or a 90 (internet) on the Test of English as a Foreign Language (TOFL) or a score of a 6.5 on IELTS.

#### **Conditional Admission**

Conditional Admission does not apply to this program.

#### **Transfer Credit**

A maximum of six semester hours taken at another regionally accredited institution of higher education with a “B” grade or better may be applied toward the degree. These courses must be comparable to Troy University courses and must be reviewed by the graduate athletic training faculty adviser who will make a recommendation to the Department Chair then the Dean of the College of Health and Human Services and the Graduate Dean. For students completing the Master of Science in Athletic Training, all transfer credits used to satisfy degree requirements may not exceed five years at the time of the course completion.

#### **Degree Requirements**

A student completing the coursework with a 3.0 or better GPA, fulfilling candidacy requirements, and successfully completing the required capstone requirement will be awarded the degree.

- **Note 1:** Grades below “C” are not acceptable for meeting requirements for a subsequent course.
- **Note 2:** Students must earn a “B” or better in AT 6655-Research & Analysis in Sport Medicine
- **Note 3:** Students must earn a “B” or better for their required Capstone project within AT 6665 Clinical Experience V.
- **Note 4:** Students must pass a comprehensive exam with a grade of 80% or better for continued progress in the program. This exam will be given to every student at the end of the fourth semester. Students must take the exam at that time and will be allowed a maximum of three (3) attempts. Failure to pass the examination in 3 attempts will result in a review by the AT Program Administration and may result in dismissal from the program. Students may not enroll in AT 6664 until they have successfully completed the comprehensive exam.

#### **Additional Program Costs**

Current expenses for tuition fees and other university fees are listed on the Troy University website. Students are also expected to pay

for the following: appropriate clinical attire, transportation costs, annual background checks, annual drug tests, and semester TB skin tests.

### **Independent Learning**

---

All students in the Master of Science in Athletic Training program are required to engage in independent learning, a process in which individuals take the initiative, with or without the help of others, to attain knowledge, skills, and professional behaviors. Activities such as case studies, critical analysis of literature, research/capstone projects, and clinical practica provide important independent learning experiences that give students ample opportunity to demonstrate and develop independent learning skills.

### **Curriculum**

---

The MSAT degree program is a two-year full-time professional master's program requiring 57 credit hours beyond the bachelor's degree. The courses are taken in a prescribed sequence over 6 semesters, including 18 credit hours of clinical practice. Clinical practice occurs under the direct supervision of a certified and licensed athletic trainer.
