The College of Health and Human Services was formed in 1994 in order to provide quality education for professional practice in a variety of areas associated with health and human services. The college aspires to the highest standards of educational excellence, blending a professional perspective with a liberal arts and science foundation.

Within the College of Health and Human Services are the School of Nursing, the Department of Social Work Human Services, and the Department of Kinesiology and Health Promotion.

The college is committed to meeting the challenges of the next decade; hence, it emphasizes quality teaching and values scholarly activity. The college is committed to the development of its students into knowledgeable, caring, responsive and self-directed individuals able to meet the health and human caring needs of a diverse and complex society through change, advocacy and leadership within their communities.

As part of ongoing planning and evaluation, the College of Health and Human Services regularly evaluates student learning outcomes for each degree program.

Department of Human Services and Social Work

Case Management Minor

A minor in Case Management is offered to students who desire a basic understanding of the process and foundational skill sets necessary to provide case management services in a variety of settings.

Human Services Major

The purpose of the human services major is twofold: (1) to prepare the graduate for entry level positions in a myriad of human services delivery systems where specialized training is not required, and (2) to prepare students for graduate education. The curriculum is designed to provide the student with an understanding of human behavior within the context of the social environment, an understanding of social and human service delivery systems, and basic skills in effective communication with client systems and basic skills in the development of intervention strategies to resolve interpersonal and social problems. A three-credit, 120-clock-hour field practicum is required.

Human Services Minor

A minor in human services is offered to students who desire basic understanding of the human services delivery system.

Social Work Major

The social work program is accredited by the Council on Social Work Accreditation and program graduates are eligible to sit for social work licensure examinations. Social work licensure is required in the state of Alabama for those in the practice of social work. The principle educational objective of the social work program is the preparation of graduates for beginning level generalist social work practice. The curriculum is designed to provide the beginning-level practitioner an ability to apply an eclectic knowledge base guided by professional values; to use a wide range of intervention skills to target any-sized client system (micro to macro levels) while employing a planned change process directed toward client empowerment; to work effectively, under supervision, within social service delivery organizational structures while employing a wide range professional roles. A 12-credit-hour field practicum is required (minimum of 400 clock hours).

Department of Kinesiology and Health Promotion

One of the oldest departments on campus, The Department Kinesiology and Health Promotion consists of three undergraduate degree options and boasts more than 500 majors in the department. These degree options include Exercise Science, Interprofessional Health Sciences and Physical Education.

Exercise Science

If a career in physical therapy, occupational therapy, clinical exercise testing and prescription, cardiopulmonary rehabilitation, health-fitness/wellness, strength and conditioning or nutrition is in your future, a Bachelor of Science in exercise science is a perfect fit. This competitive program includes concentrations in pre-health professions, health and wellness, or nutrition, and incorporates coursework from five academic departments spread across two colleges.

With an emphasis on preparation for entry into graduate health profession schools in the fields of physical therapy, occupational therapy, and physician assistant, you will be prepared to successfully enter into graduate health profession schools nationwide. Upon completion of the program, you will also be prepared to sit for certification examinations offered through the American College of Sports Medicine, National Strength and Conditioning Association, and other organizations in the related fields of health and fitness, clinical exercise testing, and strength and conditioning.

Physical Education

If you are passionate about teaching others skills necessary to participate in sport and physical activity for life, the Bachelor of Science in Physical Education (Teaching Certification) at Troy is for you. This program prepares preschool - 12th grade teachers to impact students in team, individual, and lifetime sport skills in beyond school years. At Troy University our physical education program is based on three beliefs, (1) teach students the proper skills necessary to participate in a variety of sport, individual, and lifetime activities, (2) provide opportunities for students to learn and participate in a wide variety of sport, individual and lifetime activities, (3) by doing so students become engage in lifetime physical activities that promote a healthy active lifestyle.

School of Nursing

The School of Nursing programs are designed to develop expertise necessary for the practice of nursing in a complex, changing health care system. Faculty are well qualified.

Students are accepted for admission to the ASN (Montgomery Campus) and BSN (Troy and Dothan Campus) programs in the spring and fall semesters. The ASN degree may be completed in five semesters. The BSN degree may be completed in nine semesters. Registered nurses may receive advanced placement in the online RN Mobility track of the BSN Program. For information related to progression from RN Mobility track to the Family Nurse Practitioner or Healthcare Informatics and Nursing Leadership tracks in the MSN Program or the DNP program, consult the Graduate Catalog. Admission to the School of Nursing is selective, based on established criteria for each program.

All students must maintain current CPR certification, annual proof of TB testing, and proof of annual physical examination when enrolled in clinical nursing courses. Students are responsible for their own medical care if needed in the clinical setting and must have health insurance. Students must abide by Centers for Disease Control, HIPAA, and OSHA guidelines. Students must present titers reports for Hepatitis B, measles, mumps, rubella, and varicella zoster. Drug screening and criminal background information are required before students may attend clinical course practicums. Students may have additional requirements based on specific facility policies. Standardized achievement tests are required at various points in the undergraduate programs of learning.
Students in the School of Nursing must comply with legal, moral and legislative standards in accordance with the Alabama Board of Nursing Administrative Code. A student may be denied permission to write the licensing examination to become a registered nurse (RN) if he/she has been convicted of a felony. Challenge examinations are available for various courses for students who meet the eligibility criteria. No nursing course may be audited before it is taken for credit.

Many nursing courses have additional fees. These fees are printed in the schedule of classes.

Admission is competitive. All students who meet minimum requirements may not be admitted.

### APPLIED HEALTH SCIENCES MINOR (18 HOURS)

Students will select 18 credit hours of approved BIO, HS, KHP, PSY, NSG, SOC, and SWK courses with at least one course in each area. Nine (9) credit hours must be upper level.

### CASE MANAGEMENT MINOR (18 HOURS)

Students must take 2 (3 hour) elective (HS/SWK) or 3000/4000 level course with approval

### EXERCISE SCIENCE PROGRAM (123 HOURS)

This degree has specialized general studies requirements (see areas III-V). Students should consult with an Exercise Science Program adviser along with this catalog. Students enrolled in the Exercise Science Program should select an area of concentration from the following: Wellness and Fitness, Nutrition, or Pre-Health professions. Students considering applying to a graduate health professions school (e.g. PT, OT, PA) should take MTH 1114 Pre-Calculus Trigonometry

### Area IV (12 hours)

Select one (1) of the following:

- PSY 3304 (3) Abnormal Psychology
- PSY 4421 (3) Physiological Psychology

Program Core Requirements (40 hours)

- BIO 3347 (3) Human Anatomy and Physiology I
- BIO L347 (1) Human Anatomy and Physiology Lab I
- BIO 3348 (3) Human Anatomy and Physiology II
- BIO L348 (1) Human Anatomy and Physiology Lab II
- KHP 3352 (3) Kinesiology and Efficiency of Human Movement
- KHP 4425 (3) Pathophysiology
- KHP 4459 (3) Sport and Exercise Nutrition
- KHP 4474 (3) Exercise Physiology
- KHP L474 (1) Exercise Physiology Lab
- KHP 4475 (3) Exercise Testing and Prescription
- KHP 4476 (2) Laboratory Practicum in Exercise Performance
- KHP 4477 (1) Senior Seminar in Exercise Science
- KHP 4478 (3) Cardiovascular Physiology
- KHP 4495 (3) Advanced Exercise Physiology
- KHP 4496 (3) Biomechanics
- KHP L496 (1) Biomechanics Lab
- KHP 4498 (3) Internship in Exercise Science
- KHP 4499 (3) Physiological Principles of Body Systems
- KHP 4490 (1) Lifting Techniques for Conditioning and Rehabilitative Exercise
- KHP 4491 (2) Care and Prevention of Athletic Injuries
- KHP 4492 (3) Principles of Strength & Conditioning
- KHP L492 (1) Principles of Strength & Conditioning Lab
- KHP 4493 (2) Special Topics in Exercise Performance

Select one Exercise Science Program concentration:

**Wellness and Fitness Concentration (20 hours)**

- KHP 3350 (3) Psychology of Wellness
- KHP 3360 (3) Physiological Principles of Body Systems
- KHP 3394 (1) Lifting Techniques for Conditioning and Rehabilitative Exercise
- KHP 3395 (2) Care and Prevention of Athletic Injuries
- KHP 4405 (3) Physical Activity and Disease Prevention
- KHP 4460 (3) Principles of Strength & Conditioning
- KHP L460 (1) Principles of Strength & Conditioning Lab
- KHP 4487 (2) Special Topics in Exercise Performance

Select two (2) hours of advisor approved electives.

**Nutrition Concentration (20 hours)**

- KHP 3310 (3) Introduction to Food Science
- KHP L310 (1) Introduction to Food Science Lab
- KHP 3311 (3) Nutritional Assessment
- KHP 3315 (2) Complementary and Alternative Therapies
- KHP 3316 (3) Community Nutrition
- KHP 4458 (3) Lifecycle Nutrition

Take one of the following three (3) hours and one (1) hour course combinations

| BIO 1101 (3) Organismal Biology | BIO L101 (1) Organismal Biology Lab |
| BIO 3372 (3) Microbiology | BIO L372 (1) Microbiology Lab |
| CHM 1143 (3) General Chemistry II | CHM L143 (1) General Chemistry Lab II |
| PHY 2252 (3) General Physics I | PHY L252 (1) General Physics Lab I |
| PHY 2253 (3) General Physics II | PHY L253 (1) General Physics Lab II |

Select (1) hour of advisor approved elective.

†Pre-Health Professions Concentration (20 hours)

- BIO 3372 (3) Microbiology
- BIO L372 (1) Microbiology Lab
- CHM 1143 (3) General Chemistry II
- CHM L143 (1) General Chemistry Lab II
- PHY 2252 (3) General Physics I
- PHY L252 (1) General Physics Lab I
- PHY 2253 (3) General Physics II
- PHY L253 (1) General Physics Lab II

Take one of the following three (3) hours and one (1) hour course combinations

| BIO 1101 (3) Organismal Biology | BIO L101 (1) Organismal Biology Lab |
| KHP 3360 (3) Physiological Principles | KHP 2200 (1) Health Concepts |
| KHP 4460 (3) Principles of Strength & Conditioning | KHP L460 (1) Principles of Strength & Conditioning Lab |

**EXERCISE SCIENCE MINOR (18 HOURS)**

- KHP 3352 (3) Kinesiology
- KHP 4459 (3) Sport and Exercise Nutrition
- KHP 4474 (3) Exercise Physiology
- KHP L474 (1) Exercise Physiology Lab
- KHP 4475 (3) Exercise Testing
- KHP 4488 (3) Cardiovascular Physiology
- KHP 4476 (2) Laboratory Practicum

**HEALTH PROMOTION MINOR (18 HOURS)**

- KHP 4427 (3) Health and Fitness Education
- KHP 4442 (3) Health Education
- HSTM 2210 (3) Intro to Event Management
- SWK 2260 (3) Introduction to Non-Profit Organizations
- HSTM 3345 (3) Recreation Programming
- KHP 4405 (3) Physical Activity and Disease Prevention

**HUMAN SERVICES MAJOR (36 HOURS)**

- HS 2230 (3) Survey of Human Services
- HS 2240 (3) Ethics in the Helping Profession
- HS 3310 (3) Human Behavior in the Social Environment I
- HS 3375 (3) Practicing Cultural Competency
- HS 3370 (3) Professional Communication in the field of Human Services
- HS 3399 (3) Human Services Seminar
- HS 4400 I/4420 II (6) Human Services Field Experience
- RHB/SWK 3320 (3) Human Behavior in the Social Environment II

Select 9 additional hours in HS, RHB, or SWK courses.

**HUMAN SERVICES MINOR (18 HOURS)**

- HS 3310 (3) Human Behavior and the Social Environment I
- HS 3370 (3) Professional Communication in the field of Human Services
- SWK 3320 (3) Human Behavior and the Social Environment II
- HS/ SWK/3375 (3) Diversity and Ethics
- HS 2230 (3) Survey of Human Services
- HS 2240 (3) Ethics
Select three (3) additional hours in HS, RHB, or SWK courses.

**INTERPROFESSIONAL HEALTH SCIENCES (120 HOURS)**

**Specialized General Studies**

**Area III**
MTH 1112 (3) Pre-Calculus Algebra

*Please note: There may be specialized general studies science/lab combinations for Nursing and/or KHP courses*

**Area V**
Troy 1101 (1) The University Experience
IS 2241 (3) Computer Concepts and Applications
KHP 3370 (3) Occupational Health Sciences

Select an additional 12 hours of requirements specified by your advisor.

**Major Requirements (6 hours)**
KHP 2211 (3) Human Nutrition
KHP 4493-94 (3) Guided Independent Study

Select three minors within the College of Health and Human Services OR two minors within the College of Health and Human Services and one outside the college from the options for minors listed below or an advisor approved minor:

**Approved options for minors outside the College of Health and Humans Services OR advisor approved minor:**

**College of Arts and Sciences**
Inter-Cultural Competency Minor

**Sorrell College of Business**
Entrepreneurship Minor
Promotion Minor

**College of Communications and Fine Arts**
Advertising Media Minor
Communications Studies Minor
Public Relations Minor

**College of Education**
Leadership Development Minor
Psychology Minor
Rehabilitation and Disabilities Studies Minor
Substance Addiction Education Minor

Select from the following College of Health and Human Services minors:

**Case Management Minor (18 hours)**
HS 2250 (3) Fundamentals of Case Management
HS 2260 (3) Introduction to Non-Profit Organization
HS 3325 (3) Wellness Across the Lifespan I
HS 3335 (3) Wellness Across the Lifespan II
SWK 3390 (3) Social Work with Individuals and Families
SWK 4471 (3) Social Work with Groups

**Coaching Minor**
KHP 2240 (3) Personal and Community Health
KHP 2251 (3) Instructional and Theoretical Practices in Physical Education
KHP 2260 (2) Applied Fitness Concepts
KHP 4435 (3) Current Issues in Athletics
KHP 4400 (3) Classroom Management for Physical Educators

Select two of the following Theory and Techniques of Coaching courses (4 hours):
KHP 2276 (2) Theory and Techniques of Coaching
KHP 2277 (2) Softball
KHP 2278 (2) Theory and Techniques of Coaching
KHP 2279 (2) Football
KHP 2281 (2) Theory and Techniques of Coaching
KHP 2282 (2) Soccer
KHP 2276 (2) Volleyball
KHP 2277 (2) Baseball
KHP 2278 (2) Basketball

**Exercise Science Minor (18 hours)**
KHP 3352 (3) Kinesiology
KHP 4459 (3) Sport Exercise Nutrition
KHP 4474 (3) Exercise Physiology
KHP L474 (1) Exercise Physiology Lab
KHP 4475 (3) Exercise Testing
KHP 4488 (3) Cardiovascular Physiology
KHP 4476 (2) Laboratory Practicum

**Foundations of Health Sciences Minor (18 hours)**
NSG 2230 (3) Advanced Medical Terminology
NSG 2285 (3) Perspectives of Aging
NSG 3309 (2) Health Assessment
NSG 3310 (1) Health Assessment Practicum
NSG 3340 (3) Ethics in Nursing
SWK 3304 (3) Social Work Practice in Health Settings
NSG 3315 (3) Pathophysiology

**Health Promotion Minor (18 hours)**
KHP 4427 (3) Health and Fitness Education
KHP 4442 (3) Health Education
HSTM 2210 (3) Intro to Event Management
SWK 2260 (3) Introduction to Non-Profit Organizations
HSTM 3345 (3) Recreation Programming
KHP 4405 (3) Physical Activity and Disease Prevention

**Human Services Minor (18 hours)**
**Human Services Majors may NOT minor in Human Services**
HS 2230 (3) Survey of Human Services
HS 3310 (3) Human Behavior and the Social Environment I
HS 3370 (3) Professional Communication Skills
HS 3375 (3) Diversity and Ethics
HS 4494 (3) Guided Independent Study
SWK 3320 (3) Human Behavior and the Social Environment II

**Nutrition Minor (18 hours)**
KHP 3310 (3) Introduction to Food Science
KHP L310 (1) Introduction to Food Science Lab
KHP 3311 (3) Nutritional Assessment
KHP 3315 (2) Complementary and Alternative Therapies
KHP 3316 (3) Community Nutrition
KHP 3350 (3) Psychology of Wellness
KHP 4458 (3) Lifecycle Nutrition

**Social Work and Human Services Minor (18 hours)**
**Human Services Majors may NOT minor in social Work and Human Services Minor**
HS 2240 (3) Ethics in the Helping Profession
HS 3300 (3) US Justice and the Helping Profession(al)
SWK 3301 (3) Children and Family Services
SWK 3302 (3) Social Services Resources
SWK 3303 (3) Crisis Intervention
HS 4493 (3) Guided Independent Study
NURSING, ASSOCIATE OF SCIENCE (ASN) (70 HOURS)

Admission

Admission to the ASN program is competitive. Meeting minimal admission criteria does not guarantee acceptance. The admission process is completed in two steps. Students wishing to major in nursing at the associate level must either be unconditionally admitted or have completed all developmental coursework. Students not meeting this requirement will need to declare Applied Health Sciences as a major until all developmental course work has been successfully completed. Once requirements are met, then students can declare a major of nursing.

Students are admitted into step one of the ASN Program year-round. The Admissions Committee reviews all records of qualified applicants.

Step One:

For admission to the ASN program, the student must:

1. Submit application for admission to undergraduate studies with $30 application fee;
2. Submit Official high school transcript or the equivalent (GED). A high school transcript or GED is not required for students transferring in a minimum 12 semester hours of college credit;
3. Submit Official transcripts from all colleges and universities attended;
4. Meet all unconditional admission requirements for as listed in the Troy University undergraduate catalog and; have a minimum grade point average GPA of at least 2.75/4.0 scale on all college work attempted at the undergraduate level and a minimum grade point average of at least 2.0/4.0 scale on all college work attempted at Troy University at the undergraduate level. If less than 12 HR of college work has been attempted, you must have a minimum 2.75/4.0 High School GPA or a GED with a score of 500; and
5. Meet core performance standards required for duties of the nursing profession (copy of standards available upon request).

Step Two:

1. Apply for admittance into the clinical nursing sequence. The deadline for filing an application and all required admission documentation is May 30 for fall admission and October 30 for spring admission.
2. The ASN program will admit students to either the day or evening option each semester. Students who are admitted to one option will not be allowed to transfer into a different option.
3. Admission is based upon a point system comprised of overall GPA and grades in required courses
   a. Student will lose points for courses that were dropped or failed.
   b. Any student that fails a first-semester nursing course after being admitted to the clinical sequence will have to return to the “selection group” and attempt to be reselected based on the points system in order to repeat a course the following semester.

NOTE: If a student is attempting to transfer credit for nursing courses from another accredited school of nursing, a letter from the dean/director of that school must be submitted stating that the student was eligible for continuation in the nursing program. If the student was not eligible for continuation in the program, the student must take all required Troy University ASN nursing courses (i.e., no nursing courses will be transferred).

Progression

a. Student must maintain an overall Troy University GPA of at least 2.0 on 4.0 scale while enrolled in nursing courses.
   b. Student must earn a grade of C (74%) or better in each required course.

c. Student will be able to repeat a nursing course only one time to achieve a grade of C or better.

d. Student may repeat only one ASN Program nursing course (with the exception of NSG 2204 or NSG 2213); therefore, a second D or F in any ASN nursing course (with the exception of NSG 2204, or NSG 2213) will result in automatic dismissal from the Program.

e. Student must make 90% or higher on a dosage and solutions calculation examination in NSG 1151 to progress in the program.

f. Student must complete the program within four years from the date of initial enrollment in the first clinical nursing course (NSG 1131) to remain in the program. Whether a student drops, fails or withdraws from NSG 1131 the student can only re-enroll once more. If a student drops, fails, or withdraws a second time, the student will be dismissed from the ASN program.

Degree

Upon satisfactory completion of the program, the student is awarded the Associate of Science in Nursing degree and may then apply to the Board of Nursing to write the licensing examination to become a registered nurse (RN).

Location

The ASN program is located at 340 Montgomery Street, Montgomery, AL, 36104. The clinical facilities used for student learning experiences are located within an approximate 50-mile radius of Montgomery. Students are responsible for their transportation.

Accreditation

The associate nursing program at Troy University at the Montgomery Campus located in Montgomery, Al is accredited by the:

Accreditation Commission for Education in Nursing (ACEN)
3390 Peachtree Road NE, Suite 1400
Atlanta, GA 30326
(404) 975-5000

The most recent accreditation decision made by the ACEN Board of Commissioners for the associate nursing program is Continuing Accreditation.

View the public information disclosed by the ACEN regarding this program at http://www.acenursing.us/accredited_programs/programSearch.htm

Area V

TROY 1101 (1) The University Experience

Additional Requirements

BIO 3348 (3) Human Anatomy and Physiology II
Admission to the BSN program is competitive. Meeting minimal requirements are met, then students can declare a major or have completed all developmental coursework and cleared:

- **NSG 2283** (2) Adult Health Nursing II Practicum
- **NSG 2282** (2) Adult Health Nursing II
- **NSG 2280** (4) Advanced Nursing Concepts
- **NSG 2271** (2) Psychosocial Nursing Concepts
- **NSG 2266** (2) Nursing of Children Practicum
- **NSG 2265** (2) Nursing of Children
- **NSG 2256** (2) Maternal-Infant Nursing Practicum
- **NSG 2255** (2) Maternal-Infant Nursing
- **NSG 2202** (2) Pharmacology
- **NSG 1140** (3) Foundations of Adult Health Nursing
- **NSG 1135** (1) Health Assessment Practicum
- **NSG 1131** (2) Basic Nursing Concepts Practicum
- **NSG 1130** (2) Basic Nursing Concepts
- **CHM L142** (1) General Chemistry Lab I
- **CHM 1142** (3) General Chemistry I
- **MTH 1112** (3) Pre-Calculus Algebra
- **PHI 2204** (3) General Ethics

Students wishing to declare a pre-nursing major at the baccalaureate level must either be unconditionally admitted and/or have completed all developmental coursework and cleared conditional status. Students not meeting these requirements will need to declare Interprofessional Health Science Program as a major until all developmental course work has been successfully completed and/or conditional status has been cleared. Once requirements are met, students can declare a major of pre-nursing or nursing.

**Admission**

Admission to the BSN program is competitive. Meeting minimal admission criteria does not guarantee acceptance. For admission to the BSN program, students must:

1. have an overall GPA of at least 2.5 on 4.0 scale. (All hours attempted are used in calculation of overall GPA.)
2. file an online application with the School of Nursing. Consult academic adviser or BSN Coordinator.
3. have successfully completed all developmental coursework and cleared conditional status. Students not meeting these requirements will need to declare Interprofessional Health Science Program as a major until all developmental course work has been successfully completed and/or conditional status has been cleared. Once requirements are met, students can declare a major of pre-nursing or nursing.

**Progression**

- **NURSING, BACHELOR OF SCIENCE (BSN) (124 HOURS)**

Students wishing to declare a pre-nursing major at the baccalaureate level must either be unconditionally admitted and/or have completed all developmental coursework and cleared conditional status. Students not meeting these requirements will need to declare Interprofessional Health Science Program as a major until all developmental course work has been successfully completed and/or conditional status has been cleared. Once requirements are met, students can declare a major of pre-nursing or nursing.

**Degree**

Upon satisfactory completion of the program, the student is awarded the Bachelor of Science in Nursing degree and may then apply to the Board of Nursing to write the licensing examination to become a registered nurse (RN).

**Locations**

The clinical facilities used for student learning experiences in the BSN generic track are located in Troy and surrounding communities. Students are responsible for transportation and the cost of meals. For specialty clinical experiences, there may be a variety of settings and geographical locations for these experiences.

The clinical facilities used for students in the RN Mobility track are located in a variety of settings and geographical locations.

**Accreditation**

The bachelor nursing program at Troy University at the Troy Campus located in Troy, Al and the Dothan Campus located in Dothan, AL is accredited by the:

- Accreditation Commission for Education in Nursing (ACEN) 3390 Peachtree Road NE, Suite 1400 Atlanta, GA 30326 (404) 975-5000

The most recent accreditation decision made by the ACEN Board of Commissioners for the nursing program is Continuing Accreditation. View the public information disclosed by the ACEN regarding this program at http://www.acenursing.us/accreditedprograms/programSearch.htm

Unless otherwise stated, please refer to the General Studies Program section of the 2021-2022 (pg 54) catalog for required general studies courses in each Area for all majors.

**Specialized General Studies Requirements**

**Area II**

Select one of the following: REL 2280, NSG 3340, PHI 2203, or PHI 2204

**Area III**

- BIO 3372 (3) Microbiology
- BIO L372 (1) Microbiology Lab
- MTH 1112 (3) Pre-Calculus Algebra
- CHM 1142 (3) General Chemistry I
- CHM L142 (1) General Chemistry Lab I

**Area IV**
NSG 2205 (3) Human Growth and Development

OR

PSY 2210 (3) Developmental Psychology (Lifespan)

Select a six-hour history sequence (HIS 1101/1102; HIS 1111/1112; HIS 1122/1123).

Select three hours from the following:

ANT 2200 (3) Anthropology
PSY 2200 (3) General Psychology
SOC 2275 (3) Introduction to Sociology

Area V Requirements:

BIO 3347 (3) Human Anatomy and Physiology I
BIO L348 (1) Human Anatomy and Physiology I Lab
BIO 3348 (3) Human Anatomy and Physiology II
BIO L348 (1) Human Anatomy and Physiology II Lab

Select three hours from the following:

NSG 2204 (2) Nutrition
NSG 3315 (3) Pathophysiology
NSG 3319 (3) Informatics in Nursing
TROY 1101 (1) The University Experience

Select 3 hours from the following:

MTH 2210 (3) Applied Statistics
PSY 3301 (3) Basic Statistics
QM 2241 (3) Business Statistics I

Select 3 hours from elective choice

Core Course Requirements for Generic or Pre-licensure students

NSG 3300 (2) Dosage Calculations
NSG 3301 (3) Pharmacology
NSG 3306 (1) Perspectives of Professional Nursing
NSG 3309 (2) Health Assessment
NSG 3310 (1) Health Assessment Practicum
NSG 3313 (3) Nursing Concepts
NSG 3314 (3) Nursing Concepts Practicum
NSG 3323 (3) Maternal-Infant Health Nursing
NSG 3324 (2) Maternal-Infant Health Nursing Practicum
NSG 3325 (3) Adult Health Nursing I
NSG 3326 (3) Adult Health Nursing I Practicum
NSG 3334 (3) Psychiatric-Mental Health Nursing
NSG 3335 (2) Psychiatric-Mental Health Practicum
NSG 3336 (3) Adult Health Nursing II
NSG 3337 (2) Adult Health Nursing II Practicum
NSG 4403 (3) Child Health Nursing
NSG 4404 (2) Child Health Nursing Practicum
NSG 4405 (3) Public Health Nursing
NSG 4406 (2) Public Health Nursing Practicum
NSG 4407 (1) Clinical Nutrition
NSG 4413 (3) Complex Nursing
NSG 4414 (2) Complex Nursing Practicum
NSG 4415 (2) Nursing Leadership/Management
NSG 4417 (1) Professional Nursing Seminar
NSG 4419 (2) Research and Evidence in Nursing Practice
NSG 4421 (3) Professional Nursing Clinical Preceptorship

Core course requirements for post-licensure students:

NSG 3309 (2) Health Assessment
NSG 3310 (1) Health Assessment Practicum
NSG 3370 (2) Professional Nursing
NSG 3380 (3) Pathophysiology and the Human Response
NSG 4410 (3) Population Health Nursing
NSG 4411 (2) Population Health Nursing Preceptorship
NSG 4430 (3) Leadership and Management in Nursing Preceptorship
NSG 4431 (2) Leadership and Management in Nursing Preceptorship

Select One of the Following courses (3 hours)

NSG 4440 (3) Research and Evidence for the Practicing Registered Nurse
NSG 6691 (3) Research and Evidence for Advanced Nursing Practice

Selected General Studies course requirements may differ for students admitted to the RN Mobility program. See the director of admission and records at the School of Nursing in Montgomery for further information.

NUTRITION MINOR (18 HOURS)
