

Big Interview Student Instructions

Create an account in [Big Interview](#). Once you have logged in, click on the green “Start Here” button. Take a second to watch the short overview videos.

- To start your interview session, choose **Practice** from the blue menu ribbon at the top of the webpage.
- Choose **Practice Interviews** - Choose the category of questions as directed by your instructor.
- **Example:** Choose General – Choose a level of difficulty by selecting an interviewer (Standard, Challenging, Tough) under the appropriate level of difficulty (Entry Level, Mid-Level, Senior Level, etc...)
- Once you choose an interviewer, allow Big Interview to use your camera.
- Click on the white arrow on the interviewer’s picture to listen to the question.
- Click on the red start recording button to record your answer.
- Choose to re-record or save your answer.
- Recorded interviews will save under **My Videos**.
- Choose to share your videos. Select the videos you wish to share from the radial buttons on the left of your recorded videos. Click the blue **Share** button, top right-hand side of the screen, enter the email address of the person you wish to review your answers. Include a message to let the recipient know that you want them to review your recorded interview answers and offer suggestions for improvement.
- The recipient will receive an email that includes a link to your recorded interview answers and will have access to grade your answers on verbal and non-verbal skills. There is also an area for additional written feedback.
- You will find their feedback under **Adviser review** on the right side of each video.
