

Internship Survey

(PLEASE FILL THIS OUT IF YOU ARE INTERESTED IN DOING AN INTERNSHIP).

One note about an internship: It generally replaces one of your upper level history classes and you get credit for the internship. However, you still have to pay for the class and it is unpaid. You would spend about 110 hours of work at the internship site (or the equivalent online if a virtual internship).

Student name _____

Student email _____

Student phone _____

1. What semester/term would you be interested in the internship?

Term/Semester _____

Year _____

2. Are you interested in a virtual internship: (NOTE: All internships for spring 2021 would probably be virtual)

(Put x in box box):

No _____

Yes _____

Yes, but prefer face to face _____

3. What physical location would you need the internship to be in (if you do a physical internship)?

4. Which of the following would you prefer to do an internship at (check first choice):

(PLEASE NOTE: We have a pre-approved list and am trying to match people with interests. We are not suggesting that you come up with a location. The suggestions are for clarity and are not an exhaustive list)).

Archives_____ (like the Auburn University Archives)

Historic/heritage site_____ (like Old Alabama Town)

History related organization (Like the Encyclopedia of Alabama)

Museum _____ (like the Museum of Mobile)
