

2022-23 Student Entrepreneurs in Residence

Overview

Each year, the IDEA Bank will choose five student-run businesses to sponsor. These businesses will occupy a designated space in the IDEA Bank, will receive special assistance with growth and development, and will be featured throughout the year. The program is designed for students who already have a clear business idea and vision.

Benefits

- 24/7 access to the IDEA Bank
- One on one mentorship with IDEA Bank
- Feature on IDEA Bank website
- Business display at IDEA Bank
- Access to an exclusive information-sharing data base
- Use of IDEA Bank as business address + mail collection and sorting
- Automatic entry into referral database for potential partnerships, mentorships, and projects
- Access to top-notch technology

Requirements

- Current Troy University student (any major)
- Clear business idea and vision
- Maintain “office hours” at the IDEA Bank
- Attend at least 1 IDEA Bank program per semester
- Act as an IDEA Bank ambassador
- Submit monthly business reports
- Attend monthly meetings
