ON THE BACK OF THE ENVELOPE.

Program Description

With more communication between United States citizens and people all over the world, more people have a strong need and enthusiasm to learn another language. Chinese language is often the first choice for many language learners. High school students (including incoming 9th to 12th graders, as well as newly graduated high school students) learn communicative ability as well as cultural awareness from experienced native language teachers in Troy University's lively and task-based classes. One of 2019 TROY-STAR CHINESE SUMMER CAMP's benefits is that there is ONLY \$50.00 non-refundable registration fee for this two-week long residential language learning program.
