Program Description

With more communication between United States citizens and people all over the world, more people have a strong need and enthusiasm to learn another language. Chinese language is often the first choice for many language learners. High school students (including incoming 9th to 12th graders, as well as newly graduated high school students) learn communicative ability as well as cultural awareness from experienced native Chinese language teachers in Troy University's lively and task-based classes.

One of 2022 TROY-STAR CHINESE SUMMER CAMP's benefits is that a student pays only a \$50 non-refundable registration fee; a \$150 early-leave deposit is also collected, but is returned after the student's completion of the camp. All other cost of the program will be covered by the scholarship offered by Troy University.

Application documents that the applicants need to submit:

- 2022 TROY-STAR CHINESE SUMMER CAMP Application form for admission which must be signed by the student, parent/guardian, and school guidance counsellor or Chinese language teacher. The application form can be accessed from the following webpage link:

*Preparation for each student accepted into the program, including meals, lodging, four field trips, dance routines, transportation, staffing, and much more, is carried out by the TROY-STAR team prior to participants' arrival at the camp. It is strongly encouraged that each student remains in the camp for its entirety. **Consequently, the early-leave deposit (\$150) will be retained by Troy University if a student leaves the camp early for any reason to cover the things that have already been organized and paid for on behalf of the student.** Otherwise, the early-leave deposit will be refunded after the student's completion of the summer camp.
