#### Program Description

In this session of the program, the goal of TROY-STAR Chinese Summer Camp for Teacher Program is to develop a cadre of teachers of Mandarin with the dispositions, knowledge, and skills needed to create and support a new generation of highly effective World Language educators. The program will invite 20 participants, including Chinese language teachers, policy makers, program supervisors, and future Chinese language teachers as well. The participants will engage in a professional development program covering Second Language Acquisition (SLA) practice and theory, language and culture instructional methods and assessments, curriculum design, language assessment, Chinese language structure and methods of selecting learning resources. Integral to this program will be the development of a professional learning community that will support the participants as they return to their schools and take on the responsibility and challenges of the Chinese language teaching.

This training program is designed to solve the problem of a shortage of qualified and professionally trained Chinese language teachers in Alabama and surrounding areas. The participants, either beginning or experienced Chinese teachers, will benefit from the program in the teaching of the Chinese language regarding classroom management, selection and evaluation of teaching resources. The courses offered in the program are residential for all participants and the participants will receive a certificate and materials and resources upon the completion of the program. Successful participants will receive three plus credits from TROY University.

Another benefit of this program is that there is no cost, except for a \$50.00 registration fee. All participants are residential in Troy, Alabama. (In order not to delay the participants of other teachers, we will refund the registration fee in full if you apply to withdraw from the summer camp before March 31<sup>st</sup>, 2019, and there is refund \$25 before April 15<sup>th</sup>, 2019; however, there is no fund after April 15<sup>th</sup>, 2019)
