

CONTINUING EDUCATION FOR COMMUNITY HEALTH WORKERS

**YOUR
COMMUNITY
NEEDS YOU!**

TRAINING OPPORTUNITIES

Troy University's CHW Training Program offers a free virtual professional development training opportunity for individuals who function in a community health worker role. To be eligible, you must be a resident in the state of Alabama and have employment in a role that provides community health. For those that successfully complete their training a \$200 stipend is also available. Training opportunities are limited and will be provided during the month of June.

COURSE OFFERINGS
