IMPORTANT NOTICE REGARDING ACCELERATED DEATH BENEFITS

This Certificate contains an Accelerated Death Benefit provision within the Life Insurance section. Benefits are payable as shown on the Schedule. Please refer to the Accelerated Death Benefit provision of this Certificate for a complete benefit description.

This Accelerated Death Benefit is NOT a long term care policy or a nursing home insurance policy. You may use the Accelerated Death Benefit for any purpose. The Accelerated Death Benefit may be taxable. As with all tax matters, You should consult a personal tax advisor to determine the tax consequences prior to making an election for this benefit.

LIFE INSURANCE WILL BE REDUCED IF AN ACCELERATED DEATH BENEFIT IS PAID.

RECEIPT OF ACCELERATED DEATH BENEFITS MAY AFFECT ELIGIBILITY FOR PUBLIC ASSISTANCE PROGRAMS SUCH AS, BUT NOT LIMITED TO, MEDICAID. Because the Accelerated Death Benefit is part of this Certificate, You may be required to receive and spend all of the available funds from the Certificate prior to becoming eligible for public assistance programs.
Introduction

UniCare Life & Health Insurance Company certifies that it has issued a Group Policy insuring certain eligible employees of the Plan Sponsor.

This Certificate describes the benefits provided as of the effective date. For purposes of effective dates and ending dates under the Policy, all days begin at 12:01 a.m. and end at 12:00 midnight at the Plan Sponsor’s address.

Certain terms of the Group Policy which affect Your insurance are contained in the following pages. UniCare has written this Certificate in plain English. However, a few terms and provisions are written as required by insurance law. UniCare urges You to read Your Certificate carefully and keep it in a safe place.

If the terms and provisions of the Certificate (issued to You) are different from the Policy (issued to the Plan Sponsor), the Policy will govern. Your coverage may be cancelled or changed in whole or in part under the terms and provisions of the Policy.

The Group Policy was issued in the state of Alabama. Its laws and rules will govern in resolving any questions about the Group Policy.

While You remain insured, this booklet is Your certificate of insurance. It replaces any prior booklet or certificate given to You for the types of insurance described here. It is void and of no effect if You are not entitled to or have ceased to be entitled to the insurance coverage. Many of the provisions of this Certificate are interrelated, and You should read the entire Certificate to get a full understanding of Your coverage. This Certificate also contains exclusions, so please be sure to read this Certificate carefully.

Changes in Insurance

Change in Class or Earnings

The amount of Your benefit may change if:

- You become insured under a different Class; or
- the amount of Your Annual Earnings changes.

If the change would increase the amount of insurance, the increase takes effect on the first day You are Actively at Work following the latest of the date:

- the change is effective; or
- the Plan Sponsor tells Us in Writing about a change in Class or a change in the amount of Annual Earnings; or
- We approve, in Writing, Proof of Insurability, if Proof of Insurability is required.

If the change would decrease Your amount of insurance, the decrease takes effect on the date of the change.

When Insurance Ends

For Your Basic Insurance

Your Basic Life Insurance will end on the first to occur of the following dates:

1. The date Your employment terminates. For the purposes of insurance coverage Your employment will terminate when You are no longer Actively-at-Work. However, if You are not Actively-at-Work due to Illness or Injury, Your insurance will be continued in force under the Policy until the earlier of:
   - the date on which We receive Written notice from the Plan Sponsor that Your insurance is to be terminated; or
   - the end of the 6 month period following the date on which You were last Actively at Work;
2. the date the Policy, or your employer’s agreement with us as outlined in the Policy, is terminated;
3. the day You cease to be an Insured under a Class defined in the Schedule of Benefits;
4. the date the Policy is changed to end the insurance for Your Class;
5. the last day of the period for which premium was paid, if a premium is not paid when due;
6. the date You die;
7. the date You cease to be an Eligible Employee as defined in the Definitions section of the Policy;
8. the date You request, in Writing, for Your insurance to be terminated.
If Your insurance would end solely due to Your no longer being Actively at Work, the Plan Sponsor may continue Your insurance during the following periods:

- until the end of the 3 months following the date You cease to be Actively at Work due to a Leave of Absence or due to Your being called to active duty as a reservist with the U.S. Armed Forces Reserve; or
- during an absence from work due to a Leave of Absence that is in compliance with the Family Medical Leave Act.

Any Leave of Absence must have been authorized in Writing by Your Employer. All premiums otherwise required by the Policy must be paid in order for any continuance of insurance provision to be applicable.

If coverage is continued in accordance with the Leave of Absence provisions above, such continued coverage will cease immediately if any one or more of the following events occurs:

- the leave terminates prior to the agreed upon date.
- the Policy terminates.
- You or the Plan Sponsor fail to pay premium when due.
- the Policy no longer insures Your Class.
Coverage Provisions

To receive Policy benefits, You must be insured under the terms of the Policy, and as described in the When Insurance Begins and Ends section of this Certificate. Then Your amounts of insurance are determined according to the Schedule of Benefits. Some of the coverages described in this section may not be available to you. Your Schedule of Benefits shows which coverages are available to You.

Basic Life Insurance

Death Benefit

We will pay a benefit if You die while covered in accordance with the provisions of the Policy. Your Life Insurance benefits are payable to Your beneficiary, as determined in accordance with the Beneficiary Provisions(s) under the Policy, upon receipt of due Proof of Your death.

The benefit will be paid in one sum.

Waiver of Life Insurance Premium Benefit During Your Total Disability

This section tells how some or all of Your Life insurance can be continued without premiums if You become Totally Disabled before Your 60th birthday.

Waiver of Life Insurance Premium Benefits apply only to Your Basic Life insurance coverage and does not apply to any Accidental Death and Dismemberment coverage.

Waiver of Premium

If you become Totally Disabled while You are insured and prior to Your 60th birthday then subject to the terms of the Policy and this provision, no premium payment will be required for Your Basic Life Insurance coverage as of the date You satisfy the Elimination Period.

The amount of insurance will be the amount in effect as of the date You became Totally Disabled, subject to any reductions listed in the Age Reductions provision while You are Totally Disabled.

Definitions for Waiver of Life Insurance Premium Benefit Provision:

Elimination Period is the period You must have been continuously Totally Disabled before We waive insurance premiums under this provision. The Elimination Period is the lesser of 6 months or if applicable, the period of Your continuous Total Disability preceding the date of death. The Elimination Period begins on the day that You meet the Definition of Total Disability under the Policy.

LBO U 0105 C 4
Material and Substantial Duties means job duties that:

- are normally required for the performance of Your own or any occupation; and
- cannot be reasonably omitted or modified.

Regular Care means:

- You are under the continuing care of and personally visit a Physician as frequently as is medically required according to standard medical practice, to effectively diagnose, manage and treat Your disabling condition(s); and
- You are receiving appropriate treatment and care of Your disabling conditions(s) which conforms with standard medical practice by a Physician whose specialty and clinical experience is appropriate for Your disabling condition(s) according to standard medical practice.

Totally Disabled and Total Disability mean during the Elimination Period and thereafter because of an injury or illness, You meet both of the following:

- You are unable to do the Material and Substantial Duties of any occupation for which You are or may become reasonably qualified by education, training, or experience; and
- You are receiving Regular Care from a Physician for that Injury or Illness.

The loss of a professional license, occupational license or certification does not in itself mean You are Disabled. Loss of Your occupation due to economic factors such as, but not limited to, recession, job elimination, pay cuts and job-sharing will not be considered.

You will not be considered to be Totally Disabled on any day that you meet the definition of Actively at Work.

Conversion During Waiver Application

You may apply for an individual life insurance policy under the Conversion of Life Insurance provision of the Policy, and if Your insurance terminates before You fulfill the Elimination Period under this provision or You do not meet the Definition of Total Disability under this provision, You may retain the individual life insurance policy in accordance with that policy’s provisions.

However, once You have met the conditions for Waiver of Premium You must surrender the individual life insurance policy in accordance with its terms and receive a refund of Your premium payments. You may not be insured simultaneously under both this Group Policy and an individual policy issued in accordance with the Conversion of Life Insurance provision.

Proof of Total Disability

All Proof of Total Disability that We require must be given to Us at Our Administrative Office. The Proof must be satisfactory to Us.
We have the right to have You examined by a Physician of Our choosing at Our expense whenever reasonably necessary, but not more than once a year after two years of Total Disability.

**Conditions**

1. We must receive initial Proof of Your Total Disability no later than 12 months after the date Your Total Disability began. This Proof must be satisfactory to Us.
2. If You die prior to submitting initial Proof of Your Total Disability as required in Condition 1, Proof that Your Total Disability continued until the date of Your death must be given to Us no later than 12 months after Your death.
3. The insurance on Your life will be subject to any reductions in amount or termination of insurance included under the Group Policy as of the date You satisfy the Elimination Period which would have applied to You due to Your age if You were not Totally Disabled.
4. Any amount of insurance continued in force under this provision that becomes payable will be reduced as follows:
   - By any amount paid under the terms of the Conversion provision of The Group Policy because death occurred within the 31 day period in which You were entitled to apply for a policy of individual life insurance; or
   - By any amount of insurance paid under a policy that was issued to You under the Conversion provision of the Group Policy after You became Totally Disabled, unless such policy was surrendered to Us without claim in exchange for a full refund of premiums paid under it.

**Termination of Benefit**

Your insurance continued in force under this provision will terminate on the earliest of the following.

- The date on which You cease to be Totally Disabled; or
- Three months after the date We request further Proof that You are still Totally Disabled if such Proof is not received within this period. We may ask for further Proof as often as We may reasonably require; or
- The date of Your 65th birthday; or
- The date You refuse to be examined by a Physician when requested; or
- The date on which You begin to receive retirement benefits which You are eligible to receive as a result of past employment with the Plan Sponsor or another employer whether or not the retirement benefits were funded in whole or in part by the Plan Sponsor or a previous employer or entirely by You. This also includes retirement under any federal, state municipal, or association retirement plan.

After We determine that You are Totally Disabled, Waiver of Premium for Life Insurance will not be affected by:

- termination or cancellation of the Policy by the Plan Sponsor; or
- termination of Your employment; or
- termination of Your insurance coverage under the Policy; or
- any amendment that is effective after the date You are Totally Disabled.
Insurance after Cessation of Total Disability

If Your insurance is continued in force under this provision and is then terminated because You cease to be Totally Disabled or fail to submit any Proof of Total Disability that is required by Us, one of the following events will occur.

- If the Policy is in force and You are in a Class of persons who may be insured under the Policy and You are Actively at Work, You will immediately become insured under the other terms of the Policy; or
- If the Policy is in force but either You are not in a Class of persons who may be insured under the Policy or You are not Actively at Work, You will be entitled to the same conversion rights that You would have been entitled to if Your insurance had terminated due to the termination of Your employment; or
- If the Policy is not in force, You will be entitled to the same conversion rights that You would have been entitled to if Your insurance had terminated due to the termination of the Policy.

The period that a conversion right will apply to as described in clauses 2 and 3 will be the 31 days following the date the insurance under this provision is terminated.

If Your insurance is continued in force under this provision and is then terminated because Your 65th birthday has occurred, You will be entitled to the same conversion rights to which You would have been entitled had Your insurance terminated because You are no longer an Insured under an eligible Class.

Accelerated Death Benefit for Basic Life

The following Accelerated Death Benefit Provision applies to Your coverage for Basic Life Insurance:

The Accelerated Death Benefit provides that a portion of the Basic Life Insurance proceeds otherwise payable under the Policy as a result of death may be paid in advance under certain circumstances. Payment is made if You are diagnosed as having a Terminal Condition, subject to the terms of the Policy and this provision. All of the following conditions will apply:

- The Insured or the Insured’s legal representative must request in Writing to have this benefit paid while the Insured’s insurance is in effect.
- We must be provided with the Written permission of the Insured’s irrevocable beneficiary or assignee for the life insurance proceeds otherwise payable under the Policy, prior to paying this benefit. If the Insured lives in a community property state, We must have Written permission of the spouse.
- At the time of application, the Insured must be under age 60.
- Premium payments must continue, and will be based on the reduced amount of Your insurance.
- We must receive Proof satisfactory to Us that the Insured applicant has been diagnosed as having a Terminal Condition.
- The Insured must be living at the time this benefit is to be paid.
• Accelerated Benefits are payable only once with respect to any Insured.

**Terminal Condition** means a medical condition that a Physician expects to result in Your death within 12 months from the date of application for the Accelerated Benefit and from which You are not expected to recover.

The amount of life insurance otherwise payable on the Insured’s death in accordance with the other terms of the Policy will be reduced by the amount of this benefit. Such reduction will also apply to any amount an Insured would otherwise be eligible to apply for under the Conversion provision.

If the life insurance applicable to You would otherwise reduce in accordance with the other terms of the Policy within 12 months of the date of application for this benefit, then the benefit will be based on such reduced amount. If Your insurance would otherwise terminate within 12 months of the date of application for this benefit, then the Accelerated Death Benefit will not be paid.

Payment of this benefit does not guarantee that an Insured’s full death benefit will eventually be paid. Insurance must still be in force under the Policy at the time of the Insured’s death for the remainder of the life insurance benefit to be paid. All limitations and exclusions under the Policy will still apply. Payment of the Accelerated Death Benefit discharges Us of all liability under the Policy to the extent of the payment.

**Amount of Benefit**

The Insured’s Accelerated Death Benefit is an amount equal to 75% of the amount of Basic Life Insurance to which the Insured is entitled on the date the Insured applies in Writing for this benefit, to a maximum Accelerated Death Benefit of $250,000.

A lesser amount of Accelerated Benefit may be elected. However, the minimum Accelerated Death Benefit We will consider for payment is $7,500.

Payment will be made in one lump sum to You. If You have received an Accelerated Benefit and then You recover from the qualifying condition, You will not be required to refund the benefit paid to You.

**Exclusions**

No Accelerated Death Benefit will be payable if any of the following conditions are true:

• The Terminal Condition is directly or indirectly due to or associated with an intentional self-inflicted injury or suicide attempt whether committed while sane or insane.
• We have been notified that all or a portion of Your Life Benefits are to be paid to Your former spouse as part of a divorce agreement.
• The Terminal Condition is directly or indirectly due to or associated with the Insured committing or attempting to commit a felony, or engaging in any unlawful act or illegal occupation, or committing or provoking an unlawful act.
• The Terminal Condition is directly or indirectly due to or associated with alcohol or drug abuse.
If the Accelerated Death Benefit election is forced by creditors or government agencies, We will honor it only to the extent required by law.

We reserve the right to have You examined by one or more Physicians of Our choice in connection with any claim for Accelerated Death Benefit. Such an examination will be done at Our expense. Final determination of eligibility will be made by Us.
Portability of Insurance – Available to Active Employees

Insurance provided under this Benefit is not subject to The Waiver of Premium Benefit.

Benefit

Portability of insurance is the continuation of some or all of Your Basic Life Insurance coverage after termination of Your employment while the Policy is in force. The premium for the Portable coverage will be determined by the Policy type, the Insured’s risk classification, Our published rates in effect and the Insured’s Policy age at the time of application. Premium rates will increase annually on the Insured’s date of birth. The Insured must pay the Premium for the Portable coverage directly to Us. The Insured must apply for, and be eligible for, this coverage pursuant to the following terms of this provision.

Portable coverage is not available for any Accidental Death and Dismemberment coverage.

Definitions for Portability provision:

Disability, for the purposes of this provision, means that the Insured is unable to work and unable to perform the substantial and material duties of any occupation for which the Insured is qualified by education, training or experience.

Group Portable Insurance Trust Policy means the trust policy under which the Portable coverage is issued. Provisions of the Portable Insurance Trust Policy may differ from the provisions of Your Plan Sponsor’s Group Policy.

Period of grace with respect to payment of each premium will be 31 days after the date on which it is due. The Portable coverage will remain in force during the Period of grace unless terminated in accordance with the Termination of Policy provision. In any event, premiums are payable for any period of grace during which the Portable coverage continues in force.

Retirement Date means the date an Insured begins receiving retirement benefits which the Insured is eligible to receive as a result of past employment, whether or not the retirement benefits were funded in whole or in part by a previous employer. This also includes retirement income from any federal, state, municipal or association plan.

Policy Age means the Insured’s age calculated by subtracting the year of the Insured’s birth from the current year as of the date of the Insured’s election.

Portable coverage is the insurance coverage provided, if applicable, by the Group Portable Insurance Trust Policy.
Who May Become Insured

The Insured must satisfy all of the following conditions in order to elect Portable coverage:

- The Insured person was insured by Us for at least 12 months.
- The Insured’s Basic Life insurance provided by the other terms of the Policy has terminated due to termination of Your employment and prior to any termination of Your Class of coverage, the Policy, or Your employer’s agreement with Us as outlined in the Policy.
- The Insured is under 65 years of age.
- The Insured did not terminate employment due to a Disability and has not attained his or her Retirement Date.

How and When Your Insurance Will Continue

The Insured must elect by Written application to continue coverage under this provision and the Group Portable Insurance Trust Policy within the 31 day period immediately following the date on which the Insured’s insurance terminated.

If the premium and application are received by Us within this period, Portable coverage will take effect on the 32nd day immediately following the date of termination.

An application to become insured must be completed on a form approved for that purpose by Us. It must be received by Us at Our Administrative Office within the 31 day time period.

Amount of Portable Coverage

The Insured’s amount of Portable coverage will be no more than 100% of the amount of Optional Life insurance in effect on the date the Insured is eligible under this provision less any amount converted under the Conversion provision.

The Insured may not increase or decrease the amount of Portable coverage after election.

The amount of insurance and benefits applicable to You will be shown on the coverage statement that We will issue to You.

No amount or type of coverage will be eligible to be continued under this Portability option unless such amount and type of coverage is elected on the initial Written application for Portable coverage. No amount or type of coverage may be included in the Portable coverage if You were not insured for the same amount and type of coverage at the time Your employment or eligibility under the Policy terminated and You became eligible for Portable coverage.

Premium Rate Changes for Portable Coverage

We may change premium rates for Portable coverage at any time for reasons which affect Our risk assumed, including but not limited to the following:

- Changes occur in the coverage levels.
- Changes occur in the overall use of benefits by all Insureds.
• Changes occur in other risk factors.
• A new law or change in existing law occurs which affects the risk assumed.

The change in premium rates will be made on a class basis according to Our underwriting risk assessments. We will notify You in Writing at least 31 days before a premium rate is changed.

**Reductions**

Reductions in the amount of Portable coverage will occur in accordance with the Age Reductions outlined in this Certificate.

**When Portable Coverage and Portable Coverage Eligibility Ends**

Any Portable coverage in effect, and all eligibility for new Portable coverage ends on the earliest date shown below:

Conversion of Life Insurance

Who May Convert

You will have the right to have Us issue to You an individual life insurance policy without submitting Proof of Insurability if all or part of Your insurance under the Group Policy terminates for any of the following reasons:

1. Your employment terminates while the Group Policy is in force.
2. Your membership in a Class terminates while the Group Policy is in force.
3. The Group Policy terminates. You must have been insured under the Group Policy for at least 5 years.
4. The Group Policy is amended to cancel the insurance on the Class of persons under which You were insured. You must have been insured under the Group Policy for at least 5 years.

The policy will only be issued to You if You make a Written application to Us and the first premium due for the policy is received at Our Administrative Office within 31 days of such termination or benefit reduction. This 31 day period is the conversion period. The policy will not take effect until the end of the conversion period.

If You should die during the 31 day conversion period, and prior to becoming insured under a policy again, an amount of insurance equal to the maximum amount for which You were entitled to convert will be paid as a death benefit.

The premium for the individual policy will be determined by the policy type, the risk classification to which You belong, Our published rates in effect and Your age at the time of conversion as determined from the date of your last birthday.

Individual Policies Available

The policy may be on any plan, other than term insurance, with level premiums and level death benefit, which We are then issuing. It may not include any provision for disability, waiver of premium, accelerated death benefits, accidental death or other special benefit.

Limits on the Amount of Individual Life Insurance That May Be Obtained

The amount of insurance You may select under the Conversion policy is subject to the following limits.

1. It may not be less than the minimum amount for which We then issue such a policy.
2. If You ceased to be insured because of reason 1 or 2 shown in the Who May Convert section of this provision, it may not be more than the amount of insurance that has been terminated, reduced by any amount of life insurance for which You may be or may become entitled under this or any group insurance policy within the conversion period.
3. It may not exceed the amount of insurance that has been terminated less any applicable age reductions under the Group Policy.
4. If You ceased to be insured because of reason 3 or 4 shown in the Who May Convert section of this provision, it may not be more than the smaller of the following amounts.
   a. The amount of insurance that applied to You at the time it terminated, reduced by any amount of life insurance for which You may be or may become entitled to under any group insurance policy within the conversion period.
   b. $2,000
5. It may not, in any event, exceed the maximum amount of insurance You are eligible to convert as stated in clause 2 or 4 above reduced by any amount of life insurance currently in force and previously converted under the Policy.

Notice of Conversion Right

The Plan Sponsor is required to give You Written notice of Your right to convert without submitting Proof of Insurability. If You are not given notice of the existence of the right at least 15 days prior to the expiration date of the 31 day conversion period, then You have 15 days after the notice is given by the Plan Sponsor to exercise the right to convert. The additional period shall not extend beyond 60 days after the expiration date of the 31 day conversion period. Written notice presented to You or mailed by the Plan Sponsor to Your last known address constitutes notice for the purpose of this paragraph. In any event, all life insurance terminates at the end of the 31 day conversion period, unless properly converted within said time.

Any amount payable for Accidental Death and Dismemberment Benefits will be paid to You, except in the case of Your Loss of life, in which case, payment will be made to Your beneficiary, as determined in accordance with the Beneficiary Provision(s) under the Policy.

The benefit will be payable when We receive due Proof of a Loss. Your Principal Sum for Accidental Death and Dismemberment insurance is shown in the Schedule of Benefits. The benefit to be paid is the amount from the Schedule of Losses for Basic Accidental Death and Dismemberment subject to any conditions or reductions of the Policy. If, as the result of any one Accident, an Insured suffers more than one of the Losses shown in the Schedule of Losses with respect to any one limb, payment will be made only for the Loss for which the largest amount is payable. The total maximum amount payable for all Losses will not exceed the Insured’s Principal Sum unless otherwise specified by any applicable Additional Benefit or Additional Provision.

No Right to Convert

If Your Basic Accidental Death and Dismemberment Insurance ceases or is reduced, You cannot “convert” that group insurance to an individual policy.

The Child must be:

In the event the Dependent Child satisfies the requirements indicated above and has reached the age of legal majority, such Child will be deemed the beneficiary with respect to benefits payable under this Additional Benefit. If the Dependent Child satisfies the requirements indicated above, and has not yet reached the age of legal majority, the benefit will be payable annually to the legal guardian of the estate of the Dependent Child, until such Child reaches the age of legal majority.

• The Air Bag Benefit equals the lesser of (i) $5,000 or (ii) 100% of the amount of the Accidental Death and Dismemberment Insurance Benefit paid because of Your Accidental death in accordance with the Schedule of Losses.
• Satisfactory Proof that Your death resulted from an Automobile Accident independent of all other causes, and that the Insured was wearing a seat belt at the time of the Accident must be received at the time of claim. Proof that the Automobile was equipped with Air Bags may also be required.
• No payment will be made for an Air Bag Benefit if at the time of the Accident the Insured was not in a seat for which the Automobile provided an Air Bag, and wearing a Seat Belt.

**ADDITIONAL BENEFIT FOR COMA**

The Additional Benefit for Coma will be payable annually for each month of continuous Coma, but in no event more than 8 years on behalf of You. No Additional Benefit for Coma will be payable after the comatose condition has ceased, whether by death, recovery or any other change of condition. The Additional Benefit will be 1% of the Principal Sum for each month that You are in a Coma. In no event shall the total amount paid for all Accidental Death and Dismemberment Benefits for an Insured exceed the Principal Sum.

The Coma Benefit will be paid to the legally appointed guardian or conservator of Your finances.

If, after qualifying for an Additional Benefit, You suffer another Loss covered under the terms of the Policy, due to the same Accident that caused the comatose condition, the benefit paid for such other Loss will be the benefit stated in the Schedule of Losses reduced by the total amount of benefits paid, including the Additional Benefit for Coma which has been paid, with respect to You as a result of that Accident. If You continue to qualify for an Additional Benefit for Coma after such other loss, the amount of Additional Benefit for Coma paid annually will be redetermined in accordance with the calculation stated above. Only one Coma Benefit will be paid for any one month of Coma, regardless of the number of injuries contributing to or causing the Coma.

We will require monthly Proof of the continuing Comatose condition. We retain the right to investigate to determine whether the Comatose condition exists and continues.

The Coma Benefit will be calculated at 1/30th of the monthly Coma Benefit for each day during a period of coma of less than a full month.

**Coma** and **Comatose** mean, for the purposes of this provision, a profound state of unconsciousness from which You cannot be aroused to consciousness, even by powerful stimulation, as determined by a Physician. You must be confined in a medical facility during a coma.

General Provisions

Assignment

As part of Your estate plan, You may wish to assign ownership of any death benefits to someone else. The Policy allows assignment of all present and future right, title, interest and incidents of ownership as to: (a) any life insurance; (b) any disability provision of life insurance; and (c) any Accidental death insurance under the Policy. The assignment will include, but is not limited to, the rights: (a) to make any contribution required to keep the insurance in force; (b) to exercise any conversion privilege; and (c) to change the beneficiary named.

No assignment of rights, title, interest and incidents, of ownership will be binding on Us unless and until the original of the form documenting the assignment, or a true copy of it is received and acknowledged by Us at Our Administrative Office.

We will have no responsibility:

- for the validity or effect of any assignment; or
- to provide any assignee with notices which We may be obligated to provide to You.

Currency

All payments made to or by Us will be made in United States dollars.

Class Membership

Insureds may be covered under only one Class at any time.

Misrepresentation

Any statement You make in an application to become insured is a representation and not a warranty. No representation made by You in an application to become insured will be used to reduce or deny Your claim or contest the validity of Your insurance unless:

- Your insurance would not have been approved except for Your misrepresentation; and
- Your misrepresentation is contained in a written instrument Signed by You; and
- We give You a copy of the written instrument that contains Your misrepresentation.

Incontestability

We will not use misrepresentations made by an Insured in a written application to contest the validity of the insurance with respect to which such statement was made, after such insurance has been in force prior to the contest for a period of two years during the Insured’s lifetime, unless the misrepresentations are fraudulent. This section does not prevent Us from using at any time a defense based on:

- non-payment of premium; or
- any other provision of the Policy; or
- any other defense that is allowed by law.
Misstatement of Age or Other Facts

If Your age or any other fact was misstated, We will use the correct facts to determine whether You are Insured and if so, for what amount and duration.

In addition, the life insurance premium rate will be adjusted so that the premium paid would have been correct for Your actual age. We may make this change back to the date coverage became effective based on the misstated information.

Errors

You must be properly Insured under the Policy. An error or omission by the Plan Sponsor or by Us will not cause You to become Insured. An error or omission by the Plan Sponsor or by Us will not cancel insurance that should continue nor continue insurance that should end. The requirements of the Policy must be properly met for any change in the amount of Your insurance to take effect. We have the right to full recovery of any overpayments made. Such reimbursement will be required regardless of whether the overpayment occurred due to an error by Us, or by an Insured or Insured’s representative or beneficiary, or the Plan Sponsor.

Agency

The Plan Sponsor or employer and any administrator appointed by the Plan Sponsor or employer shall not be considered Our agents for any purpose. We are not liable for any of their acts or omissions.

Changes to Policy

The Policy may be amended at any time by written agreement between the Plan Sponsor and Us, without the consent of or notice to any other individual. Any amendment to the Policy must be in Writing and be attached to it. The amendment must bear the signature or a reproduction of the signature of the President, a Vice President, or Secretary of Our company.

If a person who is otherwise eligible for insurance is not Actively at Work on the Effective Date of the amendment, the effective date with respect to that person will be on the date that he is again Actively at Work. However, if the amendment reduces the amount of insurance to which the person is entitled, the effective date will be the effective date of the amendment.

It is understood that, if the Policy is amended during a person's continuous period of Disability, the amendment will have no effect on the amount of his insurance during that same continuous period of Disability.

Enforcement of Policy Terms

If at any time We do not enforce a provision of the Policy, We will still retain Our right to enforce that provision at Our option after providing notice.
Claim and Payment Provisions

How To Claim Benefits

Due written Proof of claim is required in order to receive benefits under the Policy. Claim forms are available to You or Your beneficiary on request to the Plan Sponsor. For prompt payment, it is necessary that the claim form be completed in full. For a claim for loss of life, a certified copy of the death certificate must be provided to Us.

Notice of Claim

Notice of a claim must be given within 90 days after a covered Loss starts. If this is not reasonably possible, notice must be given as soon as it becomes reasonably possible. Reference to a “loss” in this provision, and the provisions below, means that an event occurred or an expense was incurred for which a benefit is payable under the Policy. Written notice can be given to Us at Our Administrative office or to Our agent. The notice must identify You along with Your Group Policy number, and the name and address of the Claimant.

For a Waiver of Premium claim for loss due to disability, You must notify Us immediately if You return to work in any capacity.

Claim Forms

When We receive the notice of claim, We will send the Claimant forms for filing Proof of Loss. The needed forms may also be obtained from the Plan Sponsor. If these forms are not given to the Claimant within 15 days, the Claimant will meet the Proof of Loss requirements by giving Us a Written statement of the nature and extent of the Loss within the time limit stated in the Proof of Loss section.

Proof of Loss

Due Written Proof of Loss must be given to Us within 90 days after such Loss. Failure to furnish the Proof within that time shall not invalidate or reduce the claim if it was not reasonably possible to give Proof within such time, provided such Proof is given as soon as it becomes reasonably possible. But, unless delayed by the Claimant’s legal incapacity, the required Proof must be furnished within 2 years of the specified time.

Filing Claim Forms

The Proof of Loss claim forms contain instructions as to how they should be completed and where they should be sent. Claimants should be sure to fully complete the forms. Incomplete forms may delay the processing of the claim.
Time Of Payment Of Claim

Indemnities payable under the Policy for any Loss will be paid as they accrue immediately upon receipt of due Written Proof of Loss.

Payment of Claims

Any covered benefit for Your Loss of life will be payable in accordance with Your Written beneficiary designation, subject to the Policy’s provisions and applicable law. Covered benefits for all other Losses are payable to You.

Beneficiary Provisions

Designated Beneficiary Provision

The beneficiary is the person or persons You designate to receive any benefit payable because of Your death. The designation must be made in a Written statement on a form approved by Us.

You may change beneficiaries at any time, subject to applicable law. To do so, You must provide a Written statement on a new form.

Any designation or change of beneficiary will be effective on the date of its execution, regardless of whether or not You are living at the time it is given to Us. In the event You die before any designation or change is recorded, any death benefit We may have already paid will be deducted from the amount payable to a newly named beneficiary. A beneficiary may not be changed by a Power of Attorney.

If You designate more than one person to share any death benefit, You should specify on the form how the benefit is to be divided among them. Otherwise, they will share the benefit equally. All rights of any beneficiary cease if he or she dies before You do.

Alternate Payment Beneficiary Provision

The interests of a beneficiary who dies before You will accrue to the surviving beneficiaries. However, if for all or part of Your insurance, no beneficiary has been properly designated in accordance with the Policy provisions and applicable law, the amount of Your insurance for which there is no beneficiary will be payable in equal shares to the first of the following categories of surviving beneficiaries:

- Legal Spouse;
- Natural and legally adopted children;
- Mother and Father;
- Brother and Sister;
- Estate.

If the Insured and the beneficiary die from the same accident, and the order of deaths cannot be determined, We will pay the benefit as though the Insured survived the beneficiary.
Release for Payment

It may be that one or more persons have incurred expenses for an Insured’s fatal condition or burial. If, in Our judgment this is true, We may apply part of any death benefit toward reimbursement of such persons. But the total amount of death benefit so applied shall not be more than $500. Then, the beneficiary for the payment will receive only the unpaid balance of the death benefit.

It may happen that the person to be paid a benefit (called the “payee”) is legally unable to execute a valid release for payment. If a payee is unable to execute a valid release, We may:

- pay any providers on whose charges the claim is based toward satisfaction of those charges; or
- pay any person or institution that has assumed custody and principal support of the payee. This will not be done, though, after claim is made by the payee’s duly appointed legal representative.

If the payee dies while any accrued benefits remain unpaid, We may pay any provider on whose charges the claim is based toward satisfaction of those charges. Then, any benefits that still remain unpaid can be paid to anyone related to You by blood or marriage.

The payments under this Release for Payment provision may be made at Our discretion, subject to applicable law, and will not exceed a total of $500. We will be discharged to the extent of any payments made in good faith under this provision.

If any person who is to receive a benefit payment is a minor or is not legally competent, then the benefit payment will be made to the legally appointed guardian of the person’s estate.

Physical Examinations

We shall have the right and opportunity to have any Insured person whose Injury or Illness is the basis of a claim undergo an Independent Medical Exam. This may be done when and as often as We may reasonably require. If the person has died, We may require an autopsy, unless it is prohibited by law. Such examination or autopsy will be at Our expense.

Proof Of Continuing Disability for Waiver of Premium

From time to time You must give Proof satisfactory to Us at Your expense that You are still Disabled. We will ask You for this Proof at reasonable intervals. We will stop Waiver of Premium Benefits if You do not give Proof satisfactory to Us that You are still Totally Disabled. We may require You to provide Us with the name and address for any Hospital, health facility or institution where You received treatment, including all attending physicians, and to give us Your Written authorization to obtain additional medical information, including but not limited to complete copies of medical records. We may investigate Your claim at any time.

Proof Of Financial Loss

For any benefit which is based upon determination of a person’s financial loss, We shall have the
right to require Written Proof of financial loss. This includes, but is not limited to:

- statements of income;
- tax returns, tax statements, and accountants' statements; and
- any other Proof that We may reasonably require.

We may perform financial audits at Our expense as often as We may reasonably require. Payment of benefits may be contingent upon Proof of financial loss being satisfactory to Us.

**Legal Actions**

No action at law or in equity shall be brought to recover on the Policy prior to the expiration of 60 days after Written Proof of Loss has been furnished in accordance with the requirements of the Policy. No such action shall be brought after the expiration of 2 years after the time Written Proof of Loss is required by the above terms. Legal action with respect to a claim that has been denied, in whole or in part, shall be contingent upon having obtained Our reconsideration of that claim, as explained below.

**Reconsideration Of A Denied Claim**

**Claims for benefits other than Waiver of Premium.**

If You or Your beneficiary’s claim for benefits is totally or partially denied, We will provide a Written notice. The notice will give the reasons for denial. If a Claimant does not agree with the reasons given, the Claimant may request reconsideration of the claim.

To do so, the Claimant must write to Us within the 60 days after receipt of the notice of denial. The Claimant should indicate why he believes the claim was improperly denied, and include any additional information, data, questions or comments which he or she thinks are appropriate. Unless We request additional information, the Claimant will be advised of Our decision within 60 days after the Written request for reconsideration is received.

Our name and address for correspondence regarding claims appear in this Certificate. Our name and address will also be on the initial notice of denial and any subsequent correspondence from Us.

**Claims for Waiver of Premium**

A decision for a Waiver of Premium claim will be made by Us within 45 days of the date the claim is filed.

Under special circumstances, this decision may take up to another 60 days. You will be notified and the reason for the delay will be explained to You. The decision will be sent to You in Writing.

If You do not understand Our decision or You are not satisfied with it, You may request a review of the denied claim within 180 days of receipt of Written notice that Your claim has been denied. You may also review the pertinent documents and submit comments in Writing.
A decision must be made within 45 days after the request for review is made, unless circumstances of the claim require an extension, in which event the decision will be made as soon as possible, but not longer than 90 days after the request for review is made.

The decision will be in Writing and will include the reasons for the decision with reference to those Policy provisions on which it is based.

**Discretionary Authority for Benefit Determination**

We will make the final decision on claims for benefits under the Policy. When making a benefit determination, We will have discretionary authority to interpret the terms and provisions of the Policy. This discretionary authority should not be construed to limit the legal action that may be taken by an Insured or beneficiary in accordance with the Legal Actions provision of the Policy, and any applicable state or federal law.

**Release of Information**

You agree that We may request, and anyone may give to Us, any information, (including copies of records) about an Insured’s Illness or Injury for which benefits are claimed and that We may give similar information if requested to anyone providing similar benefits to an Insured.
CLAIMS DISCLOSURE NOTICE REQUIRED BY ERISA
Life and AD&D Insurance

The Certificate contains information on reporting claims, including the time limitations on submitting a claim. Claim forms may be obtained from the Plan Administrator or UniCare. In addition to this information, if this plan is subject to ERISA, ERISA applies some additional claim procedure rules. The additional rules required by ERISA are set forth below. To the extent that the ERISA claim procedure rules are more beneficial to you, they will apply in place of any similar claim procedure rules included in the certificate.

UniCare must notify you, within 90 days after they receive your claim for benefits, that they have it and what they determine your benefits to be. If they need more than 90 days to determine your benefits, due to reasons beyond their control, they must notify you within that 90 day period that they need more time to determine your benefits. But, in any case, even with an extension, they cannot take more than 180 days to determine your benefits.

If your claim is denied in whole or in part, you will receive a written notice of the denial within 90 days after UniCare has all the information they need to process your claim, if the information is received in a timely manner. (The 90 day period may be extended up to a total of 180 days if they need more time to process your claim for reasons beyond their control.) The written notice will explain the reason for the adverse benefit determination and the plan provisions upon which the adverse benefit determination was made. You have 60 days to appeal their adverse benefit determination. Your appeal must be in writing. Within 60 days after they receive your appeal, they must notify you of their decision about it. Their notice to you of their decision will be in writing.

Note: You, your beneficiary, or a duly authorized representative may appeal any denial of a claim for benefits with UniCare and request a review of the denial. In connection with such a request:

- Documents pertinent to the administration of the Plan may be reviewed free of charge; and
- Issues outlining the basis of the appeal may be submitted.

You may have representation throughout the appeal and review procedure.
STATE NOTICE OF PRIVACY PRACTICES

We keep the health and financial information of our current and former members private as required by law, accreditation standards, and our rules. This notice explains your rights. It also explains our legal duties and privacy practices. We are required by state law to give you this notice.

Your Personal Information
We may collect, use, and share your nonpublic personal information (PI) as described in this notice. If we use or disclose PI for underwriting purposes, we are prohibited from using or disclosing PI that is genetic information of an individual for such purposes.

PI identifies a person and is often gathered in an insurance matter. Because PI is defined as any information that can be used to make judgments about your health, finances, character, habits, hobbies, reputation, career and credit, we take reasonable safety measures to protect the PI we have about you.

Collection of Personal Information
We may collect PI about you. PI may be about your health. It may also be demographic, such as your name, address, and birth date or financial, such as your credit card number. In most cases, you are our most important source for this information. We may also collect or check PI by speaking to others, such as your doctor or hospital. We may also contact other insurance companies to whom you have applied. We collect PI about your dealings with us and others acting on our behalf. This includes data about claims, medical history, eligibility, and payment. We may collect this PI by letter, telephone, personal contact, or electronic request.

Sharing Personal Information
Your PI is used to manage your coverage well. We do not share the PI of current or former members with others unless you tell us that it is OK for us to do so. We will only share PI without your OK when allowed by law. Here are some samples of when we may give PI to others:

- To third parties that do services for us. They must agree to protect your PI as required by law.
- To third parties so they can give us PI to determine eligibility for benefits or to spot or put a stop to criminal action, fraud, or misrepresentation.
- To our agents and brokers, other insurance companies, self-insured groups, or insurance support groups as needed to spot or put a stop to criminal action, fraud, or misrepresentation.
- To insurance regulatory agencies.
- In response to a court order. This includes a search warrant or subpoena.
- To law enforcement or governmental authority to protect ourselves against an act of fraud, or if we reasonably believe that illegal activities have taken place.
- To industry and professional groups who carry out actuarial and research studies. Normally, the results of such studies benefit our members and the general public. That is why we would share data for that type of purpose. PI is removed to a point that it is still useful before sharing it with researchers. If it is shared, you will not be identified in any report that results from the research. All PI given to researchers is treated in a private manner.
- To your group health plan if reasonably needed to report claims experience or carry out an audit of our services. In some states, we are only allowed to give information on a group level (no PI) for these reasons.
- To a peer review group for review of the service or conduct of a doctor, hospital, or other medical provider.
- To a policyholder to give them information on the status of an insurance matter.
- To the government to decide your eligibility for health benefits if the government may be held responsible.
- To state governments to protect the public health and welfare. But only as needed to allow them to perform their duties when reporting is required or allowed by law.
- To an affiliate when it has to do with an audit of our company, or for marketing an insurance product or service. The affiliate must agree not to share the PI for any other reason or to those who are not affiliated. In some states, we may not share health care information for these reasons. In some states, we are required to get your OK in writing before we share any PI for these reasons.
- To a party to a sale, merger, or consolidation of all or part of our business. We can only share the PI reasonably needed to allow the person getting it to make business choices about the purchase. The person who gets the PI agrees not to share it with others unless allowed by state law.
- To a person who we know has a legal or beneficial interest in an insurance policy. No medical record information is shared unless allowed by state law. Only PI reasonably needed to allow such person to protect his or her interests in such policy is shared.
- To a non-affiliated party to market a product or service. In these cases, information that has to do with your medical records, character, habits, mode of living or reputation, is not shared. The non-affiliated party will only use the limited information to market the product or service. We will only share your information in this way if we gave you the chance to opt-out (see below). In some states, and under HIPAA, we may only share your PI with third parties for marketing reasons if we get an OK in writing from you.
- As otherwise allowed or required by law.

Information obtained from a report prepared by an insurance support group may be kept by the group and made known to other persons. These groups are companies that routinely take part in gathering data about persons just to give the data to an insurance company.

**Opt-out Opportunity**

If we take part in an activity that would require us to give you a chance to opt-out, we will contact you. We will tell you how you can let us know that you do not want us to use or share your PI for that activity.

**Your Rights**

Under state law, you have a number of rights that have to do with your PI.
Access. You may ask for access to certain recorded PI that we can reasonably locate and get for you.

Amendment. You may ask us to correct, change, or delete recorded PI we have if you think it is wrong.

To ask for access or to change your PI, call Customer Service at the phone number printed on your ID card. They can give you the address to send the request. They can also give you any forms we have that may help you with this process. We will need your full name, address, date of birth, all ID numbers and details about what PI you want to access or change.

How we protect information
We are dedicated to protecting your PI. We set up a number of policies and practices to help make sure this PI is kept secure.

We keep your oral, written, and electronic PI safe using physical, electronic, and procedural means. These safeguards follow federal and state laws. Some of the ways we keep your PI safe include offices that are kept secure, computers that need passwords, and locked storage areas and filing cabinets. We require our employees to protect PI through written policies and procedures. The policies limit access to PI to only those employees who need the data to do their job. Employees are also required to wear ID badges to help keep people who do not belong, out of areas where sensitive data is kept. Also, where required by law, our affiliates and non-affiliates must protect the privacy of data we share in the normal course of business. They are not allowed to give personal information to others without your written OK, except as allowed by law.

Complaints
If you think we have not protected your privacy, you can file a complaint with us. We will not take action against you for filing a complaint.

Contact Information
Please call Customer Service at the phone number printed on your ID card. They can help you apply your rights, file a complaint, or talk with you about privacy issues.

Copies and Changes
You have the right to get a new copy of this notice at any time. Even if you have agreed to get this notice by electronic means, you still have the right to a paper copy. We reserve the right to change this notice. A revised notice will apply to PI we already have about you as well as any we may get in the future. We are required by law to follow the privacy notice that is in effect at this time. We may tell you about any changes to our notice in a number of ways. We may tell you about the changes in a member newsletter or post them on our website. We may also mail you a letter to tell you about changes.
