In order to be evaluated for Summer 2023 or Term 5 2023 financial aid, you MUST be enrolled to the financial aid office. "You must be enrolled to be evaluated for summer aid."

You MUST complete this form if you plan on attending Summer 2023 or Term 5 2023 in order to be evaluated for financial aid. Beginning Summer/Term 5 2023, Pell Grants are available year round. Satisfactory Academic Progress will be checked at the time this form is processed.

There is a minimum number of degree required credits to receive Pell Grant for Summer/Term 5:

- If you were enrolled full-time and received the full-time Pell Grant amount for Fall 2022 and Spring 2023 or Terms 1-4, you must be enrolled at least half-time in degree required courses to be eligible for a Pell Grant.
- If you were enrolled part-time for Fall 2022/Spring 2023 or Terms 1-4, there is no minimum requirement to receive a Summer/Term 5 Pell Grant (unless required by your Expected Family Contribution (EFC) from your FAFSA). You can use the remainder of your annual Pell Grant amount.

Your summer Pell Grant amount will depend on the number of credits you are registered in, as well as your Pell Lifetime Eligibility Units (LEU). Pell Grant is prorated based on your enrollment. To be eligible for the full amount you must be full-time. Pell Grant eligibility will be evaluated after free drop and add (6/5/23).
