

**LIVING EXPENSE STATEMENT**

**2022-2023**

**Call 1-800-414-5756 for questions**

On your Free Application for Federal Student Aid, you either did not provide income information or you provided income information that seems unusually low.

Using this form, please indicate how you provided for yourself (and your family if applicable); or if this form is for your parents, how they provided for themselves. If an agency or family/ friend provided assistance for you or your parents, then please identify who is helping you (or helped you last year) and how much they are providing for you (or provided for you last year) on a monthly basis. In order to continue processing your award, you must explain how you were able to meet your expenses for the 2020 calendar year. Your award package for the 2022-2023 school is determined using your 2020 financial data (January - December 2020).
