The fact that the student might be eligible for more aid based upon the use of 2022 information is not, by itself, sufficient reason for a professional judgment decision to use 2022 income.

- 1) I am requesting an adjustment in my 23/24 financial aid because (please check):
All documentation submitted must be original. (No Photocopies or Faxes)
 - a. **Deceased Parent(s) or Spouse:** must provide a statement how this changes the family income; attach an original death certificate.

 - c. **Unemployment:** must provide a statement giving the reason for unemployment and the last day worked along with the expected income for the current year; attach verification from the State Unemployment Office of all benefits entitled to receive. Elected unemployment does not necessarily constitute a special circumstance.
 - d. **Medical:** must provide an itemized list of all expenses not covered by insurance that you are required to pay personally; attach copies of all receipts or payments.
 - e. **Homeless & Unaccompanied Youth:** must be verified on an attached agency letterhead from one of the following agencies: a high school district homeless liaison; a director of an emergency shelter or transitional housing program funded by the U.S. Dept. of Housing & Urban Development; a director of a runaway or homeless youth basic center or transitional living program determines that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless.
 - f. **Special Circumstance:** must provide documentation on why you think you have a special circumstance and are unable to provide parental information. Examples of some special circumstances would include: if both your parents are incarcerated; you have left home due to an abusive family environment (you would have to provide police reports, medical documentation, court records, etc.)
