-GENERAL INFORMATION-

The Administrative Council met in December and discussed the following items:

- 1) The ribbon cutting ceremony and the dedication of the Science Lab to Mr. Rudy Barrett on December 7.
- 2) Also on the agenda was the recommendation of Dr. Stewart to the Education Hall of Fame in Troy.
- 3) New programs to be implemented in 1986 must be received by the Alabama Commission of Higher Education by January 1985.
- 4) The 1985-86 School Calendar was approved during the meeting.
- 5) Student Services needs the Spring Schedule by January 31, 1985.

-PEOPLE IN THE NEWS-

Congratulations to Jonua Brooks who was married on Saturday, December 29, 1985 to Randy Adkins.

Dr. Ann Easley attended a workshop at Thomasville, Georgia on "Recent Advances in The Study and Treatment of Self-Injurious Behavior."

Dr. Stewart was guest speaker at the Ponce de Leon FBLA Christmas Banquet. The banquet's theme was "Meeting The Challenge of The Future" and Dr. Stewart spoke on "Motivational Techniques that We Use To Challenge Ourselves."

Sheila Thomley, a recent accounting graduate recently received recognition for her outstanding performance on the CPA examination. Thomley, who took the uniform CPA exam in May, received the highest score of anyone taking the exam initially in May.

****EMPLOYEE FEATURE****

This months employee spotlight will feature Sharon Driver, who has the privilege of dealing with all students enrolled in Troy State Dothan's undergraduate programs.

Sharon, the TSU-Dothan's undergraduate secretary, has served in this capacity for almost two years. Her responsibilities which are time consuming and meticulous include such things as: typing, filing, serving as a receptionist, making transcripts, filling out various forms, keeping student records on file, working with a computer and often counseling students.

Sharon worked in a jewelry store prior to coming to Troy State and says that she really enjoys working with people and being able to assist them with their educational plans. She

hopes to return to school and obtain a Business degree, and feels that the experiences and knowledge that she has gained while working in the registrar's office will be an asset. "Being a native of Newville, I've been on home turf for quite sometime and I've always wondered what moving away from home would be like", said Sharon. Now Sharon's curiosity is to be satisfied since her husband's transfer to North Carolina has become a reality. Mike who works as a contractor for telephone networks is in North Carolina and in two weeks Sharon will be joining her husband. Troy State Dothan will miss Sharon and wishes her all the best!

"LESSON"

They said "you'll never make it",
And they thought they they were right,
But I kept on plodding onward,
Because I hoped I might.
And they shook their heads in wonder,
That I lacked the sense to quit,
But I held my chin up higher,
And I didn't mind a bit.
They said "you'll never make it",
As the problems multiplied,
But I had to make an effort,
And to know at least I tried.

So I dug my heels in deeper,
Though sometimes my spirits lagged,
And I shouldered what was lightest,
And the rest I sort of dragged.
And I found to my amazement,
At the ending of the day,
That what they said I couldn't,
I had managed anyway.
It only took three little words,
"Lord help me", and I rid
Myself of doubt, and all they said
I'd never do...I did.
