\*\*\*Employee Feature\*\*\*

This month Mrs. Jonua Adkins is the employee feature. She is known as the Coordinator of Financial Affairs, and the one that goes into a frenzy when the grant checks are late.

Not only does Jonua handle grants, but she is also responsible for loans, VA benefits, workstudy students and all facets of financial aid. She works directly with the registrars and the Troy campus in establishing the students needs and qualifications for aid. Jonua feels that the most satisfying part of her work is being able to help others in need.

Jonua began working for TSU-Dothan in 1979 part-time while attending classes. She served as the undergraduate secretary in the registrars office until 1982, when she received her Bachelors degree in Business Administration. After graduation she became the secretary for the Director of VA and Financial Aid, and shortly thereafter accepted her current position.

Outside of work Jonua enjoys going to the beach and taking care of her husband, the two were married in December.
