January 1991

Vol. VIII, No. 4.
Tony Whetstone,
Editor

FACULTY AND STAFF MEET TO BEGIN 1991 WINTER QUARTER

TSUD faculty and staff met on Friday, January 11 and listened to New Year's greetings from President Harrison and good news from the vice presidents.

Dr. Grimmer recognized Dr. Belsches who introduced Dr. Brenda Ameter, Assistant Professor of English, from the College of Arts and Sciences. Dr. Kennedy introduced Dr. James Windle, Assistant Professor of Counseling and Psychology. Mr. Jim Hartsfield, Director of the ISC, and Mr. Kenny Fondren, ISC Assistant, were introduced by Mr. Frank Walker.

Those members of TSUD's faculty and staff who plan to retire in the near future were recognized by Dr. Grimmer. They included Dr. Elizabeth Majors, Ms. Anne McQuistian, Ms. Gayle Oberst, Mr. Crawford Buchanan, and Dr. J. Wyatt Grimmer.

Dr. Grimmer thanked the faculty for their patience as classes are continuing to be moved to accommodate adequate classroom usage.

Dr. Sublette, representing Student Affairs, announced that Ms. Sandra Carter is working with Ms. McQuistian and will assume the duties of Director of Academic Records following Ms. McQuistian's retirement. Ms. Helen Livingston was introduced as the Acting Di-

rector of Recruiting and Student Activities. The Student Support Services Program has a new director, Ms. Charlotte Kirkland, who comes to TSUD from McArthur State Technical College, where she was a Curriculum Specialist.

In a spirit of enthusiasm, Dr. Sublette announced that as of January 11, enrollment had exceeded the 2,000 mark at 2,008. He said that this was not the final count and that more enrollments could be anticipated.

Dr. Sublette reported that the new registration hours from 9:00 a.m. - 7:00 p.m. had worked well. The process by which students can preregister during Advisement Week will continue until further evaluation. He also elaborated on the computer articulation program between TSUD and area two-year institutions.

Dr. Deavers introduced Mr. Scot Craig, Grounds Maintenance, and praised Scot and Harry for their work on developing the Walking Trail behind Malone Hall and the construction of a maintenance facility for the University. Dr. Deavers discussed the effects of proration and said that he would be working with the vice presidents and deans on plans for spending. He encouraged everyone to conserve energy. The intersection on Highway 231 is dangerous, and Dr. Deavers asked everyone to use extreme caution when entering and exiting the campus.

President Harrison closed the meeting by expressing his thanks to everyone as he completed five years at TSUD.

Following the meeting, TSUD faculty and staff, along with visitors from Wallace College, attended one of two professional development activities—stress management or telecommunications.

TSUD OFFICIALS ATTEND ACCREDITATION CONFERENCE IN ATLANTA

Officials from Troy State University at Dothan took part in the 95th annual meeting of the Southern Association of Colleges and Schools (SACS) in Atlanta on December 9 - 12. More than 4,000 participants attended workshops and seminars on more than 100 topics and took action on accreditation issues, setting policy for the regional accrediting association.

Delegates attending the annual meetings are educational professionals including faculty and administrators representing the more than 12,000 accredited public and private schools and colleges, universities, occupational institutions, and secondary and elementary schools.

The TSUD self-study process was initiated January 1988 and concluded with the SACS visiting committee in November 1989. During the period from January 1990 through April 1990, recommendations were addressed and responses were prepared by TSUD officials for review by the Commission on Colleges.

Dr. Harrison commented that membership in the Southern Association of Colleges and Schools is a statement saying that the quality of programs and services at TSUD are being met. He also pointed out the fact that being accredited by SACS assures students, present and potential, that their program of study equates to high-quality programs on a national level.

Officials attending the annual meeting from TSUD included Dr. Thomas Harrison, Dr. Jack Sublette, Dr. J. Wyatt Grimmer, Dr. Ken Deavers, and Dr. Priscilla McArthur.

TSUD ENROLLMENT REACHES ALL-TIME HIGH

For the first time in the history of Troy State University at Dothan, student enrollment has passed the 2,000 mark. Enrollment at TSUD continues to increase despite a national trend of decreasing college enrollments. For 14 consecutive quarters, the University has experienced an enrollment increase over the same quarter of the previous year. The 1991 Winter Quarter enrollment is an impressive 2,033 students, a 10.2 percent increase over the 1990 Winter Quarter figure. In fact, the present quarter count surpasses this past fall quarter's enrollment, an unusual occurrence in most traditional colleges and universities.

The Office of Institutional Research and Planning (IR&P) and the Office of Planning, Management, and Evaluation (PME) prepared enrollment projections in 1988. By using demographic studies and enrollment trends, these two offices projected that enrollment would reach 2,000 by the 1991 Fall Quarter. To the surprise of many, the 2,000 mark was surpassed three quarters early.

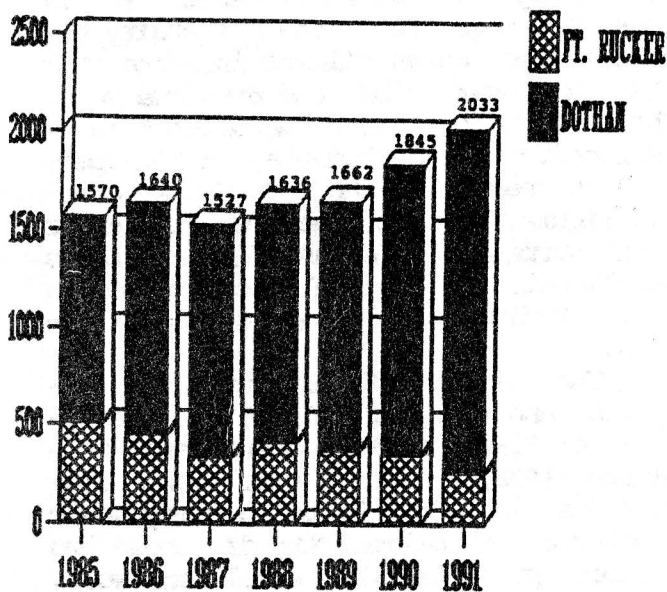

The 1991 Winter Quarter marks the initiation of the "Wiregrass Interinstitutional Agreement" between TSUD and Wallace Community College. This agreement states that a first-time-in-college student cannot be admitted to TSUD, a factor that may have led some to believe that TSUD's enrollment would decrease slightly.

Dr. Jack Sublette attributes the enrollment increase to the fact that TSUD is providing the programs, services and facilities needed in this area.

"TSUD will continue to provide a university education of high quality," said Sublette.

Dr. Thomas Harrison commented, "The future for TSUD is limited only by lack of vision and lack of resources. TSUD faculty and staff have both the vision and the energy to locate the necessary resources."

TSUD WINTER QUARTER ENROLLMENT HISTORY

TSUD GOES ON-LINE WITH COMPUTERIZED ARTICULATION PROGRAM

Students desiring to transfer to Troy State University at Dothan from certain Alabama two-year colleges will be able to benefit from a computerized articulation program being offered by TSUD and area two-year institutions.

This program will allow a student, upon enrolling in certain Alabama two-year colleges or during their tenure at the college, to visit the counseling office or to come to TSUD and receive a computerized curriculum guide and contract which will clearly identify for that student what courses he needs to take at the two-year college that are equivalent to TSUD's courses in his program of study. This contract will be honored for a period of three years from the signature date. If a student enters TSUD immediately from the two-year college, he will be under the guidelines (bulletin) from the contract period. It must be mentioned that if there are unforeseen changes in TSUD's curriculum made by outside agencies (State Department of Education, SACS, etc.), the contract will be void.

The two-year state colleges that currently participate in this articulation program are George C. Wallace State Community College in Dothan; Lurleen B. Wallace Community College in Andalusia; Enterprise State Junior College in Enterprise; and Faulkner State Community College in Bay Minette. Eventually, all two-year state community and junior colleges in Alabama will become a part of the articulation program, along with the two-year colleges in the panhandle region of Florida and southwest Georgia.

Students can benefit enormously through this program by being able to chart a course of study from the beginning of their education process for transfer purposes to TSUD. Students can use the guide to know exactly what to take at the two-year college, and they will have a signed contract that their appropriate course work will transfer to TSUD. The greatest advantage for TSUD will be the ease in the recruiting process for transfer students.

REGISTRATION FOR SPRING QUARTER

Students may register for Spring Quarter 1991 during Advisement Week (February 25-28), Pre-registration (March 4-7), or Registration (March 27-28). Hours of registration on March 27 and 28 will be 9:00 a.m. - 7:00 p.m.

Spring Quarter 1991 Schedule of Classes will be available for students on Monday, February 25.

COMMENCEMENT TO BE HELD ON FRIDAY MORNING

Commencement exercises for spring and summer 1991 will be held on Friday morning, June 7 and August 16, respectively, in the Dothan Civic Center. Exact times will be announced at a later date.

SYSTEM POLICY ON FUND RAISING

Last fall, Chancellor Hawkins established the System Advancement Council and charged it with the following tasks:

1. To produce a system-wide logo for use on publications, periodicals, stationery and signage.
2. To develop publications guidelines to ensure appropriate use of logo and TSU nomenclature and to set quality standards for publications.
3. To set goals for and coordinate news media relations in system-wide activities, i.e., Board of Trustees meetings.
4. To discuss and make recommendations regarding other system-wide university relations ac-

tivities, i.e., programming throughout Department of Radio and Television, faculty-staff newsletter, Alumni Bulletin.

5. To develop guidelines for authorizing and coordinating fund raising campaigns and major gift solicitation.
6. To review and refine procedures for depositing, acknowledging and recognizing gifts and pledges to TSU System components.
7. Other issues as assigned by the Chancellor.

Serving on this Council for TSUD are Dr. Jack Sublette, Dr. Debbie Goodman, and Mr. Tony Whetstone.

Much work has been done on producing a system-wide logo, which should be available soon.

The Council has developed and implemented policies and procedures on private gift fund raising. The System Development Coordinating Council has been established in order to administer these policies and procedures. The three voting members on the Development Coordinating Council are Dr. David Brown (chairman), TSU Vice President for Institutional Advancement; Dr. Cameron Martindale, TSUM Assistant to the President for Advancement; and, Dr. Jack Sublette, TSUD.

Fund raising projects with goals of \$5,000 or more must be submitted to the System Development Coordinating Council for clearance. Projects with goals of less than \$5,000 receive clearance from individual campus presidents with the Chancellor and the System Development Coordinating Council receiving information about the project.

Questions about fund raising at TSUD may be directed to Dr. Sublette.

TSUD OFFICIALS SELECTED TO WIREGRASS LEADERSHIP INSTITUTE

Dr. Jack R. Sublette and Ms. Ann Wells have been selected to participate in the Wiregrass Leadership Institute, a leadership training program established by the Southeast Alabama Regional Planning and Development Commission.

The Institute, consisting of members from Barbour, Coffee, Covington, Dale, Geneva, Henry, and Houston counties, will offer an intensive six-month course in community strategic planning, group dynamics, resource development, and team building. Participants will examine issues that will impact this region for the next ten years--the environment, changing labor markets, business climate. The class will be divided into county teams which will work on a project throughout the course, giving them hands-on use of the skills they are being taught.

"The Wiregrass region is blessed with a great number of people who are willing to roll up their sleeves and go to work. Often a lack of self-confidence, limited knowledge of how the political system works, of where they can find resources prevent them from being as effective as they might be. What we have established is a program that will address these factors," stated Larry Lee, Executive Director of SEARP&DC.

The institute will meet every three weeks for a six month period.

PAM WILLIAMSON RECEIVES "OUTSTANDING MEMBER AWARD"

Mrs. Pamela Williamson, Director of Counseling Services, was recently presented the "Outstanding Member Award" for Chapter 9 at the Alabama Association for Counseling and Development annual conference in Montgomery. Mrs. Williamson is currently serving as the 1990-91

president for Chapter 9, which consists of approximately 100 members from Covington, Geneva, Houston, Henry, Barbour, Pike, Crenshaw, Coffee, and Dale counties.

The Alabama Association for Counseling and Development is the state branch of the American Association for Counseling and Development and seeks to implement through its activities the enhancement of individual human development.

TSUD OFFICIALS ACCEPT CONTRIBUTION TO THE GREATER TSUD DEVELOPMENT FUND

Charles Bowers, District Manager of Alabama Power Company in Headland, presented a check to Mr. Pierce Flatt, Chairman of the Greater TSUD Development Fund, and Dr. Thomas Harrison recently. The contribution will be used in the construction of Phase II of the University Master Plan which will include a third building on the campus of TSUD. Previous contributions by Alabama Power Company were instrumental in the construction of Phase I.

The Greater TSUD Development Fund was created in 1987 to aid in the development and growth of services and facilities for Troy State University at Dothan. Significant contributions were made to TSUD through a general fund raising campaign. President Harrison encourages individuals, businesses, and organizations who wish to contribute to the Greater TSUD Development Fund to contact Mr. Pierce Flatt at SouthTrust Bank in Dothan. These funds will serve as a base for the construction of Phase II of the TSUD Master Plan.

University officials are now pressed for classroom and office space and are focusing their attention on generating funds for a third building. The third building on the TSUD campus would house the library, a telecommunications center, and classroom and office space.

With the addition of the third building, the University's original building plans would be complete. When completed, the third building would face Adams Hall to the east. Parking facilities are presently in place to accommodate the third building.

BECOME THE NEW KIDS ON THE BLOCK JOIN TSUD ENTERTAINERS

TSUD wants to tap the talent and energy of its young students and to reach out and touch other students, our friends, and patrons. Dr. Shoaf has gained approval and is willing to organize an Entertainment Group. Flyers, information, and an invitation will be forthcoming to the student body. She asks for everyone's support and encouragement. If anyone is aware of or knows of a student who is energetic, has a great smile, enjoys entertaining, and has the talent to sing, play the piano or other musical instruments, or dance, please contact Dr. Shoaf in 314-F, Adams Hall.

Dr. Shoaf asks that faculty read the invitation to classes in order that all students may be reached.

NEW FACES AT TSUD

MRS. SHARON COREY

The School of Business at Troy State University at Dothan welcomes Mrs. Sharon Corey as Assistant Professor of Management Information Sciences. Mrs. Corey comes to TSUD from Florida State University, where she served in a graduate assistantship position while working on her doctorate in information sci-

ences. Last fall quarter Mrs. Corey taught morning classes at FSU and commuted to TSUD, where she taught two evening classes.

Mrs. Corey has four children, three daughters and a son, and says that Dothan is a great place to raise children. She also praised the people in the Dothan area by saying that they are so gentle and polite.

MR. KENNY FONDREN

Troy State University at Dothan welcomes Kenny Fondren, a Hartford, AL native, as an assistant in the Instructional Support Center. Fondren is a graduate of North Carolina State University with a Bachelor of Arts degree in history. While at N.C. State, he was a member of the football program, where he played defensive lineman, and on special teams.

A newlywed, Fondren and his wife, Anita, reside in Hartford. Anita is a student at Auburn University and plans to graduate this spring. Fondren is presently enrolled in the graduate school at TSUD in the International Studies program.

DR. BRENDA AMETER

The College of Arts and Sciences at TSUD is pleased to welcome Dr. Brenda Ameter as Assistant Professor of English. Dr. Ameter comes to TSUD from Indiana State University, Terre Haute, Indiana. She has 16 years of experience in education, the latter ten in higher education. Dr. Ameter resides in Dothan with her husband, Malcolm, and their son, Chris, who is in the 7th grade at Honeysuckle Middle School.

DR. JAMES WINDLE

Dr. James Windle has recently joined the faculty of the School of Education as an Assistant Professor of Counseling and Psychology. As the former Adult Program Administrator at Charter Woods Hospital, Dr. Windle brings a wealth of experience and expertise to the classroom. Windle has served in an adjunct faculty position at TSUD for the past three quarters.

Dr. Windle and his wife, Cilla, have three children: Alica, a graduate of the University of Alabama in Huntsville, Sally, a student at Wallace College, and Rip, a fifth-grader at Montana Street Elementary School. The Windles attend St. Columba Catholic Church in Dothan.

MS. CHARLOTTE KIRKLAND

Troy State University at Dothan announces the employment of Ms. Charlotte Kirkland as the Director of Student Support Services. Ms. Kirkland comes to TSUD from McArthur State Technical college in Opp, where she served as Curriculum Specialist. Prior to her tenure at McArthur Tech, Ms. Kirkland was Assistant Principal at Headland High School. Ms. Kirkland enjoys living in Dothan and spending time with her two sons, Barkley, a student at Auburn University, and Cleveland, a high school sophomore.

DR. ROBERT MOORE

The School of Business at Troy State University at Dothan welcomes Dr. Robert Moore as Assistant Professor of Management. Dr. Moore reenters teaching after retiring from Imperial Valley College in California, where he served as

Associate Superintendent of Business Services.

Dr. Moore enjoys flying and sailing, and says that he likes Dothan's climate and geographic location. Moore has also been a Rotary Club member for 20 years and has recently joined the Dothan Rotary Club. He and his wife, Lucy, have a son and a daughter. Both are married and live in California.

COMMITTEE UPDATE

HONORS CONVOCATION COMMITTEE

President Harrison has appointed the following to serve on the 1991 Honors Convocation Committee:

Mr. J.C. Lewis, Chairman
Dr. Debbie Goodman
Mrs. Helen Livingston
Mr. Tony Whetstone
Dr. Richard Martin
Dr. Steve Nowlin
Ms. Charlotte Kirkland
Dr. Jack Sublette

Honors Convocation 1991 is scheduled for Friday, May 10, 1991. If you have suggestions, please notify one of the committee members.

MINORITY RECRUITING COMMITTEE

Chairman: Ms. Charlotte Kirkland

This committee will meet February 6 at 1:00 p.m. in the conference room adjacent to the President's office.

CONTINUING EDUCATION ADVISORY COUNCIL

Chairman: Ms. Ann Wells

At its quarterly meeting on October 24, 1990, the Continuing Education Advisory Council met to discuss the status of its past projects involving Classroom Management and Industrial Training. Dr. Debbie Goodman reviewed the success of the new Weekend University and Ann Wells reported on the various continuing education classes and their enrollment. A group discussion followed concerning ideas for additional classes and courses.

This committee met again on December 12 to discuss the addition of telecourses and to elect a chairman and a vice chairman from outside of TSUD. Mr. Dave Shelman, SouthTrust Bank, was elected chairman, and Mr. Dan Westover, Gayfers, was elected as vice chairman. Mr. Westover gave a presentation on marketing strategies. Members of the committee gave suggestions for classes that could be offered for spring and summer quarters.

EDUCATION AND PSYCHOLOGY CURRICULEM COMMITTEE

Chairman: Dr. Patricia Fritchie

The committee held its quarterly meeting on November 14, 1990 to discuss changes in ECE and PSY Laboratory hours.

SCHOOL OF BUSINESS CURRICULUM COMMITTEE

Chairman: Dr. Robert J. Long

At various committee meetings during September and October, the following topics were addressed: changes in admissions requirements for the MBA program, additional specialized concentrations, beginning with accounting, and increased M.S.P.M. required courses.

FACULTY PERSONNEL AND ADVISORY COMMITTEE

Chairman: Dr. Elizabeth D. Van Loo

This committee's November 11, 1990 meeting served as an orientation for new members. Also discussed were recommendations for committee chairmanships and membership.

MINORITY RECRUITING COMMITTEE

Chairman: Ms. Sandra Carter

At its meeting on December 12, the Committee was given an overview of the current status of the Student Support Services program, and a review of the monthly activities was presented by Ms. Carter. The SSS program was on target with objectives at this time. The tutoring component of the grant was popular with a number of program participants. Several students showed improvement in their academic courses as a result of the SSS tutors.

A database has been designed by the PME Office to track program participants.

Ms. Carter expressed her concern about notifying students about the program. Despite the great amount of publicity, some students are not aware of the benefits of the SSS program.

DR. MARY BROWN attended the Southwest-Southeast Regional meeting of the American Chemical Society in New Orleans in December.

DR. WAYNE BRADSHAW attended UAB School of Education conference "Integrating AIDS Education in Teacher Preparation" on December 15; attended the Dothan-Houston County Kiwanis Club meeting on January 8; conducted in-service for secondary teachers at Houston Academy on January 9; attended "Telecommunications" seminar conducted by Dr. Richard England from ACHE on January 11; attended State Department of Education LEAD Project as task force member on "Improving the Effectiveness of School Administration" in Montgomery on January 14; attended the Dothan-Houston County Kiwanis Club meeting and introduced Dr. Steve Nowlin as a guest on January 15; attended the Dothan-Houston County Kiwanis Club meeting and introduced Dr. Betty Kennedy as a guest on January 22; attended conference on Certification Requirements for School Administrators conducted by the Alabama State Department of Education in Montgomery on January 24; conducted conference on Consequences of Teen Age Pregnancy for local agency on January 28; and attended the Dothan-Houston County Kiwanis Club meeting on January 29.

DR. ELIZABETH FELL celebrated her 25th Wedding Anniversary during the Christmas Holidays with lots of TLC; co-conducted a Classroom Management workshop for teacher's in-service in Tallassee, AL, on January 14; participated in TEP Orientation on January 15; conducted Kappa

Delta Pi officers meeting on January 22; and attended Merit Pay/Promotion Committee meetings.

DR. ADAIR GILBERT is serving as chairman for the local ASQC (American Society for Quality Control) Chapter for 1990-91. Dr. Gilbert presented a two-day seminar entitled "SPC for Short Production Runs" at the University of Alabama on December 11-12.

DR. DEBBIE GOODMAN attended Continuing Education Advisory Council meeting on December 12; spoke to Leadership Dothan on December 13; attended TSU System Development Coordinating Council on January 9; presented to TSU System Executive Committee the results of the system committee on implementation of "Distance Learning Strategies: Satellite and Microwave Applications" on January 16; and assisted with Career Day '91 on January 29.

DR. BETTY KENNEDY attended CPR seminar on January 10; met with the School of Education faculty and attended the "Stress Management" seminar on January 11; met with Ad Hoc committee to discuss adjunct faculty salaries on January 15; met with Dr. James Kimbrough to develop Special Education Cooperative program with TSU-Troy on January 17; served as SACS consultant to Abbeville Primary School on January 18; attended Administrative Council meeting on January 18; conducted "Time Management" workshop for managers at SAMC on January 23; attended State Department of Education meeting in Montgomery to discuss rules/standards changes for the preparation for school administration on January 24; attended TSUD Career Day on January 29; and conducted "Time Management" workshop for managers at SAMC on January 30.

MS. CHARLOTTE KIRKLAND is pursuing her Ed. D. in the Administration in Higher

Education program at the University of Alabama.

DR. FRANK LOVRICH served as judge for Channel 18/Church's Chicken selection of outstanding student-athletes in the Wiregrass on January 5; attended the banquet at Ramada Inn for student-athletes in the Wiregrass on January 6; served as chairperson of the Promotion and Tenure Committee on January 24; and attended ACHE meeting in Montgomery on January 25.

DR. RICHARD MARTIN, Faculty Advisor to the TSUD Chapter of Gamma Beta Phi, attended the GBP State Convention in Montgomery on January 25. The national organization recognized the TSUD Chapter with a Distinguished Chapter Award for last year's achievements. This year the National Convention will be in Nashville, Tennessee on April 5 - 7.

MS. DIANE MURPHY hosted a reception for fall quarter interns; met with TEP Admission Committee; met with representatives from TSU-Troy concerning the special education cooperative program; presented a Classroom Management Seminar with **DR. FELL** for Tallassee City Schools; held TEP orientation; and traveled to Beech Mountain, NC, for a skiing trip with the family.

DR. PRISCILLA McARTHUR attended the annual meeting of the Southern Association of Colleges and Schools (SACS) held in Atlanta on December 9 - 12.

MS. GAYLE OBERST presented a program to students of Alabama Aviation and Technical College entitled "Ethics in the Workplace" on December 11.

DR. MARY JO POLLMAN attended Academic Council meeting on December 3; attended board meeting of the Alabama Association of Young Children (AAYC) in Mobile on

December 8; was a tour guide for "Dinosaurs Alive" on December 7 and 14; attended President's Advisory Council meeting on January 10; attended TEP meeting on January 15; presented Whole Language Instruction: Implications for Early Childhood Teacher Educators to the Alabama Association of Early Childhood Teacher Educators on January 18 in Tuscaloosa; attended board meeting of AAYC on January 19 in Tuscaloosa; was appointed coordinator of student affiliate groups of the AAYC and was awarded a \$250 grant by the AAYC to continue work on the surveys to superintendents concerning the abolishment of standardized testing for young children; and attended Retiree's Reception Committee meeting on January 28.

DR. LEN ROBERTS addressed the Unitarian Fellowship of Tallahassee on the subject of "The Crisis in the Middle East" on December 30 and spoke to two sixth grade classes at Headland Middle School on "The Art of Western Civilization" on January 25.

DR. MARY EVE SHOAF played the piano for the TSUD Holiday Luncheon for faculty and staff; performed for the residents of the Professional Care Nursing Home in Dale, Indiana; attended the Alabama Music Educators Association In-service conference held at Samford University in Birmingham on January 3 - 5; attended the TSUD professional development workshop on "Telecommunications" on January 11; met with group from Landmark Park for the preparation of Kaleidoscope '91 on January 17; began process for initiating the TSUD Entertainment Group (for more information, see article in this issue of LOGOS); and met with board members of the Houston Arts and Humanities Council on January 24;

DR. JACK SUBLETTE attended TSU System Development Coordinating Council on Jan-

uary 9; attended meeting of Houston Arts and Humanities Council on January 10; attended meeting of TSU System administrators at TSUM and the ACHE Budget Hearing on January 11; attended TSU System Executive Committee and chaired the TSU System Committee on Central Services Costs on January 16; attended two-day retreat of the Wiregrass Leadership Institute at Lake Eufaula on January 16 -17; attended meeting of Coffee County group of the Wiregrass Leadership Institute on January 23; and attended Council of Presidents meeting and the ACHE Finance Committee meeting in Montgomery on January 24.

MS. ANN WELLS was selected to represent TSUD as an ambassador for the Dothan Area Chamber of Commerce. She attended the orientation of ambassadors on December 13 and the first meeting on January 10, where her team won the award of the month for making the most contacts. She attended a meeting to continue preparation for a seminar to introduce the Americans with Disabilities Act on December 18; attended the Houston County Health Council meeting on January 15; attended meetings in relation to a seminar being planned entitled "Coping with the Aging Process"; attended a retreat at Lakepoint Resort in Eufaula for the purpose of orientation of the participants of the Wiregrass Leadership Institute sponsored by the Southeast Alabama Regional Planning and Development Commission; was presented the President's Award at the 1990-91 installation banquet for the Dothan Board of Realtors for work done for two years when she served as Chairman of the Equal Opportunity Committee. This award is given by the president to the person who he feels has made the most meaningful contribution to the organization during that year.

MS. PAMELA WILLIAMSON attended the "Americans with Disabilities Act" seminar held at the Ramada Inn, Dothan, on January 16. Dr. Miles from the University of Alabama presented the program.

STUDENT SUPPORT SERVICES

The Student Support Services Program now has one hundred participants, but there is still room for more students in the program. Students have been served through personal tutors, career and personal counseling, and cultural enrichment activities. All participants were contacted and encouraged to attend Career Day '91 on campus.

In addition, on February 28, SSS students have the opportunity to attend the Alabama Shakespeare Festival's presentation of Julius Caesar and on April 21, the presentation of Inherit the Wind.

The TSUD SSS staff is committed to providing the concern, encouragement, and support to students to retain them at this University until they graduate. We feel this network will enhance students' chances of succeeding and assist in attaining their goals.

UNIVERSITY DELI

For those who consume **LOTS** of coffee, join the **COFFEE CLUB**. Students may pay \$10 per month, faculty and staff may pay \$7 per month. If a person drinks two cups per day, he will save \$2.80 per week.

The Special for February will be a **FREE** bag of chips with a purchase of a Pita Pocket for \$1.69.

Trying to serve you better,
The Deli Staff

The family of Arthur C. Calkins acknowledges with grateful appreciation your kind expression of sympathy. The spray was very beautiful. Thanks a million from the whole family.

Calkins Family
(Lynda Harper)

The family of Olive M. Townsend acknowledges in grateful appreciation your kind donation in her memory.

Townsend Family
(Diane Murphy)

Perhaps you sent a lovely card
Or sat quietly in a chair
Perhaps you sent a funeral Spray
Or sent a dish of food up there.
Perhaps you spoke the kindest words,
As any friend would say.
Perhaps you were not there at all,
Just thought of us that day.
Whatever you did to console our hearts,
We thank you so much whatever the part.

Appreciatively yours,
The Family of
Robert C. Patrick
(Dr. Sarah Patrick)
