## SPRING HONORS CONVOCATION RECOGNIZES OUTSTANDING INDIVIDUALS

Troy State University at Dothan hosted its fifth annual Spring Honors Convocation on May 8, 1992, at Calvary Baptist Church in Dothan. The Honors Convocation was initiated in 1988 to recognize outstanding students, faculty, staff, alumni, and community leaders associated with TSUD.

Dr. John Grimaldi, Plant Manager for Michelin Tire Corporation in Dothan, was the guest speaker.

Outstanding students from TSUD were recognized at the Honors Convocation. Each college/school presented the Dean's Award, Outstanding Student Award, and Student Service Award.

The Dean's Award is the highest award given within the school or college to both a graduate and undergraduate student in recognition of scholastic achievement, leadership and/or service to the University and community.

The Outstanding Student Award recognizes the most outstanding graduate and undergraduate student within each department in which a major is offered.

Student Service Awards recognizing outstanding service by a student to the school or college of the student's major were presented to

students in the College of Arts and Sciences and the School of Education.

Dr. Frank Lovrich, Vice President for Academic Affairs at Troy State University at Dothan, recognized the recipients of the Outstanding Faculty Award during the 1992 Spring Honors Convocation.

BIBLIOFILE contains all of the bibliographic records of TSUD, TSU-Troy, TSUM, TSU Phenix City, TSU Hurlbert Field, and Whiting. Each catalog can be searched separately. Once your search is complete, you may print out a bibliography of your search results.

BIBLIOFILE is very user friendly. You may use an attached telephone to be "talked" through your search. In addition, prompts appear at each stage of the search process.
