Beginning Fall Quarter 1993, Troy State University at Dothan and Chipola Junior College will agree to an affiliation for coordinated programs. TSUD, licensed by the Florida State Board of Independent Colleges and Universities, will provide necessary upper division undergraduate and graduate course work to satisfy TSUD's requirements for three initial academic programs including: 1) Bachelor of Science degree with a major in criminal justice; 2) Bachelor of Science in Business Administration degree with a major in management; and 3) Master of Science degree in the counseling and psychology program with concentrations in agency counseling and in corrections counseling.
