NOVEMBER 1995

NEWSLETTER FOR TSUD FACULTY AND STAFF

## Strategic Planning Committee update

Subcommittee work from the 4 external and 4 internal committees has been completed, and factors were forwarded to Dr. Patterson and the TSUD Executive Committee for their review.

The Executive Council, along with Dan Joslyn, consultant, and Dr. Patterson, refined and approved the 14 planning assumptions and 9 strategies to be used at all institutional levels to devise objectives for the next three-year planning cycle.

TSUD is now at the critical stage of the process that involves creative planning within realistic fiscal parameters. The 1996 objectives will be carried out within the constraints of the 1995/96 budget. Objectives for the subsequent two years of the plan will be used to inform each year's budget development. Strategic objectives will have priority each year.

In the coming weeks, TSUD personnel will be given the task of looking into the future and forming a vision of TSUD as the University would appear in the year 1999 (TSUD '99).

The next SPC meeting is scheduled for December 14.

Deans, various directors, and coordinators are to present their objectives to the appropriate vice president on January 15, 1996. The vice presidents will complete their review of area objectives by

January 19, and the Executive Council will review, coordinate, and approve objectives on January 22 & 23. A final draft will be completed and sent to the SPC by January 26. The final SPC meeting will take place on February 1, 1996.

## Concerts galore

The TSUD Community Band will be performing several Christmas concerts during the holiday season.

On Sunday, December 3, at 2:30 p.m., the band will perform at Florida Baptist Theological College in Graceville, FL. One week later, on Sunday, December 10, at 2:30 p.m., Houston Arts & Humanities Council will sponsor the TSUD Community Band Christmas Concert in Malone Hall's Thomas Harrison Room on the TSUD campus. The following evening, Monday, December 11, at 7:00 p.m., the band will perform at the food court in Wiregrass Commons Mall. The band will return to TSUD on Thursday, December 14, at 6:30 p.m., to perform during the annual Christmas Tree Lighting.

Mark your calendar and plan to attend at least one performance by the TSUD Community Band.

## No LOGOS for December

Because of the holiday break between fall and winter quarters, LOGOS will not be published for the month of December. TSUD faculty and staff are encouraged to list their November and December activities in the January issue. Happy Holidays!

## **A & S dean to continue coordinating Cooperstown Symposium on Baseball and American Culture**

Dr. Alvin L. Hall, dean of the College of Arts and Sciences, will continue to coordinate the annual Cooperstown Symposium on Baseball and American Culture. The Symposium is held each June in Cooperstown, New York, and is co-sponsored by the National Baseball Hall of Fame and Museum, Inc., and the State University of New York College at Oneonta. Dr. Hall previously served as dean of Continuing Education at SUNY-Oneonta.

The Cooperstown Symposium began in 1989 as part of the Fiftieth Anniversary of the Hall of Fame. Each year since, college and university-based scholars from all over the United States and Canada have gathered in Cooperstown to examine the impact of baseball on American culture. Following a keynote address by individuals such as Stephen Jay Gould, Donald Fehr, and Ken Burns, participants hear papers on baseball's influence, past and present. In addition, the Symposium has presented original drama, poetry and art depicting baseball as an integral part of American culture.

The 1996 Symposium will be held on June 12, 13, and 14. Abstracts for papers are due to Dr. Hall by January 15, 1996.

### Miscellanea

Sometimes it is refreshing to those of us in the library world to be reminded of the magnitude of what libraries have and do. Since 1988 the Academic Libraries Survey has been a component of the Integrated Postsecondary Education Data System and provides data on about 3500 academic libraries. I thought some of the numbers might be of interest to the university community. All figures are from 1992.

Total operating expenditures for libraries at 3274 institutions - 3.6 billion. Three largest expenditures - salaries and wages: 1.9 billion; current serial subscriptions - 639 million; print materials - 421 million. (Note serial expenditures; usually journals are more than print, books).

The libraries of the 500 doctoral-granting institutions accounted for 62 percent, or 2.3 billion, of the total operating expenditure dollars at all college and university libraries. This included 1.1 billion for salaries and wages, 467 million current serial subscription expenditures, and 253 million print material expenditures.

The number of volumes held at all academic libraries totaled 749 million. Doctoral institutions held 63% of the total or 471 million.

Total number of FTE equaled 96,000, including 26,000 librarians and other professional staff, 40,000 other paid staff, and 29,000 student assistants.

Academic libraries had 229 million circulation transactions: 78% from general collections and 21.2% from reserve collections. Libraries at doctoral institutions accounted for more than half of this total circulation with 129 million circulation transactions.

During 1994, the Library of Congress began the process of development of the National Digital Library. The Librarian of Congress plans to form a coalition of major institutions to convert important collections to digital formats. The coalition plans to have digitized 5 million images by the year 2000, making them available worldwide over computer networks. It also plans to digitize 60 Americana collections.

In March 1994, Congress authorized the establishment of the National Library of Education (NLE). The NLE is the largest federally funded library in the world devoted solely to education.

## From the TSUD Family

Thank you for the card and flowers sent to me during my recent surgery and recovery. Your cards, flowers and calls meant so much. Thank you for your kindness.

To the Library staff I would like to say an extra thank you for all that you did.

Sonja Woodham

Thank you for the wonderful "get well" note sent to my mother after her recent operation. I really appreciate the concern. She is doing fine; out and about as usual! Thank you all again.

Pat Schado

Thank you for the donation. Also, we appreciate your continued prayers. There is no way a person can prepare for such a tragic loss. Prayers and acts of love from others help as we suffer through the pain.

Thank you,  
Pierce Flatt

Alabama Christian Academy is honored to receive your recent donation which was sent in special memory of Steve Flatt.

We have acknowledged receipt of your gift to the Flatt family. I know they will be comforted by your thoughtfulness.
