

# 2018 NCEES Education Award

## \$10,000.00

WE are happy to inform the Surveying and Geomatic Sciences community in the state of Alabama that our Surveying and Geomatics Sciences Program at Troy University has again won an NCEES Education award. Our Program received one of the \$10,000 Education award. We are one of the **three best** programs in the country. See below a snippet of the congratulatory letter.

We want to thank you all for your contribution in making our Program a continued success. We in the Surveying and Geomatic Sciences Program at Troy University will continue to do our very best in developing our Program in directions where there is demand, by making it technologically attractive to the millennial generation, and by being resourceful in fulfilling the needs of all professions under the Geomatics umbrella.

We ask you to continue assisting us helping us recruit more students into our Surveying and Geomatics Sciences Program. Help us recruit, recruit, recruit!!!

June 29, 2018

Steve Ramroop, Ph.D.  
Troy University  
College of Arts and Sciences  
346 Wallace Hall  
Troy, AL 36081

Dear Dr. Ramroop:

Thank you for your submission for the 2018 NCEES Surveying Education Award, which recognizes surveying/geomatics programs that best reflect NCEES' mission to advance licensure for surveyors in order to protect the health, safety, and welfare of the public. The jury met on June 28 to judge the 13 entries, and I am pleased to notify you that your program was awarded a \$10,000 prize.

.....

An NCEES staff member will contact you soon about delivering the \$10,000 award to the college of arts and sciences. On behalf of NCEES, I congratulate you on your award and thank you for your efforts to support surveying licensure.

Sincerely,  
Jerry T. Carter  
Chief Executive Officer
