IV. Reports

A. Chancellor

Chancellor Hawkins and Dr. Doug Hawkins introduced new Board members Mrs. Karen E. Carter and Mr. Edward F. Crowell. Chancellor Hawkins added that Mrs. Carter has served as a member of the Troy University Foundation Board and is Vice President, State Farm. Mr. Crowell retired as Brigadier General from the United States Air Force Reserve and currently serves as Vice President with Miltope Corporation. Each was welcomed to the Board and presented with a framed certificate.

The Chancellor offered a brief update on agenda items to be considered by the Board to include the PACT policy, tuition, bond issue, and SACS.

In regard to governmental relations, Chancellor Hawkins advised that five Trustees were confirmed by the Senate. The TROY Statute was passed and signed into law, and highlights included the change in name to Troy University; to remove the State Superintendent slot from board composition; to reduce the number of geographic areas represented in the state from eight to seven by combining existing areas seven and eight into area seven; to provide for the appointment of an additional at-large trustee; to delete language providing for the staggering of terms of board members and dividing the board into three classes for such purpose; to specify that the Chancellor of Troy University is the chief executive officer of the entire university; and to delete all references to presidents of the various campuses of the university.

The Chancellor reported that the FY 2010 budget represents \$48,742,171 but with the \$4,599.282 stimulus money could bring the budget to \$53,341,453. This is an increase of \$3,204,632 over the FY '09 prorated budget. The O&M reflects a cut of 2.78% down from the 2.93% proposed by the Governor.

An update on SACS was given by the Chancellor and he stated that all team visits are complete and the report is being drafted. The University will see the vote on its reaffirmation process in December of this year. A SACS team will review our Doctor of Nursing Program in January 2010.

Chancellor Hawkins talked about the University's 2010-2015 Strategic Plan and said part of the SACS report will be used as the University moves forward into the next plan. The 2010-2015 Strategic Plan is on schedule to be presented to the Board in March of 2010 and be put into place in August 2010. Chancellor Hawkins added that the collective vision of the University includes new facilities, increase in scholarship awards, increase in study abroad, expanded use of technology with 100% of academic programs online, a College of Science & Technology, new doctoral programs, and a goal of 50,000 students.

It was noted by the Chancellor that the University, for the first time, received NCATE accreditation as a single unit for all four Alabama campuses.

Points of pride mentioned by the Chancellor included the induction of Coach Larry Blakeney as 1 of 10 in the state, into the Alabama Sports Hall of Fame; the election of Dr. Dianne Barron as President of the Conference for Southern Graduate Schools; the selection of Dr. Larry Blocher as a Lowell Mason Fellow in the National Association of Music; and the election of Ralph Ford to the American Bandmasters Association. It was noted that Mr. Ford is the state's only active bandmaster elected to the association. Other points of pride include the receipt of a grant to help plan ways to partner with the University of Liberia in areas pertinent to teacher preparation and education, reaccreditation by the National League of Nursing Accrediting Commission (NLNAC) Board of Commissioners, and a Global Campus award from the United States Pacific Command Educational Services Contract. Also, TROY's Criminal Justice Pistol Team placed third in the American Criminal Justice Association's national firearms competition in Jacksonville, FL.

The Chancellor shared an update on sports highlights stating that men's basketball placed 2nd in the Eastern Division and Coach Don Maestri was named Sun Belt Conference Coach of the Year. Women's basketball is 3rd place in the Eastern Division. Baseball is currently tied for 2nd place and softball finished the season in 2nd place. Also, Coach Melanie Davis was named Sun Belt Conference Coach of the Year. In football, the Trojans were 2008 conference champions. Sun Belt awards included Coach Larry Blakeney as Coach of the Year and Newcomer of the Year was awarded to Levi Brown. Future football schedules were shared and it was noted that in 2010 Troy will play the University of South Carolina and in 2011 & 2012 the U.S. Naval Academy.

Chancellor Hawkins also shared information on academic performance rate and added that Troy University athletes did extraordinarily well. NCAA minimum score is 925 and TROY was the only Division I institution in Alabama to have all teams above 925 and TROY was one of three Sun Belt institutions to have all team above 925. The Athletic Department recently completed an NCAA APR Audit with no findings.

B. SGA Report, Mr. Tim Parr

Tim Parr, outgoing SGA President, gave a brief review of accomplishments during the year. He said the SGA, in an effort to become more visible on campus, held the SGA elections in the SGA office in an effort to help familiarize the student body with the officers and office location. Mr. Parr reported on the SGA Retreat and added that the primary focus for the year was on a wide-spread recycling program. During the football season the SGA was fortunate to have the support from Troy's anti-litter committee and the Athletic Department to supply trash bags at tailgating events as well as across the entire campus. In October a new branch of the SGA, an International Forum, was established in an effort to help new international students become involved in the SGA. A book drive was also sponsored by the SGA. The SGA also passed a resolution recognizing the NAACP for its centennial. It was noted that Troy University was well represented at Higher Education Day in March.

Mr. Parr expressed his appreciation to the Board for its support of the SGA and the student body. He added that it was an honor for him to serve as a representative of the student body on the Board.

RESOLUTION NO. 1

Response to the Financial Challenges faced by Alabama's PACT Program

Whereas, the Troy University Board of Trustees recognizes that the Alabama's Prepaid Affordable College Tuition (PACT) program is under great duress if not in extremis; and

Whereas, this uncertain situation places in jeopardy the educational future of over 48,000 program subscribers; and

Whereas, Troy University stands ready to do its part in providing a level of relief to the parents of the students enrolled, as well as students applying for enrollment, at Troy University's Alabama campuses;

Therefore be it resolved that Troy University will hold harmless students who are participants in the Alabama PACT program through academic year 2012 by exempting them from increases in tuition above tuition rates in effect for the 2008-2009 academic year. Troy University will honor PACT contract holders by offering a tuition and fee waiver over and above the distributions made by PACT for any student enrolling at Troy University under the PACT program through academic year 2012.

Therefore be it further resolved that the Board of Trustees expects the PACT program to reimburse Troy University for any and all exemptions granted during this period should the financial position of the PACT program improve.

(Endorsed by the Executive Committee this 11th Day of March 2009 and approved by the Board of Trustees through mail ballot immediately thereafter.)

- **Resolution No. 2 –Tuition**

Mr. Harrison thanked Mr. Bookout for his report in explaining the need to raise the tuition rates. He said even with this increase it leaves Troy University lower than most of our competition. He added that based upon the unanimous recommendation of the Finance Committee, he moved to adopt Resolution No. 2.

ACTION: MR. HARRISON MADE A MOTION TO APPROVE RESOLUTION NO. 2. A SECOND WAS MADE BY MR. OWEN. WITH NO FURTHER DISCUSSION, RESOLUTION NO. 2 WAS APPROVED. MR. CROWELL ABSTAINED.

WHEREAS, Troy University's current undergraduate tuition structure charges a per-credit hour rate of \$177; and

WHEREAS, Troy University's current graduate tuition structure charges a per credit hour rate of \$200;

WHEREAS, a new tuition rate structure that increases all Alabama campus undergraduate and graduate student tuition that would partially offset the expected loss of revenue from the legislative appropriation;

THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES that Troy University proposes to increase the undergraduate tuition rate from \$177 to \$193 per credit hour with the understanding that the Chancellor is authorized to set the final rate after the legislative budget process is final; and

BE IT FURTHER RESOLVED, that the Board of Trustees proposes to increase the graduate tuition rate from \$200 per credit hour to \$220 per credit hour and for all Troy campus students, increase the existing Student Activity Fee currently set at \$9.00 per credit hour by removing the current 12 credit hour cap, and increase the General Student Fee from \$6.00 per credit hour to \$8.00 per credit hour for students at all Troy University Alabama campuses.

- **Resolution No. 3 -- Bond Issue**

Mr. Harrison introduced Resolution No. 3, adding that the facility projects discussed today are important to the University's growth. He added that the Finance Committee discussed this bond issue and on behalf of the Committee recommended adoption of Resolution No. 3.

The Chancellor and Treasurer are hereby entrusted and authorized to determine and approve in the Determination Document whether or not such refunding of the Series 2002 Bonds shall occur. Notwithstanding the foregoing, the Finance Committee of this Board is hereby authorized, on request of the Chancellor and Treasurer, to approve the issuance of a greater aggregate principal amount of Series 2009 Bonds.

(b) The Series 2009 Bonds shall be issued, if at all, subject to the discretion of the Chancellor and Treasurer, in consultation with the Purchaser, based on prevailing market conditions at the time or times of the proposed sale thereof, and then only in the manner, to the extent, and upon the terms and conditions set forth in Article V hereof. The issuance of any part or series of the Series 2009 Bonds shall in itself conclusively evidence the determination by the Chancellor and the Treasurer that market conditions at that time warranted the issuance of that part or series of the Series 2009 Bonds. Whether or not expressly so stated, all provisions of this Resolution relating to the Series 2009 Bonds and to the representations, covenants and undertakings of the University with respect thereto, shall be deemed qualified by the phrase "if the Series 2009 Bonds are issued".

(c) The Series 2009 Bonds shall be issued, subject to the discretion of the Chancellor and Treasurer of the University, in consultation with Bond Counsel, in one or more series, on a Tax-Exempt and/or Tax-Favored and (if required under the Code) Taxable basis; shall be generally designated "Troy University, General Student Fee Revenue Bonds, Series 2009", with such other or special designations as to any part or series thereof, if any, as the Chancellor and Treasurer are hereby authorized and entrusted to set forth in the Determination Document therefor; and shall be fully registered as to both principal and interest, with each separate series thereof numbered consecutively from R-1 upwards.

(d) The Chancellor and the Treasurer are hereby authorized and entrusted to make the following determinations, among others herein authorized, relating to each series of the Series 2009 Bonds, all of which shall be set forth in the Determination Document therefor: (1) the precise principal amount and authorized denominations thereof and, if applicable, the purposes (such as, for instance, the Improvements or portions thereof) to which the proceeds thereof shall be applied, (2) the dated date thereof, (3) the interest rate or rates, fixed and/or variable, to be borne thereby, and the interest payment dates thereof, (4) the precise series designation and numbers thereof, (5) the years and principal amounts in which they shall mature, in each case on November 1 of such years, and (6) the redemption and, if applicable, tender provisions thereof. Each Determination Document is hereby declared to be and shall be construed as an integral part of this Resolution.

Section 3.2 (a) In the event that less than all of the outstanding principal of any Series 2009 Bond is to be redeemed, the registered owner thereof shall surrender the Series 2009 Bond that is to be prepaid in part to the Depository in exchange, without expense to the owner, for a new Series 2009 Bond of like tenor except in a principal amount equal to the unredeemed portion of the Series 2009 Bond. In the event that less than all of the principal of the Series 2009 Bonds of a maturity is to be redeemed, the Depository shall assign numbers to each \$5,000 principal portion of all the Series 2009 Bonds of such maturity and shall, by process of random selection based upon such numbers, select the principal portion of the Series 2009 Bonds of such maturity to be redeemed.

(b) Notice of any intended redemption shall be sent by United States registered or certified mail not fewer than 30 days prior to the proposed redemption date to the owner of each Series 2009 Bond, all or a portion of the principal of which is to be redeemed. Notice having been so given and payment of the redemption price having been duly made or provided, interest on the Series 2009 Bonds (or principal portions thereof) so called for redemption shall cease to accrue from and after the date fixed for redemption unless default shall be made in the payment of the redemption price thereof.

Section 3.3 The principal of and redemption premium, if any, on the Series 2009 Bonds shall be payable at the principal corporate trust office in the City of Birmingham, Alabama, of the Depository, Regions Bank (formerly known as First Alabama Bank, which was the successor by merger to First Farmers and Merchants National Bank of Troy), in any coin or currency which on the respective dates of payment is legal tender for the payment of debts due to the United States of America. Interest on the Series 2009 Bonds will be paid by check or draft of the Depository, mailed to the registered owner of each Series 2009 Bond at the address thereof shown on the bond registration records of the University kept by the Depository as Registrar for the Bonds. The Series 2009 Bonds will be on a parity of lien with each other and with the other Parity Bonds.

Section 3.4 The Series 2009 Bonds shall be executed for and on behalf of the University with the manual or facsimile signature of the Chancellor and attested by the manual or facsimile signature of the Treasurer, and the corporate seal of the University shall be affixed to each Series 2009 Bond by imprinting thereon said seal or a facsimile thereof. In the event that any officer whose manual or facsimile signature appears on any of the Series 2009 Bonds shall cease to be such officer before the authentication, registration, and delivery of such Series 2009 Bonds, or in the event that the seal imprinted manually or in facsimile on any of the Series 2009 Bonds shall cease to be an accurate representation of the seal of the University, such Bonds may, upon the request of the University, be authenticated, registered, and delivered, as herein provided, as though the person who signed such Bonds had not ceased to be such officer of the University or as though the University had not altered its corporate seal prior to the delivery of such Bonds.

None of the Series 2009 Bonds shall be valid or obligatory for any purpose or shall be entitled to any right or benefit hereunder and under the Bond Resolution unless there shall have been endorsed thereon a certificate of authentication and registration in substantially the form set forth as part of the form of the Series 2009 Bonds attached as Exhibit A hereto, duly executed by the Depository, and such certificate of the Depository upon any Series 2009 Bond executed on behalf of the University shall be conclusive evidence and the only evidence that the Series 2009 Bond so authenticated has been duly issued, registered in the name of the owner thereof, and that said owner is entitled to the benefit hereof and of the Bond Resolution. The Depository's certificate of authentication and registration on any Series 2009 Bond shall be deemed to have been executed by it if manually signed by an authorized officer of the Depository, but it shall not be necessary that the same officer sign the certificate of authentication and registration on all of the Series 2009 Bonds.

Section 3.5 In case any of the Series 2009 Bonds shall be or become mutilated, destroyed, stolen or lost, then upon the surrender of such mutilated Bonds to the Depository, or the presentation to the University and to the Depository of evidence satisfactory to them, respectively, of the destruction, theft or loss of such Bond and that the claimant was the owner thereof at the time of such event and, in any event, upon being furnished with indemnity satisfactory to them, respectively, and upon the payment of all necessary expenses incurred by the University and the Depository in investigating said claim and in issuing a new Bond, the University shall issue and the Depository shall thereafter authenticate, register and deliver to or upon the order of such claimant a Series 2009 Bond of like tenor, date, principal amount and maturity as the Series 2009 Bond so mutilated, destroyed, stolen or lost, with such notations thereon as the University and the Depository shall determine.

Section 3.6 Each of the Series 2009 Bonds shall be fully registered as to both principal and interest in the name of the owner on registration books to be maintained for the purpose by the University at the principal corporate trust office of the Depository, which is designated as Registrar. The person in whose name each Series 2009 Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of, premium, if any, and interest on any such Bond shall be made only to or upon the order of the owner thereof, or his legal representative, and neither the University, the Depository nor any agent of the University shall be affected by any notice to the contrary, but such registration may be changed as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability of the University upon such Bond to the extent of the sum or sums so paid and each transferee of any of the Series 2009 Bonds takes it subject to all principal and interest payments in fact made.

The Series 2009 Bonds are issuable only in fully registered form. Each of the Series 2009 Bonds may be transferred by the owner in person or by authorized attorney, only on the books of the Depository and only upon presentation and surrender of the Bond to the Depository for cancellation with a written instrument of transfer acceptable to the Depository executed by the owner or his duly authorized attorney, and upon any such transfer, one or more new Series 2009 Bonds of authorized denominations and of like tenor shall be issued to the transferee in exchange therefor.

The owner of any Series 2009 Bond in a face amount greater than the smallest authorized denomination thereof may surrender the same in exchange for multiple Series 2009 Bonds of authorized denominations aggregating the same principal amount as the Bond so surrendered, with each such Bond having the same year of maturity and bearing interest at the same rate (which may be a variable rate) as the Bond so surrendered. The owner of two or more Series 2009 Bonds having the same maturity date and interest rate may surrender the same in exchange for a single Series 2009 Bond in the aggregate principal amount of the Bonds so surrendered and having the same year of maturity and bearing interest at the same rate as the Bonds so surrendered.

The Depository shall not be required to transfer or exchange any Series 2009 Bond during the period of 15 days next preceding any date on which either principal or interest or both is to be paid with respect to such Bond; and in the event that any Series 2009 Bond (or any part thereof) is duly called for redemption, the Depository shall not be required to exchange or transfer any such Bond during the period of 45 days next preceding the date fixed for such redemption. No charge shall be made for the privilege of

transfer or exchange, but the owner of any Series 2009 Bond requesting any such transfer or exchange shall pay any tax or other governmental charge required to be paid with respect thereto.

Section 3.7 The Chancellor and Treasurer are authorized, in the Determination Document, to determine, in consultation with the Purchaser, that the Series 2009 Bonds or any part or series thereof be initially issued in book-entry only form, if circumstances and other considerations at the time of issuance so warrant. In such event, the foregoing provisions of this Article III shall be deemed modified to the extent necessary to comport with any applicable requirements of The Depository Trust Company ("DTC") or other book-entry depository, as generally described in that certain Blanket Issuer Letter of Representations dated August 12, 2002 between the University and DTC.

Section 3.8 Any or all of the Series 2009 Bonds shall, for all purposes of this Resolution, be deemed fully paid and defeased if the Depository or other paying agent therefor shall be provided with the following:

(a) a trust agreement between the University and the Depository or such other paying agent providing for the retirement of such Series 2009 Bonds by creating for that purpose an irrevocable trust fund sufficient to provide for payment in full of such Series 2009 Bonds (including payment of interest thereon on and until maturity or redemption), either at maturity or upon redemption or a combination of the two, which trust fund shall consist of (1) cash sufficient for such purpose, or (2) noncallable direct obligations of the United States of America which are certified by an independent public accounting firm of national reputation to be of such maturities or redemption dates and interest payment dates, and to bear such interest, as will be sufficient for such purpose, alone or together with any moneys to which reference is made in clause (1) above, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (which earnings are to be held likewise in trust and so committed);

(b) a certified copy of a resolution of this Board calling for redemption those of the Series 2009 Bonds, if any, that are, according to said trust agreement, to be redeemed prior to their respective maturities;

(c) with respect to any Series 2009 Bonds issued on a Tax-Exempt or Tax-Favored basis, an opinion of Bond Counsel to the effect that the execution and carrying out of said trust agreement will not cause interest on those Series 2009 Bonds to cease to be Tax-Exempt or Tax-Favored, as the case may be; and

(d) evidence that any applicable requirements of the 1997 Supplemental Resolution have been satisfied.

ARTICLE IV

FORM OF SERIES 2009 BONDS

Section 4.1 The Series 2009 Bonds shall be in substantially the form of Exhibit A attached hereto and made a part hereof, containing the appropriate insertions and variations therein to conform to the provisions hereof and of the applicable Determination Document.

Section 4.2 The officers of the University are hereby authorized and directed to execute and register the Series 2009 Bonds in the manner and with the effect provided herein, and the Depository shall authenticate and deliver them as provided herein.

ARTICLE V

SALE AND DELIVERY OF SERIES 2009 BONDS; DISPOSITION OF PROCEEDS OF SALE

Section 5.1 (a) This Board hereby authorizes and approves the preparation by appropriate officials of the University, in consultation with Bond Counsel, the Purchaser and other professional advisers to the University, of a Preliminary Official Statement of the University (the "POS"), and the conversion by said officials and advisers of the POS into a final Official Statement of the University (the "Official Statement"), relative to the issuance and sale of the Series 2009 Bonds. This Board hereby further authorizes the distribution and use of the POS and the Official Statement by the Purchaser in the offering and sale of the Series 2009 Bonds. This Board further authorizes the Chancellor, in the Determination Document, to "deem final", for purposes and within the meaning of Rule 15c2-12(b)(1) of the SEC, the POS as of its date and to make such other and further representations with respect to the POS and Official Statement as may be customary and desirable.

In the event the Series 2009 Bonds are issued in more than one series and at different times, this Board hereby reaffirms and restates all of the foregoing authorizations for preparation, dissemination and

approval of a separate POS and Official Statement for each later-issued series; and all subsequent references herein to "the" POS or Official Statement shall mean and include the POS and Official Statement for each such series.

(b) The execution and delivery by the Chancellor of select copies of the POS and of the Official Statement, if so requested by the Purchaser, are hereby authorized.

(c) The University will, by the date on which the Purchaser shall have advised the University in writing that it intends to mail confirmations to prospective purchasers of Series 2009 Bonds, furnish to the Purchaser copies of the Official Statement in sufficient quantity to enable the Purchaser to comply with SEC Rule 15c2-12(b)(4) and the rules of the MSRB.

(d) If at any time prior to the Issue Date or within 90 days thereafter any event occurs which is within the Sphere of Knowledge of the University or the Purchaser and which causes the Official Statement as then in effect to contain any untrue statement of a material fact or omit to state any fact necessary to make the statements therein not misleading in any material respect, the University or the Purchaser, as the case may be, shall promptly notify each other and cooperate with each other in the preparation of an amendment of or supplement to the Official Statement which will correct such statement or omission. The University will advise the Purchaser promptly of any proposal to amend or supplement the Official Statement and will not effect any such amendment or supplement without the consent of the Purchaser. The University will advise the Purchaser promptly of the institution of any action, suit, proceeding, inquiry or investigation of which it has any knowledge seeking to prohibit, restrain or otherwise affect the use of the Official Statement in connection with the offering, sale or distribution of the Series 2009 Bonds.

(e) From the date of the Official Statement until 90 days after the Issue Date, if any event relating to or affecting the University shall occur which is known or becomes known to the Purchaser or Bond Counsel and as a result of which it is necessary, in the opinion of the Purchaser or Bond Counsel, to amend or supplement the Official Statement in order to make the Official Statement not misleading in the light of the circumstances existing at the time such event shall occur, the University will cause to be forthwith prepared and furnished to the Purchaser (at the expense of the University for 90 days after the Issue Date, thereafter at the expense of the Purchaser) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Purchaser and Bond Counsel) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at that time, not misleading.

(f) The University shall cooperate with the Purchaser in taking all actions necessary for the qualification of the Series 2009 Bonds for offer and sale (and the continuation of the effectiveness of such qualification so long as required for the distribution of the Series 2009 Bonds) and the determination of eligibility for investment in the Series 2009 Bonds under the laws of such jurisdictions as the Purchaser may reasonably request; provided, however, that the University will not be required to qualify as a foreign corporation or to do business or to file a general consent to service of process in connection with any such qualification in any jurisdiction other than the State of Alabama.

Section 5.2 The Chancellor and Treasurer are hereby entrusted to select and approve the Purchaser of the Series 2009 Bonds or any part or series thereof, and to confirm such selection in the Determination Document therefor. The Series 2009 Bonds are hereby awarded and sold to the Purchaser at a purchase price equal to (a) such percentage of the aggregate principal amount of each series thereof as is herein entrusted to be determined and approved by the Chancellor and Treasurer and confirmed in the applicable Determination Document, plus (b) wherever applicable, interest accrued on said aggregate principal amount of each such series from its dated date to but not including the Issue Date, (c) less such amount of original issue discount, if any, plus such amount of premium, if any, as are herein entrusted to be determined and approved by the Chancellor and Treasurer and confirmed in the applicable Determination Document. The Board authorizes the preparation or review by Bond Counsel, and the execution and delivery on behalf of the University by the Chancellor or the Treasurer, of a Purchase Agreement for the Series 2009 Bonds (including, if the Series 2009 Bonds are issued in more than one series and at different times, a separate Purchase Agreement for each later-issued series).

The Treasurer of the University is authorized and directed to make the necessary arrangements with the Purchaser to establish the date, location, procedure and conditions for the delivery of all or any series of the Series 2009 Bonds to the Purchaser or its order, and to take all steps necessary to effect due execution and delivery of those Series 2009 Bonds under the terms of this Resolution.

Section 5.3 The University may at any time or from time to time execute the Series 2009 Bonds, but before such Bonds shall be delivered to the Purchaser, there shall be filed, with the Secretary of the Board and the Depository, the instruments required by Article VII of the Bond Resolution.

The receipt of the Treasurer of the University shall be full acquittal to the Purchaser for the purchase price of the Series 2009 Bonds, and the Purchaser shall be under no obligation to see to the

application thereof. The University, however, shall hold the proceeds from the sale of such Bonds in trust, and shall dispose of the same only as provided in this Resolution. When received: (a) the part (if any) of the purchase price of the Series 2009 Bonds representing accrued interest thereon to the date of payment of such purchase price shall be transferred by the University to the Depository for deposit in the Bond Fund; (b) if the Series 2002 Bonds are being refunded, such sum as shall be specified in the Determination Document shall be deposited with the Depository for application to the payment on the applicable redemption date of the principal of and accrued interest on the Series 2002 Bonds; and (c) the balance of said purchase price shall be deposited by the University in the Series 2009 Construction Account.

If necessary, the Chancellor of the University is hereby authorized and empowered, on behalf of the Board, to determine and direct alternative allocations of the proceeds of all or any part or series of the Series 2009 Bonds and of amounts on deposit in the Bond Fund and Reserve Fund, such determination and direction to be made, if necessary, in the applicable Determination Document.

ARTICLE VI

SERIES 2009 CONSTRUCTION ACCOUNT

Section 6.1 (a) The University shall open and maintain one or more separate accounts to be known collectively as the "Series 2009 Construction Account" (with such additional designation as may be appropriate to distinguish the accounts, if more than one, from one another), in each case in a bank which is a member of the Federal Deposit Insurance Corporation or any agency which shall hereafter succeed to its functions and duties.

(b) The moneys in the Series 2009 Construction Account shall be applied only to pay or reimburse (i) costs of acquiring, constructing, furnishing and equipping those of the Improvements to which the Chancellor and Treasurer shall have determined the proceeds of that series of Series 2003 Bonds should be applied, including the repayment of any interim or temporary loans or advances made to or by the University for such purpose, and (b) expenses incurred in connection with the issuance of the Series 2009 Bonds. Withdrawals may be made by the University from the Series 2009 Construction Account by check or order accompanied by a certificate or certificates signed by an authorized officer of the University, stating the name of the payee and the amount and purpose of the payment. The bank serving as depository of any Series 2009 Construction Account (which may also be the Depository) shall not be responsible for the application of any moneys so withdrawn from said Account by the University.

(c) Any moneys on deposit in a Series 2009 Construction Account not required for current disbursements shall be invested in Permitted Investments, as hereinafter defined. Any such investments shall be payable in such amounts and at such times as may be necessary to meet required payments from that Series 2009 Construction Account. The earnings from any such investments shall be deposited in that Series 2009 Construction Account. No investment shall be made which would cause any Tax-Exempt or Tax-Favored series of the Series 2009 Bonds to be "arbitrage bonds" or "hedge bonds" as those terms are used in Section 148 and Section 149(g), respectively, of the Code. The depository for any Series 2009 Construction Account in which shall be held the proceeds of any Tax-Exempt or Tax-Favored series of the Series 2009 Bonds, by acceptance of its duties hereunder, agrees to keep such records and supply such information to the University as will enable the University to make any necessary rebate payments in full and timely manner, in accordance with Section 9.1(h) hereof.

(d) As used herein, "Permitted Investments" shall mean and include any of the following (unless proscribed by the issuer of any Policy, Alternate Credit Enhancement or Reserve Credit Facility securing all or any part or series of the Series 2009 Bonds):

(1) Cash (insured at all times by the Federal Deposit Insurance Corporation);

(2) Obligations of, or obligations guaranteed as to principal and interest by, the United States of America ("U.S.A.") or any agency or instrumentality thereof, when such obligations are backed by the full faith and credit of the U.S.A., including (i) U.S.A. treasury obligations, (ii) all direct or fully guaranteed obligations, (iii) Farmers Home Administration, (iv) General Services Administration, (v) Guaranteed Title XI financing, (vi) Government National Mortgage Association (GNMA), and (vii) State and Local Government Series;

(3) Obligations of any of the following federal agencies which obligations represent the full faith and credit of the U.S.A., including: (i) Export-Import Bank, (ii) Rural Economic Community Development Administration, (iii) U.S.A. Maritime Administration, (iv) Small Business Administration, (v) U.S.A. Department of Housing & Urban Development (PHAs), (vi) Federal Housing Administration, and (vii) Federal Financing Bank;

(4) Direct obligations of any of the following federal agencies which obligations are not fully guaranteed by the full faith and credit of the U.S.A.: (i) senior debt obligations issued by the Federal National Mortgage Association (FNMA) or Federal Home Loan Mortgage Corporation

(FHLMC), (ii) obligations of the Resolution Funding Corporation (REFCORP), (iii) senior debt obligations of the Federal Home Loan Bank System, and (iv) senior debt obligations of other Government Sponsored Agencies approved by Ambac;

(5) U.S.A. dollar denominated deposit accounts, federal funds and bankers' acceptances with domestic commercial banks which have a rating on their short-term certificates of deposit on the date of purchase of "P-1" by Moody's Investors Service, Inc. ("Moody's") and "A-1" or "A-1+" by Standard & Poor's Ratings Services ("S&P") and maturing not more than 360 calendar days after the date of purchase (note that ratings on holding companies are not considered as the rating of the bank in question);

(6) Commercial paper which is rated at the time of purchase in the single highest classification, "P-1" by Moody's and "A-1+" by S&P and which matures not more than 270 calendar days after the date of purchase;

(7) Investments in a money market fund rated "AAAm" or "AAAm-G" or better by S&P;

(8) Pre-refunded "Municipal Obligations" (herein defined as any bonds or other obligations of any state of the U.S.A. or of any agency, instrumentality or local government unit of any such state) which are not callable at the option of the obligor prior to maturity or as to which irrevocable instructions have been given by the obligor to call on the date specified in the notice; and (i) which are rated, based on an irrevocable escrow account or fund (the "escrow"), in the highest rating category of Moody's or S&P or any successor thereto; or (ii) (A) which are fully secured as to principal and interest and redemption premium, if any, by an escrow consisting only of cash or obligations described in clause (2) above, which escrow may be applied only to the payment of such principal of and interest and redemption premium, if any, on such Municipal Obligations on the maturity date or dates thereof or the specified redemption date or dates pursuant to such irrevocable instructions, as appropriate, and (B) which escrow is sufficient, as verified by a nationally recognized independent certified public accountant, to pay principal of and interest and redemption premium, if any, on such Municipal Obligations on the maturity date or dates thereof or the specified redemption date or dates pursuant to such irrevocable instructions, as appropriate;

(9) Municipal Obligations rated "Aaa/AAA" by both Moody's and S&P or general obligations of states of the U.S.A. rated "A2/A" or higher by both Moody's and S&P; and

(10) other forms of investments (including investment agreements and repurchase agreements) which may be approved in writing by the issuer of any Policy, Alternate Credit Enhancement or Reserve Credit Facility securing all or any part or series of the Series 2009 Bonds.

ARTICLE VII

CONTINUING DISCLOSURE AGREEMENT

Section 7.1 The University makes the covenants set forth in this Article VII as an agreement (this "Continuing Disclosure Agreement") for the benefit of the holders and beneficial owners from time to time of the Series 2009 Bonds, in accordance with the requirements of SEC Rule 15c2-12 (the "Rule"), with terms used in this Article having the meanings given to them or incorporated by reference in the Rule. This Continuing Disclosure Agreement constitutes a part of the contract between the University and such holders and beneficial owners, pursuant to Section 13.2 of the Bond Resolution; provided, however, that as to matters of default, remedy and amendment with respect to this Continuing Disclosure Agreement, the provisions of this Article VII shall govern.

Section 7.2 The University undertakes to provide, either directly or indirectly through such agent as the University may designate from time to time:

(a) To each "nationally recognized municipal securities information repository" ("NRMSIR") and to the information depository (if any) from time to time designated by the State ("SID"), within 180 days following the end of each Fiscal Year, unaudited annual financial information concerning the University, which shall be internally prepared by appropriate officials of the University in conformity with accounting principles generally accepted in the United States of America;

(b) To each NRMSIR and to the SID, when and if available, audited financial statements of the University;

(c) To each NRMSIR or to MSRB, at 1900 Duke Street, Suite 600, Alexandria, VA 22314-3412 (or at such different address as MSRB may have from time to time), and to the SID, notice in a timely manner of any of the following events, within the meaning of Rule 15c2-12, with respect to the Series 2009

Bonds, if material: (1) principal and interest payment delinquencies; (2) non-payment related defaults; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions or events affecting the Tax-Exempt or Tax-Favored status of any Series 2009 Bonds issued on a Tax-Exempt or Tax-Favored basis; (7) modifications to rights of holders of Series 2009 Bonds; (8) bond calls; (9) defeasances; (10) release, substitution or sale of property securing repayment of the Series 2009 Bonds; and (11) rating changes; and

(d) To each NRMSIR and to the SID, notice in a timely manner of a failure of the University to provide the annual financial information referenced in subsection (a) above within the period of time therein specified.

Section 7.3 The exclusive remedy for any breach of this Continuing Disclosure Agreement by the University shall be limited, to the extent permitted by law and as hereinafter provided, to a right of holders and beneficial owners, or the Depository, to cause proceedings in equity to be instituted and maintained to obtain the specific performance by the University of its obligations hereunder. Any individual holder or beneficial owner may institute and maintain, or cause to be instituted and maintained, such proceedings to require the University to provide or cause to be provided a pertinent filing if such filing is due and has not been made. Any such proceedings to require the University to perform any other obligation under this Continuing Disclosure Agreement (including any proceedings that contest the sufficiency of any pertinent filing) shall be instituted and maintained only by the Depository, which may institute and maintain any such proceedings in its discretion and shall do so, subject to the same conditions, limitations and procedures that would apply under the Bond Resolution if the breach were a default under the Bond Resolution, at the direction of the holders of at least 60% in aggregate principal amount of the Series 2009 Bonds then outstanding, excluding any Series 2009 Bonds held by or for the account of the University. Any failure of the University to comply with the provisions of this Continuing Disclosure Agreement shall not be a default under the Bond Resolution.

Section 7.4 This Continuing Disclosure Agreement may be amended, and noncompliance by the University with any provision of it may be waived, as may be necessary or appropriate to achieve its compliance with any applicable federal securities law or rule, to cure any ambiguity, inconsistency or formal defect or omission, and to address any change in circumstances arising from a change in legal requirements, change in law or change in the identity, nature or status of the University or the type of business conducted by the University. Any such amendment or waiver shall not be effective unless this Continuing Disclosure Agreement (as amended or taking into account such waiver) would have complied with the requirements of the Rule at the time of the primary offering of the Series 2009 Bonds, after taking into account any applicable amendments to or official interpretations of the Rule, as well as any change in circumstances, and until either (a) the University and the Depository shall have received a written opinion of Bond Counsel or other qualified independent special counsel selected by the Depository, or the Depository shall have determined, that the amendment would not materially impair the interests of holders or beneficial owners of the Series 2009 Bonds, or (b) the Depository shall have received the written consent to the amendment or waiver of the holders of at least a majority in aggregate principal amount of the Series 2009 Bonds then outstanding, excluding any Series 2009 Bonds held by or for the account of the University.

Section 7.5 The obligations of the University under this Continuing Disclosure Agreement shall remain in effect only for such period that (a) the Series 2009 Bonds are outstanding in accordance with their terms and (b) the University remains an obligated person with respect to the Series 2009 Bonds within the meaning of the Rule. The obligation of the University to provide notices of material events shall terminate, if and when the University no longer remains an obligated person with respect to the Series 2009 Bonds, provided that the University shall provide notice of such termination to MSRB and the SID.

ARTICLE VIII

SOURCES OF PAYMENT OF BONDS: PLEDGES, FUNDS AND THE APPLICATION THEREOF

Section 8.1 The Series 2009 Bonds are issued as Parity Bonds under the Bond Resolution and all applicable provisions of the Bond Resolution referring to the Bonds shall be construed to refer to the Series 2009 Bonds as well as all other Bonds issued thereunder, and the moneys in the Bond Fund and the moneys in or other securities held to the credit of the Reserve Fund shall be applied for the payment and benefit of all such Bonds to the extent and in the manner therein provided, even though all or a portion of such moneys may have been paid into the Funds prior to the issuance of the Series 2009 Bonds -- all to the end that the Series 2009 Bonds shall be secured in all respects on a parity with all other Parity Bonds. Neither the principal of nor the interest on any of the Bonds, including the Series 2009 Bonds, shall constitute an obligation or debt of the State within the meaning of any constitutional or statutory provision whatsoever. The Bonds shall not be a charge on the general credit or the tax revenues of the State, and shall not in any event be payable out of any moneys at any time provided for or appropriated by the State. Neither the State nor the University shall be obligated, directly or indirectly, to contribute any funds, property or resources to

the payment of the Bonds, except the fees and moneys pledged and the moneys in the Bond Fund and the moneys in or other securities held to the credit of the Reserve Fund, as provided in the Bond Resolution and this Resolution. Reference is made to Article XI of this Resolution regarding the authorization to commence negotiations for the issuance and delivery of a Policy or Alternate Credit Enhancement, as additional security for the Series 2009 Bonds.

Section 8.2 The semiannual payments into the Bond Fund as provided for in Section 8.4 of the Bond Resolution shall be adjusted to provide for such additional amounts as may be necessary to pay the principal of and interest on the Series 2009 Bonds, as well as all other outstanding Bonds. In determining the amounts to be transferred by the Depository to the Bond Fund on or before April 25 and October 25 in each year as provided in Section 8.4 of the Bond Resolution, the Bonds shall be deemed to include the Series 2009 Bonds as well as all other outstanding Bonds. In the event any series of Series 2009 Bonds may require deposits to the Bond Fund to pay interest on that series of the Series 2009 Bonds more frequently than semi-annually, the Chancellor and Treasurer are hereby authorized and empowered to set forth such deposit dates in the applicable Determination Document. In making any such transfers to the Bond Fund, the Depository shall take account of and give credit for any moneys paid therein from the proceeds of the Series 2009 Bonds, and any amounts paid therein pursuant to the covenant contained in Section 8.1 of this Resolution.

Section 8.3 In accordance with Section 7.4 of the Bond Resolution, as amended by the 1997 Supplemental Resolution, on or before the Issue Date, and as a further condition precedent to the issuance of any series of the Series 2009 Bonds, the University shall deposit or cause to be deposited with the Depository an amount equal to the Maximum Annual Debt Service Requirement in respect of those Series 2009 Bonds, provided that such condition may be satisfied by delivery to the Depository of a Reserve Credit Facility (such as the 2001 Surety Bond, the 2003 Surety Bond or the 2007 Surety Bond) in face amount equal to such Maximum Annual Debt Service Requirement. Reference is made to Article XI of this Resolution regarding the authorization to commence negotiations for the issuance and delivery of a Reserve Credit Facility satisfying such Maximum Annual Debt Service Requirement.

Section 8.4 All additional payments into the Bond Fund and any payments into or securities added to the credit of the Reserve Fund as hereinabove provided shall be made in the same order, with the same priority and from the same sources as the payments provided to be made into the Funds by the Bond Resolution.

ARTICLE IX

TAX-RELATED REPRESENTATIONS AND COVENANTS

Section 9.1 Any reference in this Article IX to the "Series 2009 Bonds" shall be deemed to refer, on a series by series basis, only to that series or those series of Series 2009 Bonds issued on a Tax-Exempt or Tax-Favored basis. The University makes the following representations, warranties and covenants as the basis for its issuance of the Series 2009 Bonds, which representations, warranties and covenants are intended to be relied upon:

(a) The University warrants that the interest on any Tax-Exempt Series 2009 Bonds is and will continue to be excludable from the gross income of the owners thereof for federal income tax purposes. The University will continually comply with all requirements imposed by the Code as conditions to the exclusion from gross income for federal income tax purposes of the interest on any Tax-Exempt Series 2009 Bonds. The University warrants that any Tax-Favored Series 2009 Bonds do and will throughout the life of the issue continue to meet all requirements imposed by the Code to be and remain Tax-Favored.

(b) The University will not apply or permit the proceeds of the Series 2009 Bonds to be applied in a manner that would cause any of them to be deemed "private activity bonds" within the meaning of Section 141 of the Code. There are and will be no leases from the University to any person or any other arrangement, express or implied, that would result, in the aggregate, in (i) the use, directly or indirectly, for any "private business use", within the meaning of Section 141(b) of the Code, of more than five percent (5%) of (A) those Improvements financed with the proceeds of the Series 2009 Bonds, (B) the improvements financed with the proceeds of the Series 2002 Bonds, or (C) the proceeds of the Series 2009 Bonds; or (ii) the payment of debt service on more than 5% of the proceeds of the Series 2009 Bonds being directly or indirectly (A) secured by any interest in property used or to be used for any such "private business use" or in payments in respect of such property or (B) derived, directly or indirectly, from payments (whether or not to the University) in respect of property or borrowed money used or to be used for any such "private business use"; provided, however, that the 5% limit set forth in clause (i) and/or (ii) may be exceeded if Bond Counsel opines that that will not cause interest on the Series 2009 Bonds to cease to be Tax-Exempt or (if applicable) that that will not cause the Series 2009 Bonds to cease to be Tax-Favored.

(c) The University will not use (directly or indirectly) any of the proceeds of the Series 2009 Bonds to make or finance loans to any persons.

(d) Except to the extent permitted under Section 149(b)(3) of the Code, (i) payment of principal of or interest on the Series 2009 Bonds is not directly, indirectly or otherwise guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof), and (ii) none of the proceeds of the Series 2009 Bonds will be used to make loans the payment of principal or interest with respect to which is to be guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof).

(e) The University covenants that it will restrict the use and investment of the proceeds of the Series 2009 Bonds in such manner and to such extent, if any, and take or refrain from taking such other actions, all as may be necessary, after taking into account reasonable expectations at the time of the delivery of and payment for the Series 2009 Bonds, so that the Series 2009 Bonds will not constitute "arbitrage bonds" within the meaning of Section 148 of the Code or "hedge bonds" within the meaning of Section 149(g) of the Code.

(f) The Chancellor and the Treasurer of the University are hereby authorized to execute and deliver an appropriate certificate of the University (the "Tax Compliance Certificate") for inclusion in the transcript of proceedings for the Series 2009 Bonds, to be made as of the Issue Date. The Tax Compliance Certificate shall, among other things, reaffirm as of its date the continuing accuracy, completeness and correctness of the tax-related representations herein contained, set forth the reasonable expectations of the University regarding the amount and use of all the proceeds of the Series 2009 Bonds and the facts and estimates on which those expectations are based, and contain such other and further representations and covenants on the part of the University as Bond Counsel or the Purchaser shall request to evidence the Tax-Exempt or Tax-Favored status, as the case may be, of the Series 2009 Bonds and the commitment of the University to maintain the same. The University hereby agrees to perform any such covenants contained in the Tax Compliance Certificate.

(g) The University will make such informational reports as may be required under the Code, and in particular Section 149(e) thereof, with respect to the issuance of the Series 2009 Bonds.

(h) The University covenants that it will (i) apply the proceeds of the Series 2009 Bonds to the governmental purposes of the borrowing, (ii) make timely rebate payments to the United States, if any are required, and (iii) maintain books and records and make calculations and reports necessary to make and to evidence sufficient rebate payments.

Section 9.2 In the event that the aggregate principal amount of Series 2009 Bonds issued during calendar year 2009 or 2010 is equal to or less than \$30,000,000, the Chancellor is hereby authorized, upon consultation with Bond Counsel, to designate such Series 2009 Bonds as "qualified tax-exempt obligations" within the meaning and for purposes of Section 265(b)(3)(B) of the Code. Such designation, if made, shall be made in the Determination Document or the Tax Compliance Certificate for that series of Series 2009 Bonds and shall be accompanied by such representations and warranties as are customarily made in connection with such a designation.

ARTICLE X

REFUNDING OF SERIES 2002 BONDS

Section 10.1 All provisions of this Article X shall be effective if and only if the Chancellor and Treasurer, in the exercise of the discretion herein vested in them, shall have determined, based on prevailing market conditions, to proceed with the issuance of Series 2009 Bonds for the purpose of refunding the Series 2002 Bonds.

Section 10.2 This Board hereby calls for redemption, on that Business Day selected by the Chancellor and Treasurer in the applicable Determination Document, which date shall nevertheless enable the Depository to give the prescribed 30 days' advance notice thereof and be not be more than 90 days following the Issue Date of that part or series of the Series 2009 Bonds being issued to effect such redemption, all of the Series 2002 Bonds which are outstanding as of that date. This Board further declares and determines that the foregoing call for redemption is irrevocable.

Section 10.3 This Board hereby finds and determines that this Resolution, together with the applicable Determination Document, constitutes the "trust agreement" referenced in Section 10.3(a) of the Series 2002 Resolution. This Board further finds and determines that this Resolution, together with the applicable Determination Document, fully satisfies the requirements of Section 10.3(b) of the Series 2002 Resolution, in order that the Series 2002 Bonds be deemed fully paid and defeased upon the issuance of that part or series of the Series 2009 Bonds being issued to effect the aforesaid redemption.

ARTICLE XI

EFFORTS TO OBTAIN CREDIT ENHANCEMENT

Section 11.1 The Chancellor and the Treasurer are hereby authorized and directed to enter into negotiations as promptly as is practicable with MBIA, Ambac and/or such other municipal bond insurers or providers of Alternate Credit Enhancement as the Purchaser may recommend for the purpose of obtaining (i) a Policy and/or Alternate Credit Enhancement covering all or any part or series of the Series 2009 Bonds and (ii) a Reserve Credit Facility, analogous to the 2001 Surety Bond, the 2003 Surety Bond or the 2007 Surety Bond, satisfying the Maximum Annual Debt Service Requirement for all or any part or series of the Series 2009 Bonds. Such officers are authorized and directed to provide to the insurers and providers of Alternate Credit Enhancement such financial and other information regarding the University, including without limitation such information as appears or will appear in the POS, as they may reasonably require to reach a credit and pricing decision. If successful in obtaining satisfactory commitments for such Policy and/or Alternate Credit Enhancement and Reserve Credit Facility, the Chancellor and the Treasurer are hereby authorized to execute and deliver, subject to the review of Bond Counsel, any and all documents (including without limitation one or more commitment letters or reimbursement agreements and a guaranty agreement with the provider of such Reserve Credit Facility similar to the 2001 Guaranty, the 2003 Guaranty or the 2007 Guaranty), and to take any and all other actions (including without limitation the payment of the agreed-upon premiums therefor), necessary to consummate the issuance of such Policy and/or Alternate Credit Enhancement and Reserve Credit Facility. The Chancellor and Treasurer are further authorized, subject to the review of Bond Counsel, to approve and adopt, in the Determination Document, such provisions and amendments supplementing this Resolution as are customarily requested and approved in connection with the issuance of such Policy and/or Alternate Credit Enhancement, which provisions and amendments shall appear as an appendix to the Determination Document and are hereby authorized to be designated and to constitute "Article XIV" of this Resolution.

ARTICLE XII

MISCELLANEOUS

Section 12.1 This Resolution is adopted as a Supplemental Resolution in order to provide for the issuance of the Series 2009 Bonds as Parity Bonds pursuant to Article VII of the Bond Resolution, and the provisions of this Resolution shall be so construed. All provisions, covenants, terms, conditions, rights and remedies set forth in the Bond Resolution, as hereby supplemented, are hereby ratified and reaffirmed and are hereby adopted as being applicable to and shall for any and all purposes apply to the Series 2009 Bonds, as if such Bonds had been originally issued under the Bond Resolution.

Section 12.2 This Board hereby authorizes Bond Counsel to prepare such other and further documents, certifications, assignments and instruments as Bond Counsel, the Depository or the Purchaser may require or as may be necessary or appropriate to consummate the transactions contemplated in this Resolution, including without limitation any certificates or reports referred to in Articles IX or XI hereof. The Chancellor, Treasurer or any other appropriate officer or agent of the University is hereby authorized and directed to execute and deliver any and all such additional documents or certificates, including without limitation any elections made to establish Tax-Favored status or for any other tax-related reason.

Section 12.3 If any one or more of the covenants, agreements or provisions provided in this Resolution shall be contrary to law, then such covenant or covenants, agreement or agreements, provision or provisions shall be null and void, and shall in no way affect the validity of the other provisions of this Resolution or of the Series 2009 Bonds.

Section 12.4 This Resolution shall take effect upon its adoption by the Board, as evidenced by the endorsement hereon by the undersigned officers of the Board.

ARTICLE XIII

ALTERNATIVE METHODS FOR INCURRING INDEBTEDNESS

Section 13.1 This Board hereby acknowledges that the Bond Resolution, having been originally prepared in 1969, may contain provisions and requirements that have become antiquated, superfluous and inefficient in light of the changes in financial practices and opportunities that have occurred in the ensuing 40 years. In recognition of this possibility, and in order to provide greater flexibility to the University to finance or refinance new and existing facilities, the Board hereby authorizes the Chancellor and Treasurer, working in conjunction with Bond Counsel, the University's financial advisors, and the rating agencies:

(i) to explore alternative methods for the University's incurring of indebtedness, including without limitation entry by the University into one or more new trust indentures or similar instruments that would

enable the University to incur debt (A) secured by a pledge of General Student Fees subordinated to the pledge thereof securing Parity Bonds under the Bond Resolution, (B) secured by a pledge of revenues or moneys other than General Student Fees, and/or (C) secured in other innovative ways not deleterious to the marketability of such debt; and

(ii) if, in the discretion of the Chancellor and Treasurer, any such alternative method or methods prove feasible, to execute and deliver, for and on behalf of the University, such new trust indentures or similar instruments and such other and further documents, certifications, assignments and instruments (including without limitation bonds, notes, or other evidences of indebtedness issued by the University pursuant to any such new indenture or similar instrument, which bonds may in whole or in part replace the Series 2009 Bonds otherwise authorized hereunder) as may be necessary or appropriate to consummate the incurring of indebtedness pursuant to such alternative method or methods.

Neither the principal of nor the interest on this Bond shall constitute an obligation or debt of the State within the meaning of any constitutional or statutory provision whatsoever. This Bond shall never be payable from any funds at any time provided for or appropriated by the State, and shall not be a charge on the general credit or tax revenues of the State. Neither the State nor the University shall be obligated, directly or indirectly, to contribute any funds, property or resources to the payment of the Bonds or the interest thereon, except the Revenues.

In conclusion, Mr. Harrison inquired of Mr. Bookout as to where the findings in the recent audit report had been addressed. Mr. Bookout responded that it has been handled.

- **Academic Affairs Committee, Honorable Gerald Dial**

Mr. Dial called upon Dr. John Dew, Associate Vice Chancellor for Institutional Research, Planning and Effectiveness, to provide an update on SACS.

- **SACS After-action**

Dr. Dew reported that the on-site SACS team has completed visits to all campuses and the draft report is being prepared. The team was very pleased with interactions with students and faculty, impressed by our facilities, and believes Troy is years ahead of other institutions in our eCampus offerings. However, the University still has issues to address. Dr. Dew said that we must show evidence that our full-time faculty are providing oversight of our overseas and domestic programs, and have time to conduct research. The team was very supportive of the focus of the Quality Enhancement Plan –Creating a Culture of Reading. However, we will need to narrow the scope of our activities for the plan. Dr. Dew further added that the team would like us to improve our institutional effectiveness system for planning and assessing programs in all locations. The team identified administrative issues that included the following: (1) would like us to improve our institutional effectiveness system for planning and assessing programs in all locations; and (2) administrative issues in Global Campus to address, such as review of Memorandums of Understanding, more details on faculty credentials, and more attention to information on partners' web sites. Dr. Dew added that the University's next steps are as follows:

- to review the team's report when it is received in May for fact checking
- An action plan has already been developed to address the issues that the team has identified
- Goal is to have responses ready by the end of July with final submission dues in September
- SACS will then review the team's report and the University's responses and provide feedback with any recommendations in December, 2009

Dr. Dew responded to comments and questions from Board members.

- **Yellow Ribbon Program**

Dr. Earl Ingram, Vice Chancellor of Global Campus, briefed Board members on the Yellow Ribbon Program. He said the Yellow Ribbon GI Education Enhancement Program (Yellow Ribbon Program) is a provision of the Post-9/11 Veterans Educational Assistance Act of 2008. This program allows institutions of higher learning (degree granting institutions) in the United States to voluntarily enter into an agreement with the Veteran Administration to fund tuition expenses that exceed the highest public in-state undergraduate tuition rate. He added that the institution can waive up to 50% of those expenses and the VA will match the same amount as the institution. Institutions that voluntarily enter into a Yellow Ribbon Agreement with the VA choose the percentage of tuition and fees that will be waived and the VA will match that percentage and issue payment directly to the institution. He added that in late March the Chancellor's Cabinet approved and pledged the support of military veterans and active-duty personnel who are attending college by providing the maximum tuition assistance available under the Yellow Ribbon Program. This initiative further demonstrates Troy University's commitment to support veterans and active-duty students.

Dr. Ingram responded to comments and questions from the Board members.
