

Career Peer Mentor

Troy University Career Services

What is a Career Peer Mentor?

The Career Peer Mentors serve as a bridge between the Career Services Office and the Troy University student population. A Career Peer Mentor is a student who serves to assist Career Services in reaching out to, educating, and advising Troy University students on resources through one-on-one interactions and group presentations.

What does a Career Peer Mentor do?

The Career Peer Mentor's mission is to serve as the link between Career Services and the student body for purposes of outreach and career education. Career Peer Mentors will assist with the following:

- *Campus Promotion of Career Events
