

DIVISION OF STUDENT SERVICES

The Division of Student Services provides services and support for students at all campuses and sites, assuring a wide range of opportunities for a diverse student population. Students, who come to Troy University with hopes and high expectations, face choices and challenges which can be channeled into positive directions or which can prove to be overwhelming. The Student Services staff believes that educators both within and outside the classroom can make a positive difference in the lives of students. Education of the whole person, which is the purpose of the programs and services offered, helps students meet their expectations and expand understanding of themselves and their world. Staff members may guide many students' experiences but the student is ultimately responsible for personal choices and decisions. As educators, the staff strives to assure that those choices are sound and the decisions are well-reasoned. When things go well for students, staff builds on that experience, first providing recognition and acclaim and then challenging them to seek new experiences. In times of disappointment, staff members provide support and then gentle prodding to move past the disappointment.

The Student Services staff is also responsible for operating facilities, running businesses, supporting programs, and providing cost-effective services to meet the needs of our students. As good stewards of the resources at Troy, the staff strives to respond to changing interests and remain student centered in all we do.

Through Student Services, Troy University seeks to prepare students for full citizenship in a global community, at work, at play, in fellowship, and in personal fulfillment. The following are the campus offices that are a part of the Division of Student Services: Dean of Student Services, Housing and Residence Life, Student Center and Conference Services, Student Involvement and Leadership, University Health Center, Personal Counseling, Student Recreation and Intramurals, Transportation, Security Access and CCTV and University Police. For a more detailed description of services, please refer to the student handbook, *The Oracle*.
