

GENERAL STUDIES PROGRAM

A major portion of a student's first- and second-year studies is a common curriculum of courses called the General Studies Program. The General Studies Program is designed to provide a fundamental basis for lifelong learning and advanced studies. General studies courses may not be used in meeting requirements for both the General Studies Program and the requirements for a major or minor. Students are strongly encouraged to complete at least 36 hours of the General Studies Program before registering as a junior.

Requirements for the General Studies Program may change without notice. For transfer guides and complete information regarding the Statewide Transfer and Articulation Reporting System (STARS) and the Alabama Articulation and General Studies Committee (AGSC), please visit stars.troy.edu.

The student must complete a six hour sequence in Literature or History. This sequence must be within the same content areas for the selected discipline (i.e., six hour in American Literature or six hours in World History). This requirement may be met in Area II or Area IV. Some major programs specify this sequence. The student should consult the listing of specialized general studies requirements for the selected major.

Some programs, majors or minors may have specialized general studies requirements. Consult the descriptions of these programs in this Catalog for information about specialized general studies requirements. For further information, the student should contact the academic advisor.
