

GENERAL INFORMATION

For information about the features of each Troy University location, please consult the university website. Students may also contact their academic advisers or registrar.

Academic Support

Troy University offers students a variety of academic support services, including resources to assist students in areas such as technology, career planning, study skills, academic planning, and tutoring in selected subjects. Students at the Troy Campus may also participate in the First-Year Studies Program geared to the needs of students making the transition to college from high school or post-high school experiences.

Students should contact the registrar or an academic adviser at their campus locations for more information about available resources.

Alumni Association

The Troy University Alumni Association's sole purpose is to establish mutually beneficial relations between Troy University and its alumni. Alumni Affairs coordinates the activities of this association, promotes alumni services, and establishes scholarships. In addition, Alumni Affairs maintains and updates alumni records and broadens communication between alumni and the university. Through these activities and services, the university is able to respond to the needs of its constituents thus enabling alumni to respond to the needs of the university. Additional information regarding these activities and services can be obtained by calling Alumni Affairs at (334) 670-3318 or 1-877-487-6978.

Centers and Institutes

Center for Design, Technology and Innovation

Better known as <<dti>>, the Center for Design, Technology and Innovation is a design think tank housed within the Department of Art and Design at Troy. Synthesizing an aggressive, multi-disciplinary design education with the varied visual communication demands of the global marketplace, <<dti>> is responsible for developing design strategies for qualifying businesses, industries and not-for-profit organizations.

Center for International Business and Economic Development

The Center for International Business and Economic Development (CIBED) is an administrative unit of the Sorrell College of Business. The CIBED coordinates the outreach and research activities of the college and directs the economic development undergraduate and graduate programs. CIBED offices are located at all Troy University campuses in Alabama to enable personnel to be involved in the economic and community development of the region and to extend assistance to existing small businesses, industries and governmental agencies.

The Center for Business and Economic Services (CBES) within the CIBED was established in 1974. CBES activities include applied research, educational activities and management consulting. The CIBED also publishes the "Troy University Business and Economic Review" and co-edits the national "Journal of Applied Research in Economic Development."

CIBED supports the economic development of small businesses through its Small Business Development Center (SBDC). The SBDC offers one-to-one consulting, training, information and government bidding opportunities to small businesses in a ten-county area of southeast Alabama.

Center for International Programs

The Center for International Programs at Troy University promotes international education for all students. It works to help prepare students with the necessary knowledge, skills, and attitudes to be responsible and concerned citizens in the 21st century. It actively supports international students attending Troy by providing counseling, orientation programs, travel opportunities, assistance with visas and other governmental requirements. In

addition, it works to create a bridge between the community and the international students. It coordinates degree programs offered in Malaysia, and Vietnam. The Center for International Programs also develops and encourages study abroad agreements and activities in order to assist all students at Troy University with invaluable experience in international education. The Center for International Programs offers instruction in English as a Second Language (ESL) to ensure that all international students studying at Troy University have the necessary English language skills to be successful in their chosen academic programs.

Institute for Leadership Development

The Institute facilitates development of ethical, responsible leaders who want to use their leadership abilities at school, on the job and in various sectors of society. The Institute promotes servant-leadership; that is, the desire to lead when it is the best way to serve others and the organization.

Servant leaders must demonstrate character (who they are), competence (what they can do), and confidence (belief in themselves and their ability to lead). The Institute facilitates leadership development by:

1. Instituting, attracting, administering and coordinating leadership conferences,
2. Administering and teaching courses for the Minor in Leadership Development, and courses for the Major in Social Science with a concentration in Leadership Development.
3. Directing the Chancellor's Fellowship program which enables full-time faculty or staff to develop increased knowledge and understanding of the programs and operations of Troy University. Furthermore, fellows receive executive leadership, management, and communication skills training. Participants are selected by the Chancellor based on their leadership potential and service to the University. Previous Fellows have risen to positions of Vice Chancellor, Dean, and Director of various programs.

Institutional Research, Planning and Effectiveness (IRPE) Office

The IRPE office provides required services for institutional research, planning, and effectiveness. In the area of research, the IRPE office prepares analyses, surveys, and reports regarding numerous University areas for federal agencies, state agencies, non-governmental external agencies, and the University. In the areas of institutional planning and effectiveness, the IRPE office coordinates activities which include providing information to the various divisions and units of the University; maintaining the HOMER system, which documents the effectiveness of each academic, administrative, educational support, research, and community service unit's program-level activities; surveying students, alumni, and employers; and reviewing the effectiveness and planning documentation for existing, new and revised programs. The IRPE office publishes the results of online surveys and provides the Troy Fact Site of demographic information online. In addition, the IRPE office serves as the liaison with the Alabama Commission on Higher Education (ACHE) and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).

International Center for Collaboration and Creativity (iC3)

The International Center for Collaboration and Creativity (iC3) fosters and facilitates intercultural, international and interdisciplinary ventures. The central catalyst for and the expected results from this center will intrinsically be collaboration and creativity. Cultures and disciplines are converging. As a result of this convergence, there is a new emergence of discoveries and hybrid disciplines. The creation of the iC3 not only develops hybrid academic ventures but provides impetus for attracting new interdisciplinary programs and instructional models in higher education. The iC3 is housed within the College of Communication and Fine Arts.

Endowed Chairs and Professorships

Five endowed chairs have been established by the Troy University Board of Trustees and endowed with funds from Mrs. Anise J. Sorrell and others. Some of these chairs have full-time occupants; others provide visiting lecturers and enhancements.

Sorrell Endowment

The Adams-Bibby Chair of Free Enterprise

The Adams-Bibby Chair of Free Enterprise was made possible by a gift from Mr. and Mrs. Walter Berry Bibby and a bequest from the estate of Mrs. Anise J. Sorrell. The chair is named in honor of the Bibbys and Mrs. Bibby's father, Mr. Eason Young Adams.

As an incentive to encourage private donations to the state's public universities, the 1985 Alabama Legislature established the Alabama Endowment Trust Fund for Eminent Scholars. This trust provides \$400,000 to the Troy University Foundation for each \$600,000 donated to the foundation for the Eminent Scholar Endowment.

Eminent Scholars

- ALFA Eminent Scholar in Environmental Management and Agriculture
- Eminent Scholar of Computer and Information Science
- HealthSouth Eminent Scholar in Sports Medicine
- Troy University Foundation Eminent Scholar Chair in Banking and Finance.

Professorship

- The E. H. Sherman Professorship in Accounting
- The Sherman Professorship was established by gifts from alumni and friends of the Troy University accounting program.

Graduate School

A student with a bachelor's degree from an accredited college or university may apply to the dean of the Graduate School for admission. The Graduate Catalog should be consulted for detailed information on the regulations of the Graduate School, the programs and courses offered for graduate credit, the requirements for degrees, financial aid and other matters pertaining to graduate study with Troy University.

Information and Technology

Broadcast and Digital Network

The Broadcast and Digital Network provides for Troy University Television (TROY TrojanVision), and Troy University Public Radio. The Troy University Public Radio Network includes WTSU-89.9 FM serving Troy/Montgomery; WTJB, 91.7 FM serving Columbus/Phenix City; and WRWA, 88.7 FM serving Dothan. The network broadcasts diverse international, national and local news and cultural and entertainment programs. The network is affiliated with the Corporation for Public Broadcasting, National Public Radio (NPR) and American Public Media. TROY Public Radio operates the Radio Reading Service for the sight-impaired and handicapped.

The Broadcast and Digital Network also gives "hands on experience" to broadcast majors of the Hall School of Journalism and for other qualified students in studios in Troy and Montgomery. TROY TrojanVision is an educational access cable station received by viewers in central and south Alabama and Columbus, Ga. Students and staff produce regular news programs and a variety of musical programs, lectures, sports and community/university events for delayed airing.

Information about Troy University Public Radio and TROY TrojanVision is available at their website on www.troy.edu and at (334) 670-3555.

Intercollegiate Athletics

The Troy University Department of Intercollegiate Athletics

is affiliated with the National Collegiate Athletic Association (NCAA) and competes at the Division I level. Troy sponsors nine women's sports and seven men's sports. The men's sponsored sports include baseball, basketball, cross country, football, golf, outdoor track & field, and tennis. The women's sponsored sports include basketball, cross country, golf, soccer, softball, track & field (indoor and outdoor), tennis and volleyball.

Beginning in the fall of 2005, all Trojan sports began competition in the Sun Belt Conference which includes 12 schools from Alabama, Arkansas, Georgia, Louisiana, North Carolina, South Carolina, and Texas—additionally, schools from Idaho and New Mexico compete in football. In the fall of 2001, the football program successfully completed its first year at the Football Bowl Subdivision (IA) level as an independent with a 7-4 record. After earning the respect national powers the University of Miami and the University of Nebraska, the Trojans shocked SEC powerhouse Mississippi State during its homecoming. Troy exited Starkville, MSU with a 21-9 victory. Since then, the Trojans have defeated nationally ranked Missouri, Marshall (twice), Oklahoma State and the United States Naval Academy.

In 2006, the Trojans earned their first of five consecutive Sun Belt Conference championships and were winners of the R+L Carriers New Orleans Bowl. The team also appeared in the New Orleans bowl in 2008, losing in overtime to Southern Miss. In 2009, the Trojans earned their fourth straight league title and became the first team in Sun Belt history to go through a season 8-0 in league play. And in 2010, the Trojans once again appeared in the New Orleans bowl and claimed victory with a 48-21 win over the Ohio University. After a six-year drought, Troy returned to a bowl game in 2016 and once again defeated Ohio, this time 28-23 in the Dollar General Bowl in front of 32,000 fans in Mobile, Alabama.

Troy's football team has seen a rebirth, or a rebuilding of the wall, over the past two years under new head coach Neal Brown. In 2016, the Trojans nearly upset No. 2 Clemson, 30-24, in the second week of the season and became the first team in the Sun Belt Conference history to earn a national ranking as the Trojans were ranked No. 25 in the Associated Press Poll after their 8-1 start. Troy finished the 2016 season 10-3 overall for the school's first 10-win season at the FBS level and the Trojans posted the nation's best turnaround with a six-win improvement from the 2015 season.

Similarly, the 15 other Trojan sports have enjoyed great success since reclassification to NCAA Division I in the fall of 1993. The men's golf team was ranked 10th nationally in 1994 and advanced to the NCAA Regionals in '95. The Trojans have competed in an NCAA Regional in each of the past two seasons (2015 & 2016) and won the Sun Belt Conference Championship in 2016. The Troy women's golf team won back-to-back Sun Belt Conference titles in 2014 and 2015 and made NCAA Regional appearances each year.

The Troy baseball team captured conference titles in 2005, 2006, and 2013 and advanced to an NCAA Regional in '95, '96, '06, '07, '11, and most recently capped off in 2013 by beating Alabama not once, but twice, to advance to the Regional Championship against Florida State. Troy's softball team won the Atlantic Sun Conference Championship in 1996, went on to defeat the Ohio Valley Conference champions in the NCAA Play-In Game, and advanced to NCAA Regional play, the first softball team from the state of Alabama ever to do so.

Further, the men's basketball team dominated the Atlantic Sun Conference by capturing the regular season Conference Championships in 2000, 2002, 2003, 2004 and back on top in the Sun Belt Conference in 2010. "March Madness" invaded Troy in 2003 when the Trojans won the Conference Tournament and advanced to participate in the NCAA Basketball Tour-

nament. The Trojans also competed in the National Invitation Tournament (NIT) in 2004, and in the College Basketball Invitational (CBI) Tournament in 2009.

The women's basketball team has made back-to-back post-season appearances beginning with an appearance in the 2015 College Basketball Invitation (CBI) against Mercer. The Trojans followed that with another 20-win season en route to winning the 2016 Sun Belt Tournament. Troy earned a bid to the NCAA Women's Basketball Tournament against Oregon State. In addition to women's basketball postseason appearance, the Troy men's tennis won the Sun Belt Conference Tournament in 2015 and participated in the NCAA Regionals.

University athletic teams have a history of success at every level. In all, Troy has won 11 NCAA National Championships in four different sports. The 1968 football team earned notoriety by winning the NAIA national championship with a wide-open passing attack that was years ahead of its time. The men's golf team won NCAA Division II national crowns in 1976, 1977, and 1984, while the Lady Trojan golfers were national champs in 1984, 1986, and 1989. The football team won Division II championships in 1984 and 1987, and the baseball team won the 1986 and 1987 Division II World Series.

Troy University's athletic facilities are among the finest in the nation. The Tine Davis Field House is home to the administrative staff and football coaches. It features a 150 seat auditorium (the Elizabeth Mills Rane learning Center) and the Ben F. Beard Recruiting Lounge as well as locker rooms and several meeting rooms.

The football team will soon have a new home as the Athletics Department began construction on a \$24 million North End Zone Football Facility. The 70,000 square-foot facility will be completed in the spring of 2018 and will feature a new 35-by-90-foot video board, 402 club seats in addition to a new locker room, coaches office, athletic training facility and strength and conditioning center.

Adjacent to the Davis Field House is Veterans Memorial Stadium which includes the Douglas Hawkins Press Box, home to a 10,000 square foot strength and conditioning center, state-of-the-art athletic training center and Student-Athlete Academic Support Center as well as a Stadium Club and 29 private suites for fans to enjoy home football games.

Next to Veterans Memorial Stadium Riddle-Pace Field, home of the Trojans baseball team. The facility includes the Lott Baseball Complex, which houses coach's offices, locker rooms, meeting rooms and covered practice facilities. Recent stadium renovations included the addition of an artificial turf playing surface, a 30-foot wall in right field and a new scoreboard that includes video replay capabilities.

The Troy golf programs moved into their new practice facility and clubhouse over the past two years. The 35-acre multi-use practice course features six mini verde greens that can be played from multiple tees, in addition to three practice tees—two for short game and one for longer shots. The 4,400-square foot Troy Golf Clubhouse features men's and women's locker rooms, coaches' locker room, three coach offices, team lounge, two indoor hitting bays, large indoor bay for full shots and putting.

The soccer and track complex saw the addition of lights to help ease with the summer heat, while the Lunsford Tennis Complex was completed in the fall of 2001, doubling the number of courts available to TROY students and the Troy community.

Additionally, construction was completed in 2012 on a state-of-the-art multi-purpose arena and convocation center which is home to the men's basketball, women's basketball and volleyball programs. The facility is located directly behind the

Tine Davis Fieldhouse adjacent to the track/soccer complex. The men's basketball program initiated the first win in Trojan Arena on its inaugural night beating SEC opponent, Mississippi State, 56-53.

Department of Athletics Mission Statement

The Troy University Athletics Department is an integral part of the University. Its mission is to assure a balance between the desire to win and the desire to facilitate positive growth of student-athletes. The Athletics Department will strive to graduate student-athletes who will make significant contributions to society, view their experience in athletics as rewarding and who will be proud alumni and advocates of the University.

Vision Statement

Our expectation is to be a model program reaching the highest level of success in all NCAA measures in each sport program both on the fields of play and in the class-room. We expect to advance Troy University Athletics to be the premier program in the Sun Belt Conference while maintaining viable candidacy for future conference expansion and/or realignment. We also expect to be among the top institutions in NCAA academic measures such as the student-athlete graduation rate, the Academic Progress Rate (APR) and the Graduation Success Rate (GSR).

Libraries

The Troy University Libraries hold a wide variety of resources in multiple formats, including print, multimedia (DVDs, CDs, and streaming video) as well as a vast array of online databases. These resources allow the libraries' staff to ensure that students and faculty have access to the information they need to fulfill their educational and research goals.

The libraries' networked system consists of the on-line catalog, numerous general and subject oriented databases including many with full texts of journal articles, and other services including tutorials to help individuals use library services more efficiently. The libraries' homepage is constantly developing to provide more sophisticated and user friendly access to the resources in the library and around the world. The libraries' faculty and staff are continually developing quality collections, facilities, and services to assist students and faculty in their educational journeys. The libraries' faculty and staff provide professional and technical assistance and instruct users in the best methods of utilizing the libraries' resources. Through this instruction and assistance, students learn information literacy skills that will support lifelong and continuing education.

Sponsored Programs

The Office of Sponsored Programs (OSP) is responsible for facilitating the activities of faculty, professional staff and students in seeking external support for research and creative projects. OSP is responsible for assuring that agency guidelines and University policies are followed. Sponsored Programs assists in identifying sources of external funding and assists faculty, professional staff and students in all aspects of securing grants, contracts, cooperative agreements, and other types of awards. OSP maintains funding source databases and can provide sponsor guidelines and application forms. OSP can provide advice on funding possibilities, conceptualization of projects, budget preparation, completing applications, proposal editing and review, as well as other aspects of the proposal development. In addition, OSP, in consultation with the principal investigator, can assist in negotiating the terms of funded awards.

In summary, Sponsored Programs serves as a facilitator to aid the principal investigator from project inception to closing of a funded grant or contract. OSP strives to serve as a communication link between the University community and outside sponsors - federal, state, and private sector foundations and corporations. The goals of OSP are to help faculty, professional staff and students secure funding, to limit the burden of regulations to a minimum, and to ensure programmatic and fiscal accountability for all sponsored programs.

Additional information about Sponsored Programs can be

obtained by contacting the OSP by phone at (334) 670-3102, email osp@troy.edu or visiting the Office of Sponsored Programs website at <http://www.troy.edu/osp/>.

Student Accident and Sickness Insurance Plan

Troy University offers an accident and sickness insurance plan to all students. For more information, contact the Student Health Center at (334) 670-3452 or visit the Student Health Services website at www.troy.edu.

TROY Online

TROY Online is responsible for the delivery of educational programs outside the state of Alabama, and internationally. Our courses and delivery method is designed to meet the needs of civilian working adults, military and government agency civilians, and other adults seeking degrees. Courses and degrees are delivered at a time and in formats to fit the needs of adult learners who have full-time-employment, work shifts, and are prone to short notice moves. Adult learners generally have education needs different from those catered to by traditional colleges and universities. On military bases, guidance is worked cooperatively with the base education services personnel. In addition, the military usually provides classroom and office space, utilities, and local program support.

Academic programs and courses offered through TROY Online are the responsibility of the deans of the academic colleges. Troy University faculty and administrative oversight functions include, but are not limited to, academic oversight and control, new site approval, monitoring institutional effectiveness, faculty selection, certification, evaluation and graduate faculty status determination. The administration of TROY Online is the responsibility of the three Associate Vice Chancellors of TROY Online.

All student services functions are provided and monitored from the Troy Campus. Student service reviews include, yet are not limited to, admission activities, maintaining the official academic records, providing transcripts, and issuing degrees for all students enrolled in the component units of TROY Online Troy University Support Center sites.

All of the degree programs offered at Troy University Support Center sites or campuses are approved programs in the Undergraduate Catalog; however, not all degree programs are offered at every location.

Troy University's TROY Online was established as a comprehensive, educational unit of Troy University to allow and provide any student, regardless of location, the opportunity to earn a Troy University degree online. Since its inception, TROY Online has expanded to include different programs and methodologies to reach local and distant students, working adults, and the military. TROY Online offers students the opportunity to obtain both undergraduate and graduate courses, certificate programs, and degree programs online. The online courses integrate textbooks with online materials, graphics, audio, and video, and facilitate faculty and student interactions. Specialized software is utilized. For more information on undergraduate programs offered via this format, visit TROY Online at <http://online.troy.edu>

Troy University Foundation

As authorized by the Board of Trustees, the Troy University Foundation was established in 1968. The Foundation is a permanent, non-profit organization created to attract private support for the Troy University system. The Foundation is governed by a self-perpetuating board of directors. The University, through its Foundation, seeks to gain meaningful financial support from private sources as an essential supplement to legislative funds, students'

fees and federal grants. It is, therefore, committed to an active program to attract contributions from foundations, corporations and individuals. The Foundation accepts gifts of cash, real estate, securities, life income gifts, bequests through wills, life insurance policies, charitable trusts, life estate agreements, named funds and approved gifts-in-kind. For more information, please contact the associate vice chancellor for development at: (334) 670-3608 / fax (334) 670-5855 / email jlaliber@troy.edu.

University Relations

University Relations provides information to the university's various audiences and supports a number of university and community events. University Relations generates news and feature story releases, provides student achievement releases to hometown media, prepares media kits for special events, responds to media requests for information, maintains news media contacts, provides content for and oversight of the University's official social media accounts, and provides necessary events coordination.

University Relations also maintains a news presence on the University's website and produces or assists with production of a variety of special publications including the Troy University Magazine. For more information, contact University Relations at (334) 670-3196.
