Organizational Spotlight: 101 E.L.I.T.E. Men

The purpose of the 101 E.L.I.T.E. Men is to further the individual welfare of its members, by creating and maintaining high standards of behavior and expectations for the organization. 101's mission is to foster research in the field of commerce, faith, education, and social importance. It is the desire of the members to educate the public concerning their dedication to the development and success of the African American male in his community. 101 E.L.I.T.E. Men was started four years ago on the campus of Troy University. E.L.I.T.E. stands for Educated Leaders In Tomorrow's Endeavors. The goal is to improve the impression of African American males here at Troy University. They have recently started a mentoring program for incoming freshmen. They are quickly becoming one of the most popular organizations on campus. If your son would like to inquire about this organization, please contact the Student Involvement Office at 334-670-3204.
