Upgrades The Troy Way

Troy has made some significant advancements to enhance your student's college experience. Read about some changes that will help them on their way with registration, planning, and day-to-day life.

Student Planning

Troy University Student Planning access allows your student to plan their semester out quick and easy! Students can plan out their entire program all the way up to graduation, explore their overall class progress, and request for an advisor to approve a semester schedule electronically! Students can log in to their Trojan Web Express to access the Student Planning Portal today!

More Classes Options!

The General Studies courses have now had an upgrade as well. For students that began this fall 2015, there are more class options than ever before! General Studies is no longer just made up of the basic courses such as math, english, history, etc. Students now have the option to take a credit in interesting options such as Intro to Criminal Justice, Rock & Roll, Film, Sign Language, Ecology, Global Challenges, and much more. Students can see all of their options under 'Progress' in the Student Planning Portal of their Trojan Web Express
