Dear Troy University Parents,  
Greetings and thank you for being part of the Troy University family this semester! Parents and other family members play an essential role throughout a student's college years. The purpose of the Parent's Newsletter is to provide you with information every month relating to important events, campus happenings, and information relating to your student's experience. We hope this semester was a positive one for your Trojan. Here are some links that may be helpful to you or your student for the upcoming Spring 2013 semester. Happy New Year!

## Spring Spotlight: Center for Student Success

The Center for Student Success, located in Eldridge Hall, has many services and staff that are dedicated to helping your student find academic success this semester. The Center is a one-stop shop for students to get assistance in tutoring for many different subjects, academic advice for classes, exploring majors, planning their career, learning about opportunities for community service projects, and much more. The Center staff prides themselves on providing students with direct assistance with the goal in mind to help them succeed academically. If your student is in need of guidance or simply needs some encouragement, we hope you will send them to the Center for Student Success to talk with someone soon.
