Kids ‘R’ Kids Learning Academies Now Available in China

Beijing Franchise Expo, May 2014

New York Time Square, October 2014

Kids ‘R’ Kids Learning Academies Will Open in Beijing and Shanghai in September 2015

Kids ‘R’ Kids Learning Academies provide a secure, nurturing, and educational environment for children; a place for children to bloom into responsible, considerate and contributing members of society.

With more than 160 learning academies in 15 states in US, Kids ‘R’ Kids is expanding its AdvancED accredited education system in China.

You can be assured, in working with us, we will be your partners in helping build a meaningful and successful career.
Position: Lead Teacher of Kids ‘R’ Kids Learning Academy

Responsibilities:

1. Learn and administer the appropriate curriculum for children in your care for both classroom and outdoor activities, in accordance with age appropriate objectives, developmentally appropriate practice and program philosophy.
2. Maintain daily communication with families of children in your care.
3. Maintain confidentiality with information shared by owner, administration, teachers, staff and families.
4. Report any suspected child abuse to owner or administrator. You are a mandated reporter.
5. Maintain all appropriate daily records.
6. Assess and record progress in all areas of growth for children in your care. This includes physical, cognitive, social and emotional growth.
7. Document incidents and accidents appropriately for the administrators’ approval.
8. Arrange the classroom environment in accordance to program goals.
10. Stay current on and meet all licensing regulations.
11. Take all Kids ‘R’ Kids required curriculum, safety and childcare trainings.

Qualifications:

1. Four-year degree in early childhood education or related areas.
2. Speaking English as native language.
3. Working knowledge of the behaviors and developmental stages of infant/toddler/pre-school/school age children, typically gained by working two year or more in a school or preschool setting.
4. Knowledge of safety practices as they relate to infant/toddler/preschool/school age children.
5. Good written and oral communications skills.
6. Infant, Child and Adult CPR/First Aid certified at time of hire or achieve certification within 30 days from date of hire.
7. Achieve Kids ‘R’ Kids curriculum certification within 30 days from date of hire.
8. Employment conditional upon results of following:
   • Satisfactory criminal background check for child care centers
   • Satisfactory Drug Screen

Locations:

Beijing, Shanghai, Guangzhou, Shenzhen and other major cities in China.
