

**The Second Event of Celebrating the 10<sup>th</sup> Anniversary of Global Confucius Institute**  
**——*Small Apple* dance Swept Across Troy University Campus Again**

On September 26<sup>th</sup> 2014, CIT held another large-scale Chinese Culture Experience Event on Troy Campus after the successful event in LAMP School, for the purpose of celebrating the 10<sup>th</sup> anniversary of Global Confucius Institute and the 7<sup>th</sup> anniversary of Confucius Institute of Troy University (CIT). The event theme is popular Chinese online fitness dancing *Small Apple*. The bright rhythm and neat costumes drew the attention of many students and teachers, with participants coming one after another. There are more than 100 people joining in the dance in total.

Hot dance *Small Apple* was heatedly received in the Chinese Corner of last week, so it was at some Chinese learners' request tried again. This event also had other popular links such as Chinese calligraphy, paper-cutting, Chinese delicacy, Tai Chi and lion dancing. TV Station of Troy University, Montgomery municipal TV station and other media all came to the event spot for interview and report.
