

### The 3<sup>rd</sup> Chinese Culture and Language Workshop at Dothan Campus Concluded Successfully

On May 21<sup>st</sup>, the 3<sup>rd</sup> Chinese culture and language workshop at Dothan Campus came to an end successfully. This four-week event was carried out by the Confucius Institute at Troy University (CIT). This workshop features four lectures about basic Chinese language and the other four about Chinese culture, such as Chinese business dinner etiquette, Chinese *Face* and Chinese *Guanxi*, etc. It was well-praised by the attendees. CIT director Dr. Iris Xu attended the closing ceremony and made a speech. Dothan is a good place to promote Chinese program, she said, and China's global business expansion will bring more demand in the marketplace for people who can speak Chinese. Think global, just think China, she added.
