

Confucius Institute at Troy University Held 2015 Spring HSK Successfully

In March and April 2015, for the sake of providing convenience to Chinese language learners, the Confucius Institute at Troy University (CIT) held 2015 spring HSK test at three test sites: Birmingham, Montgomery and Troy. This spring's tests cover HSK level 1 through 5 and speaking test HSKK, both elementary and intermedium levels. All together 67 students participated in the test.
