

Chinese Corner Lecture on Porcelain Capital--Jingdezhen

Confucius Institute at Troy University held its fifth Chinese corner "Porcelain capital - Jingdezhen " at 3:00 pm on October 27, 2016, in Bibb Graves Hall. The presenter of the lecture is Wanjun Lu, the instructor of Confucius Institute. With the combination of a large number of pictures, Ms. Lu first simply introduced the types and characteristics of Jingdezhen porcelain, and then showed the influence of the blue and white colors of porcelain on buildings, clothing, accessories and interior decoration. Then, with the help of several video clips, Ms. Lu introduced Jiangxi province in detail about its geographical position, climate, culture, scenic spots and so on. One hour's lecture made everybody feel the charm of Jiangxi province, especially Jingdezhen and Nanchang City. Everybody were yearning for the beautiful Porcelain capital - Jingdezhen.
