

MyVA Operation Entrust Executive Committee visited CIT

On November 29, 2016, a group of special visitors --MyVA Operation Entrust Executive Committee members visited Confucius Institute on Troy Campus. The Director of the Confucius Institute, Dr. Hong Xu, gave a brief introduction of the Confucius Institute to the veterans and emphasized the importance of learning Chinese. Then Dr. Hawkins, the Chancellor of Troy University, gave a short speech. All the instructors of CIT staff on Troy campus showed them around and gave a full explanation of the exhibition hall. Finally, they took some pictures all together. Although the visit time is short, everyone has a preliminary understanding on the Chinese culture and the necessity to learn Chinese.
