

CIT Staff Joined 2017 Homecoming on MGM Campus

On Oct. 26, 2017, the CIT staff attended the exciting Homecoming at Troy University on Montgomery Campus. The CIT Staff provided an exhibition stand with interactive cultural demonstrations such as books, calligraphy, paper-cutting, cups, T-shirts and fans with CIT logo to arouse visitors' interest in Chinese culture. Ms Wei Yu also showed the calligraphy to share a specific aspect of the Chinese culture with the visitors. Chinese dumplings attracted the visitors so much that they tasted Chinese cultures in person. Visitors were also greatly attracted by the amazing Chinese characters and showed great enthusiasm in traditional calligraphy.
